In case, Bidder is not able to submit the Certificate from a practicing Chartered Accountant certifying its financial parameters, the audited results of three consecutive financial years preceding the last financial year shall be considered for evaluating the financial parameters

3.0 Notes

- a) "Holding Company" and "Subsidiary" shall have the meaning ascribed to them as per Companies Act of India, in vogue.
- b) Net worth means the sum total of the paid up share capital and free reserves. Free reserves means all reserves credited out of the profits and share premium account but does not include reserves credited out of the revaluation of the assets, write back of depreciation provision and amalgamation. Further any debit balance of Profit and Loss account and miscellaneous expenses to the extent not adjusted or written off, if any, shall be reduced from reserves and surplus.
- c) For the purpose of arriving at the executed value of work specified at **1.3** above, basic amount only shall be considered. In case of a contract inclusive of Taxes, agency has to provide the break-up of basic value and tax.
- d) Other income shall not be considered for arriving at annual turnover.
- e) The value of the work completed in the preceding seven (07) years reckoned as on date of techno-commercial bid opening, even if it has been started earlier, will only be considered for establishing the qualifying requirements.

- f) The word "executed" mentioned at clause **1.3** above means; bidder should have achieved the criteria specified in above QR even if the total contract is not completed / closed.
- g) In case the bidder has executed the work(s) as sub-vendor, then the bidder has to furnish documentary proof of approval from the principle owner for subletting the work(s).
- h) The bidder should submit the documentary proof for establishing the QR requirements at 1.0 and 2.0 above.

GeM Availability Report and Past Transaction Summary

GeM Availability Report and past transaction summary report is generated based on the specifications searched by the Buyer. The specification may be modified appropriately for searching relevant categories on GeM. Buyer may navigate to GeM category page by clicking on the category link to view category specifications and products/services available in the category.

Order Count and Order Value displayed is on a cumulative basis since GeM inception.

1. Search String: supply and apply of painting on boiler structure

Search type: Product

- 1. There are categories available on GeM matching your requirements (as listed here). You can create a bid on GeM with a product closest matching your required specifications and add additional parameters in specifications through Corrigendum using RMS functionality.
- 2. If you feel that category TP needs updating you can submit category updating request also through RMS.
- If you do not want to use any of the above option and want to proceed for procurement outside GeM, please suggest the specifications of the required product for creation of new category on GeM for future procurement.

Search Result: Category available/suggested on GeM but marked as "not matching requirements" by the buyer with undertaking as under:

It is certified that I have thoroughly checked all probable categories suggested by GeM and I am satisfied that the product required is not covered / does not fall in any of the suggested categories and can not be procured under any of these categories even after inclusion of List of Values(LOV) wherever possible in category specifications of suggested categories. It is also certified that the technical specification requirement are such that these can not be covered even by adding specification parameters using ATC in any of the GeM suggested categories. This is a one-time requirement hence new category creation is not proposed / or requirement is recurring but request for new category creation will be submitted separately post generation of GeMARPTS.
