

Qualifying Requirement for Enlistment of Vendors for supply of Limestone 10MEG-39.

A	MEG Details		
	1	MEG No.	10MEG-39
	2	MEG DESCRIPTION	Supply of Limestone for Flue Gas desulfurization (FGD) of NTPC Stations:
		RESPONSIBILITY CENTRE	CPG-1/ VDC
		ENLISTMENT CATEGORY	Category-1
B	TECHNICAL QR CRITERIA		
	<p>1. The applicant should be “Limestone Mine(s) Owner” / “Limestone Mine(s) Lessee” with the mine(s) located in India.</p> <p>OR</p> <p>2. The applicant should be “Limestone Trader/ Supplier/ bulk user”, who sources limestone from backup mine(s) located in India.</p> <p>3. The applicant should have executed the purchase order(s) for supply of Limestone with CaO (Calcium Oxide) content of at least 47%, in the preceding five (05) years prior to the date of application.</p>		
C	<p>Documents to be submitted as proof of meeting the stipulated Qualifying Requirements:</p> <p>i. QR-1: Copy of valid Mine(s) ownership/ Permission/ Letter of Intent/ agreement from competent government authority & Copy of registration under Rule 45 of MCDR 1988 - Indian Bureau of Mines (Ministry of Mines).</p> <p>ii. QR-2: Applicant (Trader/ Supplier/ bulk user) shall provide letter of authority for supply of limestone from the concerned backup Limestone mine owner/ lessee, for the enlistment period*/ Trading license under concerned Mining circle (if applicable).</p> <p>iii. QR-3: Copy of Purchase Order(s) and completion certificate(s)/ Invoice(s)/E-way bill(s)/ Store Receipt(s) confirming execution of the Purchase order(s).</p> <p>NTPC can ask more documents if felt necessary. Also, all documents/ facilities can be verified/ assessed if required.</p> <p>*The enlistment is for 3 years from the date of approval. The enlistment validity is for 3 years from the date of approval. The enlistment validity shall be limited to 3 year or expiry date of backup agreement of the limestone trader/supplier/bulk user with the limestone mine owner/lessee or expiry date of mining lease period of the backup Limestone mine owner/ lessee, whichever is earlier.</p>		

D	<p>Other Documents to be uploaded: In addition to the documents required in support of Qualifying Requirements mentioned at C) above, following documents are also required to be uploaded by the applicants applying for enlistment: -</p> <ol style="list-style-type: none"> 1. Three PO's of the highest executed values (Refer to Note-2 of "E" below) of similar works (Refer to Note-1 of "E" below) during last five years from the date of application. Copy of Invoice/ Completion certificate from the concerned buyer(s) in support of successful execution of supply against the PO's. 2. Audited balance sheet including Profit & Loss statement for the previous three completed financial years reckoned from the date of application. In case the audited results for the preceding financial year is not available, certification of financial statements from a practicing-chartered accountant is to be uploaded. In case, applicant is not able to submit the certificate from practicing chartered accountant certifying its financial parameters, the audited results of the three consecutive financial years preceding the last financial years shall be considered for evaluating the financial parameters. Further, a certificate would be required from the CEO/CFO stating that the financial results are under audit as on date of application and certificate from the practicing chartered certifying the financial parameters are not available. 	
E	Note-1	Similar works means: "Supply of Limestone" with CaO (Calcium Oxide) content of at least 47%.
	Note-2	The executed value means "Basic value of quantity of similar works" Executed /supplied against the reference PO (also applicable to partly executed POs as on date of application). Where PO value is composite (i.e. including Taxes etc.), the applicant to give item-wise break-up of Composite PO value mentioning Basic Value, Taxes etc.
	Note-3	Other income shall not be considered for computing annual turnover.

Technical specifications for enlistment of vendors for the supply of limestone is attached

Technical Specification for Enlistment of Vendor for the Supply of Limestone (10MEG-39).

- A. GENERAL: The material shall be as per the requirement mentioned.
- B. REQUIREMENT:

1. Specifications of Limestone - M1010284400.

S.N.	Parameter	UOM	Limits/ Value
Chemical Parameters:			
a.	CaO (Minimum)	% by mass	47
b.	MgO	% by mass	0.9-2.0
c.	Silica	% by mass	2.1-4.5
Physical Characteristics:			
d.	Bond Index	kWh/T	13

2. Testing Requirement:

- i. The vendor to sample each lot and do testing for all the parameters in a government recognized laboratory/ NABL accredited laboratory/ Global Environment & Mining Services, Bangalore/ SGS House, Mumbai, at his own cost and communicate the result to NTPC prior to starting dispatch of that lot. The material will be loaded for dispatch after clearance from NTPC based on compliance to the limits /value specified above at point no. 1(a) to 1(d) for all the four parameters.
- ii. The material will be tested at NTPC on arrival through random sampling (either directly or through an authorized agency appointed by NTPC) once in a week on a date and time (as mutually agreed between site & vendor) specified by the individual station where the vendor may choose to send their representative to witness the sampling and analysis.
- iii. Testing at NTPC site to be done for specific parameters - CaO & MgO and other Parameter through NTPC facilities / authorized agency appointed by NTPC.
- iv. If supplier representative chooses not to involve in the sampling and testing process, result of analysis by NTPC station will be binding for acceptance.
