"Do you accept RGPPPL GENERAL SAFETY OBLIGATION, GENERAL ENVIRONMENTAL OBLIGATIONS & SAFETY CONDITIONS TO BE FOLLOWED".

(k) Declaration regarding Restrictions on procurement from Bidder of a country which shares a land border with India (To be accepted online under GTE)

Declaration to the effect that the Bidder shall abide by OM ref no. F.No. 6/18/2019-PPD of the Employer displayed on RGPPPL's website <http://www.rgppl.com> (Tender & Notice) indicating their compliance to the provisions of policy to be furnished by accepting the following GTE condition:

"Restrictions on procurement from Bidder of a country which shares a land border with India".

Note: Techno-Commercial Bid should not contain any price content entry. In case, the Techno-Commercial Bid is found to contain any price content, such bid shall be liable for rejection.

11.3.2 PRICE BID: In the Bill of Quantity (BOQ) provided, the bidder shall quote the prices, taxes etc. as asked for in the BOQ. The filled Bill of Quantity (BOQ) is to be uploaded in the Finance.

Bidders are required to refer Technical Specification/Detailed BOQ before quoting the rates/prices in BOQ.XLS sheet for the corresponding items/works. It may be noted that the "Item Description/Work Description" appearing in BOQ.XLS sheet, is very brief only and is not exhaustive. In case of any discrepancies/variation in Item Description/Work Description between Technical Specification/Detailed BOQ and BOQ.XLS File, the description appearing in Technical Specification/Detailed BOQ shall prevail and it would be deemed that the bidder has read the Technical Specification, Drawings, Detailed BOQ and other sections of Bidding Documents to ascertain full Scope of work, included in each item, while filling the rates/prices and the entered rates /prices, shall be deemed to include the full scope of work as per technical specification.

In case of discrepancies in the quoted GST rate the following methodology shall be followed:

1. In case Bidder quotes the GST rate as '**Zero**' or **left blank** in the Price Bid (i.e. in BOQ.XLS), the quoted price shall be considered as inclusive of GST, at the rate prevailing as on seven (7) days prior to the date of opening of Techno-commercial Bids, for evaluation purpose.

Accordingly, for the purpose of Award, the revised basic price shall be derived by deducting the applicable GST, at the rate prevailing as on seven (7) days prior to the date of opening of Techno-commercial Bids from the quoted price in BOQ.XLS.

Enquiry No.: 211300087

Sub: Gas Turbine Lube Oil Varnish Removal Along with NAS Improvement

For Example, if the Bidder quotes basic price as Rs. 100 and GST rate as '0' or left Blank (in BOQ.XLS) whereas the applicable GST rate is 18%, as on seven (7) days prior to the date of opening of Techno-commercial Bids. Accordingly, for evaluation purpose, quoted price shall be considered as Rs. 100. However, for the purpose of award as brought out above, the revised basic price shall be considered as Rs. 84.75 (= Rs 100/1.18) and GST rate as 18%.

2. In case Bidder quotes the GST rate **lower** w.r.t. actual applicable GST rate, prevailing as on seven (7) days prior to the date of opening of Techno-commercial Bids, the quoted basic price plus quoted GST rate (in BOQ.XLS) shall be considered for evaluation purpose. Accordingly, for purpose of Award, the revised basic price shall be worked out by deducting the applicable GST from the total quoted price (Basic + GST) (in BOQ.XLS).

For Example, if the Bidder quotes basic price as Rs. 100 and GST rate as 15 %, whereas the applicable GST rate is 18%, as on seven (7) days prior to the date of opening of Techno-commercial Bids. Accordingly, for evaluation purpose, quoted price shall be considered as Rs. 115. However, for the purpose of award as brought out above, the basic price shall be considered as Rs. 97.46 (= Rs 115/1.18) and GST rate as 18%.

3. In case Bidder quotes the GST rate **higher** w.r.t. actual applicable GST rate, prevailing as on seven (7) days prior to the deadline for opening of Techno-commercial Bids, the quoted price along with quoted GST rate shall be considered for evaluation purpose.

However, for the purpose of Award, the quoted basic price shall be considered and GST shall be reimbursed as applicable as on seven (7) days prior to the deadline for opening of **Techno-commercial Bids**.

For Example, if the vendor quotes its basic price as Rs. 100 and GST rate as 20%, whereas the applicable GST rate is 18%. Hence for evaluation purpose Quoted price shall be considered as Rs. 120 and for the purpose of award the basic price shall be considered as Rs. 100 and GST rate as 18%

4. In case Bids received from **unregistered bidder**, their Bid for evaluation shall be cost compensated as per the GST rate applicable in view of RCM as per GST Law.

- 11.4 Filling the information in the attachments with answers like "shall be given later" "or" "shall be mutually discussed and finalised" or "information already submitted at the time of enlistment" etc. shall not be accepted. Even if the information required in the attachments has been given in response to any other recent invitation for bids of the Employer or in some other reference, it is mandatory for the Bidder to give the information along with his bid as asked for. **Noncompliance with the above or leaving the attachment(s) blank may lead to the rejection of the bid.** The information furnished by the Bidder should be consistent, correct and true. The Employer reserves the right to verify the information given and if found incorrect, the bid may be rejected.

11.5 A conditional Price Bid shall run the risk of rejection.

After evaluation of the rate/price analysis, Employer may require that the amount of the Security Deposit be increased at the expense of the successful Bidder to a level sufficient to protect Employer against financial loss in the event of default by the Contractor under the Contract, to carry out such low rated items of work, subject to the provisions of GCC. Further, the Employer will require the Contractor to provide a suitable undertaking to execute the item(s) of Work to the extent of quantities up to the variation limits.
