

## Invitation for Expression of Interest

**EOI No. LARA/AU/01/2022**

**Date: 03.06.2022**

Lara Super Thermal Power Station, NTPC Ltd. is located 24 km from Raigarh city in Chhattisgarh. Fly / pond ash generation from this station is approximately 30 Lakh MT per year. In addition, approx. 23 Lakh MT of Pond ash is also available in the Ash Dyke. The above ash can be used in a number of ways in industries, civil construction works, area development work, mine/quarry filling etc.

In order to encourage fly /pond ash utilization of NTPC Lara, we invite "Expression of Interest" from the potential users (Minimum requirement of 1000 cubic meter at one location) within 100 km from NTPC Lara, who require above mentioned ash "Free of Cost" for use in their mine/quarry filling/ low lying area filling & area development on private/Govt. land. Bulk users are required to obtain permission from statutory authorities for land development / mines / quarry filling by fly/pond ash. NTPC may supply the fly / pond ash within 100 Km from NTPC-Lara to potential bulk users having valid permission from statutory authority subject to force majeure conditions such as change in policies etc. prospective bulk users may submit their quantity requirement of fly / pond ash in Cubic meter & distance (in Km) from NTPC-Lara of the area where ash shall be utilized for the purpose of area development / low lying filling / mine-filling / stone quarry filling. NTPC reserves the right to accept / reject any EOI offer without assigning any reason.

Interested Party / Users/Govt. Department may contact the following officials / department for further information.

- 1) DGM (Ash Utilization) , e-mail: [gurcharanbirok@ntpc.co.in](mailto:gurcharanbirok@ntpc.co.in)
