### **Qualifying Requirements:**

#### **11.0 Technical Criteria:**

- 11.1. The bidder should be a manufacturer of 'coal mill Spares' and should have Supplied against at least one (01) order for 'coal mill Spares' to thermal Power Plants of capacity 200 MW or above.
- 11.2. The bidder should have supplied " Mechanical Spares to Thermal Power

Plant" for a cumulative value of 119.69 Lakhs in one (01) or more than one (01) order(s)" during the preceding three (03) years, reckoned as on date of techno-commercial bid opening".

## **12.0 Financial Criteria:**

The average annual turnover of the bidder, in the preceding three (03) financial years, reckoned as on the date of Techno-commercial bid opening shall not be less than Rs 149.61 Lakhs (Rupees One hundred forty nine lakhs and sixty one thousand only).

## **13.0 Notes:**

- a) In case where audited results for the last financial year as on the date of techno-commercial bid opening are not available, the financial results certified by a practicing Chartered Accountant shall be considered acceptable. In case, Bidder is not able to submit the Certificate from practicing Chartered Accountant certifying its financial parameters, the audited results of three consecutive financial years preceding the last financial year shall be considered for evaluating the financial parameters.
  - b) For the purpose of arriving at the executed value of work/supply specified at 11.1 above, basic amount only shall be considered. In case of a contract inclusive of Taxes, agency has to provide the break-up of basic value and tax.
  - c) Other income shall not be considered for arriving at annual turnover.
  - d) The value of the work completed in the preceding three (03) years reckoned as on date of techno-commercial bid opening, even if it has been started earlier, will only be considered for establishing the qualifying requirements.
  - e) The word "executed" mentioned at clause 11.1 above means; bidder should have achieved the criteria specified in above QR even if the total contract is not completed / closed.
  - f) In case the bidder is "authorized dealer of a manufacturer", then they should submit tender specific valid authorization from their principals/manufacturers and in such case the bidder can furnish their own document or document of principal/manufacturer as documentary proof for qualifying requirement.
  - g) The bidder should submit the documentary proof for establishing the QR requirements at 11.0 and 12.0 above.
- 14.0. Notwithstanding anything stated above, the Employer reserves the right to undertake a physical assessment of the capacity and capabilities including financial capacity and capability of the Bidder / his Collaborator(s) / Associate(s) / Subsidiary(ies) / Group Company(ies) to perform the Contract, should the circumstances warrant such assessment in the overall interest of the

Employer.

The physical assessment shall include but not be limited to the assessment of the office/facilities/banker's/reference works by the Employer. A negative determination of such assessment of capacity and capabilities may result in the rejection of the Bid.

The above right to undertake the physical assessment shall be applicable for the qualifying requirements stipulated above.

**15.0** NTPC reserves the right to reject any or all bids or cancel/withdraw the NIT for the subject package without assigning any reason whatsoever and in such case no bidder/intending bidder shall have any claim arising out of such action.

**16.0** Issuance of Bidding Documents to any bidder shall not construe that bidder is considered qualified.

**16.0** Participation in the tender does not automatically mean that the bidders are considered qualified. NTPC shall evaluate the qualifying requirements of each bidder as per NIT after opening of Technical Commercial bids and the bids of the bidder who is not meeting the qualifying requirement shall be treated as non-responsive.
