**be applicable.**

Note:-

Evaluation shall be carried out as per below mentioned procedure elaborated:

- i) Among all qualified and substantially responsive bids, the lowest evaluated bid will be termed as L1.
- ii) If L1 bid is from an MSE, the contract will be awarded to L1.
- iii) If L1 Bid is not from an MSE, the lowest evaluated bidder among the MSEs, will be invited to match the lowest evaluated bid (L1) price subject to MSE's evaluated bid price falling within the fifteen (15%) of the lowest evaluated bid (L1) price and the contract shall be awarded to such MSE subject to matching the lowest evaluated bid (L1) price. In case such lowest eligible MSE fails to match the lowest evaluated bid (L1) price, the MSE with the next higher evaluated bid within fifteen (15%) of the lowest evaluated bid (L1) price shall be invited to match the lowest evaluated bid (L1) price and so on and contract shall be awarded accordingly.
- iv) In case none of the MSEs within the fifteen (15%) of the lowest evaluated bid (L1) price matches the lowest evaluated bid (L1) price, then the contract may be awarded to the L1 bidder.
- v) For the purpose of matching of lowest evaluated bid (L1) price, the MSE would have to necessarily reduce all components of the quoted price on pro-rata basis. The reduction should not apply on the evaluation loading on account of functional guarantees and other loadings (if any, which are not dependent on quoted price). Further, the Contract shall be awarded on such revised/ reduced quoted price. The summation of the revised/ reduced quoted price and the evaluation loading on account of functional guarantees and other loadings (if any) shall be equal to the lowest evaluated bid (L1) price.
