 31. There shall be no defect liability period for this work.

Vindhyachal Super Thermal Power Station

32. Contractor must provide 2 sets (Pant -2, Shirt-2) White coloured stitched uniform to the drivers free of cost yearly for which no payment shall be made by the NTPC as it is covered in rate.
33. In case of breakdown of Ambulance on route of Varanasi or to any other specified place, the contractor shall arrange suitable alternative transportation within one hour failing which the patient 's escort shall be at liberty to hire suitable transportation and the amount claimed shall be recovered from the contractor's bill.

NOTE –

- AC will not be used in local movement
- AC will only be used in referred critically ill and seriously injured patients means it will not be used while returning. AC will be used with the permission of Administrative I/C/ EIC
- General conditions will be same as for any other contract.

OBSERVANCE OF LABOUR LAWS AND CONTRACTOR'S LIABILITY

1. In addition to the observance of the provisions in clause 16 and 34 of GCC (which can be referred to in the office of NTPC) following provisions will hold good.
2. You, as contractor, shall be liable to make payments to all your employees and shall comply with labour laws. If the owner NTPC is held liable as PRINCIPLE EMPLOYEE to pay contribution etc, under ESI Act or any other Legislation of Govt. or court decision in respect of the employees of the contractor, then the latter would reimburse NTPC with amounts of such contributions so paid by the owner, NTPC.
3. You shall make contractor's all risk insurance policy to cover all risk, in terms of our tender provisions to the extent acceptable to National Insurance Companies.
4. You shall indemnify and keep indemnified the Corporation against all losses and claims for injuries or damages to any person or property whatsoever which arises out of or in the consequence of the construction and maintenance of works and against all claims, demands, proceedings, damages, costs, charges, and expenses whatsoever in respect of, the cost of incidental to arbitration shall be at the direction of arbitrator. The arbitration shall be conducted at Sidhi or at such other place as the arbitrators may decide.
5. Notwithstanding and dispute between the parties, the contractor shall not be entitled to withhold delay or defer his obligation under the contract and the same shall be carried out strictly in accordance with the terms and condition of the contract. The award of arbitrator shall be final and binding on all parties to this contract.
6. Save and except stated herein before, other terms and conditions shall be as per GCC of NTPC.
7. The ambulance shall be produced for inspection at VSTPS by the tendered at his own cost prior to deployment, if so desired by NTPC.
8. For outstation duty fuel (diesel) shall be arranged by Agency at his own cost. Payment shall be made for the same as per average consumption stated at point no. 13 of terms and condition stated above.

Vindhyachal Super Thermal Power Station

Modality for deciding priority criteria for hiring vehicle from PAFs :

1. (Land + Homestead) oustees assumed as Category-A would be considered at 1st priority weightage on the basis of acreage of land acquired.
2. Homestead oustees assumed as Category-B would be considered at IIInd priority and
3. Land oustees assumed as Category-C would be considered at IIIrd priority (weightage on the basis of acreage of land acquired).
4. Vehicle applicants who are not engaged through direct / indirect employment by the project /station will be preferred for the deployment of vehicle, subject to above priority.
5. However if PAF falls in same category, the preference shall be as per the date of birth of vehicle owner according to PAN/DL/Aaddhar card/10th certificate. Older date of birth (oldest owner) shall be given first preference. The applicants who are already engaged in running contract, their names shall be considered for award of any contract against subject empanelment only after expiry of the existing running contract.
6. If the numbers of eligible applicants meeting the NIT requirements are more than the number of vehicles required, then the balance applicants shall be empanelled for three years from the date of approval of empanelment, to meet any future requirement of the vehicle at stations/Projects. If required, NTPC may extend the validity of the period of empanelment.
7. The PAF who has been awarded a contract for hiring vehicle shall be given least priority irrespective of category for consecutive contract of vehicle hiring.
