

NTPC VIDYUT VYAPAR NIGAM LIMITED

(A Wholly Owned Subsidiary of NTPC Limited, A Maharatna Organization, under

Ministry of Power, Government of India)

**5th Floor, Engineering Office Complex,
A-8A, Sector -24, Noida – 201301 (U.P.)**

Request for Selection (RfS) Document

For

Procurement under Tariff-Based Global Competitive Bidding Request for Selection (RFS) document for setting up of 125 MW/ 500 MWh STU connected standalone Battery Energy Storage Systems (BESS) in the state of Chhattisgarh for Chhattisgarh State Power Distribution Company Limited (CSPDCL) with Viability Gap Funding (VGF) supported through Power System Development Fund (PSDF)

RfS for Procurement of 125 MW/500 MWh BESS in Chhattisgarh with VGF under Tariff-based Global Competitive Bidding	RfS No. <u>NVVN/C&M/BESS-05/2025-26</u> <u>Dated 01.12.2025</u>	Page 1 of 136
---	--	---------------

DISCLAIMER

1. Though adequate care has been taken while preparing the RfS document, the bidder(s) shall satisfy themselves that the document is complete in all respect. Intimation regarding any discrepancy shall be given by the prospective bidders to the office of NTPC Vidyut Vyapar Nigam Limited (NVVN) immediately. If no intimation is received from any bidder prior to the last date for seeking the clarification, it shall be considered that the document is complete in all respect and has been received/ acknowledged by the bidder(s).
2. NVVN reserves the right to modify, amend or supplement this document.
3. This RfS document has been prepared in good faith, and on best endeavour basis. Neither NVVN nor their employees or advisors make any representation or warranty, express or implied, or accept any responsibility or liability, whatsoever, in respect of any statements or omissions herein, or the accuracy, completeness or reliability of information, and shall incur no liability under any law, statute, rules or regulations as to the accuracy, reliability or completeness of this document, even if any loss or damage is caused by any act or omission on their part.
4. This RfS is not an agreement and is neither an offer nor invitation to the prospective bidders or any other person. The purpose of this RfS is to set the terms for the selection process and to provide Bidders with information that may be useful to them in preparation and submission of their Bids.
5. The bidder shall bear all its costs associated with or relating to the preparation and submission of its bid, including but not limited to preparation, copying, postage, delivery fees or any other costs incurred in connection with or relating to its bid. All such costs and expenses will remain with the bidder and the authority shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a bidder in preparation of submission of the bid, regardless of the conduct or the outcome of the bidding process.
6. In case of any discrepancy in the Bidding documents uploaded on the websites of NVVN, Bharat ETS e-bidding portal (The link for same is <https://www.bharat-electronictender.com>), the documents uploaded on the <https://www.bharat-electronictender.com> website will prevail.

Place: Noida

Date: 01.12.2025

BID INFORMATION SHEET

The brief details of the RfS are as under:

(A)	NAME OF WORK/ BRIEF SCOPE OF WORK/ JOB	1. Selection of Battery Energy Storage System Developers for Setting up of 500 MWh (125 MW x 4 hrs) Standalone Battery Energy Storage Systems in Chhattisgarh for “on Demand” usage under Tariff-based Competitive Bidding 2. The Projects will be set up under “BOO” model.		
(B)	RfS NO. & DATE	<u>NVVN/C&M/BESS-05/2025-26 Dated 01.12.2025</u>		
(C)	TYPE OF BIDDING SYSTEM	Single Stage Bidding with Two Envelopes		
(D)	TYPE OF RfS/ TENDER	E-TENDER	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text" value="Yes"/>	
		MANUAL	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text"/>	
(E)	COMPLETION/ CONTRACT PERIOD	As mentioned in RfS Document		
(F)	DOCUMENT FEE/ COST OF RfS DOCUMENT (NON-REFUNDABLE)	APPLICABLE	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text"/>	
		NOT APPLICABLE	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text" value="Yes"/>	
(G)	DOCUMENT PROCESSING FEE	APPLICABLE	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text" value="Yes"/>	
		NOT APPLICABLE	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text"/>	
		Rs. 15.00 Lakh + 18% GST for total Project capacity quoted by bidder, shall be submitted through NEFT/RTGS transfer in the account of the NVVN.		
(H)	EARNEST MONEY DEPOSIT (EMD)	APPLICABLE	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text" value="Yes"/>	
		NOT APPLICABLE	<input style="width: 50px; height: 20px; border: 1px solid orange;" type="text"/>	
		Amount: INR 8,80,000/MW (Rupees Eight Lakh Eighty Thousand only per MW) per Project shall be submitted in the form of Bank Guarantee.		

(I)	PERFORMANCE BANK GUARANTEE	Bidders selected by NVVN/ CSPDCL based on this RfS shall submit Performance Bank Guarantee (PBG) for a value @ INR 22,00,000/MW (Rupees Twenty Two Lakh only per MW) to CSPDCL , prior to signing of BESPA with CSPDCL as per terms of RfS.
(J)	DATE, TIME & VENUE OF PRE-BID MEETING	As per date & time mentioned on ETS portal. Bidders shall submit their queries on or before to NVVN through email.
(K)	OFFLINE & ONLINE BID-SUBMISSION DEADLINE	Applicable as per NIT on Bharat-ETS portal
(L)	TECHNO-COMMERCIAL BID OPENING	As per NIT on Bharat-ETS portal
(M)	e-Reverse Auction (e-RA)	Will be informed to eligible bidders. Date and time of e-RA shall be intimated through email.
(N)	CONTACT DETAILS OF (insert details of the e-bidding portal)	<u>mailto:</u> Bharat-ETS portal https://www.bharat-electronictender.com
(O)	Name, Designation, Address and other details (For Submission of Response to RfS)	Arun Kumar, Manager(C&M) NTPC VIDYUT VYAPAR NIGAM LIMITED Ph No. 0120-4947246 5th Floor, Engineering Office Complex, A-8A, Sector -24, Noida – 201301 (U.P.)
(P)	Details of persons to be contacted in case of any assistance required	NTPC VIDYUT VYAPAR NIGAM LIMITED (A Wholly Owned Subsidiary of NTPC Limited) 5th Floor, Engineering Office Complex, A-8A, Sector -24, Noida – 201301 (U.P.)

1. Bidders are required to quote strictly as per terms and conditions of the RfS documents and not to stipulate any deviations/ exceptions.
2. Any bidder, who meets the Qualifying Requirement and wishes to quote against this RfS, may download the complete RfS document along with its amendment(s) and clarifications if any, from Bharat ETS e-bidding portal and/or NVVN website (www.nvvn.co.in) and submit their Bid complete in all respect as per terms & conditions of RfS Document on or before the due date of bid submission.
3. Clarification(s)/ Corrigendum(s) if any shall also be available on the above referred websites.

Bidders are requested to remain updated for any notices/ amendments/ clarifications etc. to the RfS document through the websites <https://www.bharat-electronictender.com> and www.nvvn.co.in. No separate notifications will be issued for such notices/ amendments/ clarifications etc. in the print media or individually. Intimation regarding notification on the above shall be updated on www.nvvn.co.in and the details only will be available from <https://www.bharat-electronictender.com>.

SECTION 1. INTRODUCTION & INVITATION FOR BIDS

1 *Background & Introduction*

- 1.1 NTPC VIDYUT VYAPAR NIGAM LIMITED (hereinafter referred to as “NVVN”), a wholly Owned Subsidiary of NTPC Limited (Govt of India Enterprises), has been incorporated with the objective of, inter alia, carrying on the business of trading in electricity by purchasing all forms of electrical power from generating companies, captive generating plants (CGPs), distribution licensees, State Electricity Boards etc., and sell such electrical power thereof to SEBs, distribution companies / licensees and bulk power consumers etc. in India and abroad. Chhattisgarh has been allocated 500 MWh of BESS Capacity under by Ministry of Power, GoI under the Viability Gap Funding (VGF) scheme supported through Power System Development Fund (PSDF) for Development of Battery Energy Storage Systems (BESS). NVVN has been appointed by Chhattisgarh State Power Distribution Co. Ltd. (CSPDCL) as Authorised Representative for conducting Bid Process on behalf of CSPDCL.
- 1.2 With various global developments in technology and manufacturing, Renewable Energy (RE) has become the most affordable and cheapest source for meeting energy requirements. India has been expanding its installed RE capacity with the aim of reaching 500 GW by 2030. RE from sources like solar and wind is variable and not available round the clock like thermal power to meet the demand. Energy Storage Systems (ESS) are necessary to address this challenge by storing excess energy when not needed and supplying it during peak demand periods. As reliance on RE increases, the grid experiences stress during evening and morning peaks when sufficient RE is not available, necessitating additional power dispatch. ESS plays a vital role in successfully integrating RE into the grid and assisting grid operators in managing these fluctuations in demand and RE supply. ESS connected to solar pooling stations also help in maximizing the capacity utilization of RE transmission systems.
- 1.3 The above aspects rightly point out to the next course of direction of India’s energy planning methodology-integrating Energy Storage Systems (ESS) with existing and upcoming RE capacity in order to optimize generation mix while also better utilizing the transmission infrastructure in the country. With respect to increasing the storage component in the energy mix, CEA’s Report on identification of usage of storage as business case and for ancillary services, identifies Pumped Hydro Storage System (PSP) and Battery Energy Storage Systems (BESS) as the commercially deployed solutions for providing requisite storage capacity. CEA’s Report on Optimal generation capacity mix for the year 2029-30 (Version 2.0), released in April, 2023, envisages a total installed Battery Energy Storage capacity of 41,650 MW/208,250 MWh as part of the installed capacity in 2029-30. This will be in addition to 18,986 MW of Pumped Hydro Storage System envisaged to be a component of the installed capacity in 2029-30.
- 1.4 Going forward, the planning process for transition to a greener energy mix in the country would entail integrating the planned Renewable capacity into India’s energy grid while ensuring its safety and reliability. Apart from Pumped Hydro Storage Plants, BESS are envisaged to be significant element of the future grid with increased share of renewable

energy in accordance with the target of 500 GW of non-fossil-based capacity to be installed by 2030. BESS assets can provide the required flexibility in generation apart from ensuring the resource adequacy. Besides, Energy Storage Systems also have the potential to enable better utilization of the country's transmission network and reducing network infrastructure footprint.

1.5 Guidelines for Implementation of the RfS

This RfS document has been prepared based on the Guidelines for “Procurement and Utilization of Battery Energy Storage Systems as part of Generation, Transmission and Distribution assets, along with Ancillary Services”, issued by Ministry of Power vide Gazette Notification dated 10.03.2022 and subsequent amendments and clarifications issued thereto until the bid submission deadline for this RfS and Viability Gap Funding scheme for development of Battery Energy Storage Systems supported through Power System Development Fund (PSDF) dated 09th June 2025 and subsequent clarifications and amendments issued by Ministry of Power . NVVN has issued this RfS in the capacity of “Authorised Representative” (hereinafter referred to as the Authorised Representative, or NVVN) of the Procurer i.e. **Chhattisgarh State Power Distribution Co. Ltd** (CSPDCL) as defined in the aforementioned Guidelines/ amendments/ clarifications.

1.6 **Chhattisgarh State Power Distribution Co. Ltd** (CSPDCL) (hereinafter referred to as the Procurer, or end procurer or Buying Entity or CSPDCL) seeks to utilize energy storage systems, on an “On-Demand” basis, suited to the requirements of CSPDCL during the peak and off-peak hours. In view of the above, the NVVN hereby invites proposals for setting up of STU-connected Projects of Standalone Battery Energy Storage Systems (BESS), for an aggregate storage capacity of 500 MWh (125 MW x 4 hrs) with single cycle charging/discharging operation, with provision for occasional dual cycle per day with annual limit as 420 Cycles of BESS with project to be located in the State of Chhattisgarh connected with State Transmission Utility.

The BESS shall be operated for occasional dual cycles in a day subject maximum of 5 (Five) dual cycle days in a month, however subject to the annual limit of 420 cycles. During a Day, in any Contract Year, the Buying Entity shall not ask for / schedule any BESS capacity / Energy in excess of 2 cycle of charge and discharge of 4 hours at rated power, subject to the maximum of 35 Operational Cycles in a Calendar Month and within 420 Operational Cycles in a Year.

Chhattisgarh State Power Distribution Co. Ltd (Referred also as “End Procurer or Buying Entity or CSPDCL”) shall enter into a Battery Energy Storage Purchase Agreement (BESPA) with the successful Bidder selected based on this RfS, for availing the Energy Storage facility as per the terms, conditions and provisions of the RfS and BESPA. It is clarified that the charging power shall be provided by the Buying Entity/ CSPDCL.

Being lowest bidder does not entail the bidders to be eligible for issuance of LOAs. LOAs shall be issued for capacity of 500MWh subject to acceptance of the discovered rates in this RfS by CSPDCL. The decision of CSPDCL in this regard shall be final and binding on the bidders.

- 1.7 Battery Energy Storage System Developer (hereinafter referred to as BESSD) selected by NVVN based on this RfS, shall set up the BESS on Build Own Operate (BOO) basis in accordance with the provisions of this RfS document and standard BESPA. BESPA formats shall be available for download from the (<https://www.bharat-electronictender.com>)
- 1.8 Energy Storage facility shall be procured by the CSPDCL from the above tender. CSPDCL shall be the End Procurer for using the energy storage facility and charging/ discharging the BESS in line with respective agreements with the BESSD and CSPDCL, based on due performance by the concerned parties. For this tranche, 100% of the awarded capacity shall be off taken by CSPDCL.
- 1.9 The Bidders will be free to avail fiscal incentives like Accelerated Depreciation, Concessional Customs and Excise Duties, Tax Holidays etc. available if any for such Projects. The same will not have any bearing on comparison of bids for selection. As equal opportunity is being provided to all Bidders at the time of tendering itself, it is up to the Bidders to avail various tax and other benefits. No claim shall arise on NVVN/ CSPDCL for any liability if Bidders are not able to avail fiscal incentives and this will not have any bearing on the applicable tariff. NVVN shall not bear responsibility for any availability or non-availability of fiscal incentive and submission of the bid by the Bidder shall be independent of such availability or non-availability as the case may be of the fiscal incentives.
- 1.10 Already commissioned projects cannot be considered under this RfS. Projects under construction or projects which are not yet commissioned will, however, be considered, in case these projects are not already accepted under any other Central or State Schemes. Enhancement and augmentation of already commissioned Projects, irrespective of their capacities will not be considered as eligible Project under this scheme. The battery capacity being installed under this tender cannot be used by the developer as part of the installed Project capacity demonstrated under any other tender concluded by any Central or State Agency as on the last date of bid submission of this RfS.
- 1.11 **Viability Gap Funding**
- BESSD selected under this RfS shall be eligible for grant of Central Financial Assistance in the form of Viability Gap Funding (VGF), to be released as per the provisions contained in this RfS. The VGF support has been earmarked for a cumulative BESS capacity of 500 MWh (allocated capacity to Chhattisgarh).

2 Invitation for Bids

- 2.1 A Single Stage, Two-Envelope competitive Bidding Procedure will be adopted and will proceed as detailed in this document. The respective rights of the Buying Entity/ CSPDCL and the Bidder/BESSD shall be governed by the RfS Documents/Agreements signed between the CSPDCL and the BESSD.
- 2.2 Interested bidders have to necessarily register themselves on the <https://www.bharat-electronictender.com> ("ETS portal") through M/s Electronic Tender.com (India) Pvt.

Limited to participate in the bidding under this invitation for bids. It shall be the sole responsibility of the interested Bidders to get themselves registered at the aforesaid portal for which they are required to contact Bharat ETS e-bidding portal <https://www.bharat-electronictender.com> to complete the registration formalities.

They may obtain further information regarding this RfS from the registered office of NVVN at the address given on the Bid Information Sheet from 10:00 hours to 17:00 hours on all working days.

For proper uploading of the bids on the Bharat ETS e-bidding portal, it shall be the sole responsibility of the Bidders to apprise themselves adequately regarding all the relevant procedures and provisions as detailed in the portal as well as by contacting Bharat ETS e-bidding portal directly, as and when required, for which contact details are also mentioned on the Bid Information Sheet. NVVN in no case shall be responsible for any issues related to timely or properly uploading/ submission of the bid in accordance with the relevant provisions of the Bidding Documents.

- 2.3 Bidders should submit their bid proposal complete in all aspect on or before last date and time of Bid Submission as mentioned on the Bharat ETS e-bidding portal, the NVVN website (www.nvvn.co.in) indicated in the Bid Information Sheet.
- 2.4 Bidder shall submit bid proposal along with non-refundable Bid Processing Fees and Earnest Money Deposit (EMD) complete in all respect as per the Bid Information Sheet. Bid proposals received without the stipulated Bid Processing Fees and EMD, will be rejected. In the event of any date indicated being declared a holiday, the next working day shall become operative for the respective purpose mentioned herein.
- 2.5 RfS documents which include Eligibility Criteria, Technical Specifications, various Conditions of Contract, Formats etc. can be downloaded from Bharat ETS e-bidding portal or from NVVN's website. It is mandatory to download official copy of the RfS Document from Bharat ETS e-bidding portal (<https://www.bharat-electronictender.com>) to participate in the Tender. Any amendment(s)/corrigendum(s)/clarification(s) with respect to this RfS shall be uploaded on Bharat ETS e-bidding portal (<https://www.bharat-electronictender.com>). The Bidder should regularly check for any Amendment(s)/Corrigendum(s)/Clarification(s) on the above mentioned (<https://www.bharat-electronictender.com>) website. The same may also be uploaded on the NVVN's website. However, in case of any discrepancy, the information available on <https://www.bharat-electronictender.com>) website shall prevail.
- 2.6 NVVN shall conduct e-Reverse Auction (e-RA) as per provisions of RfS documents.
- 2.7 NVVN reserves the right to cancel/ withdraw/ defer this invitation for bids without assigning any reason and shall bear no liability whatsoever consequent upon such a decision.
- 2.8 **Interpretations**
 - a. Words comprising the singular shall include the plural & vice versa.
 - b. An applicable law shall be construed as reference to such applicable law including its amendments or re-enactments from time to time.

- c. A time of day shall save as otherwise provided in any agreement or document be construed as a reference to Indian Standard Time.
- d. Different parts of this contract are to be taken as mutually explanatory and supplementary to each other and if there is any differentiation between or among the parts of this contract, they shall be interpreted in a harmonious manner so as to give effect to each part.
- e. The table of contents and any headings or subheadings in the contract has been inserted for case of reference only & shall not affect the interpretation of this document.

SECTION 2. SPECIAL CONDITIONS OF CONTRACT

3 **Scope of Work**

- 3.1 Under this RfS, the BESSD shall be required to set up a Battery Energy Storage System (BESS), with the primary objective of making the energy storage facility available to the Buying Entity i.e., CSPDCL for charging/discharging of the BESS, on an “on demand” basis. Detailed criteria for performance are elaborated in Clause 8 of the RfS.
- 3.2 Setting up of the BESS and interconnection of the BESS with the STU network will be under the scope of the BESSD. The construction of Bay is in the scope of **Chhattisgarh State Power Transmission Company Limited (CSPTCL)**. Entire Operation & maintenance of BESS including safety of the equipment / personnel will be under the scope of the BESSD. This RfS is technology agnostic on the nature of battery storage system being opted by the BESSD, as long as it meets the definition of BESS under this RfS and the required performance criteria under the RfS and BESPA.
- 3.3 The BESS shall be charged by drawing power from CSPDCL and inject power to CSPDCL network in accordance with the dispatch instructions issued by SLDC/ Power Management Cell in consultation with CSPDCL. CSPDCL will provide required power for charging BESS. Scheduling of charging and discharging of BESS shall be under the scope of CSPDCL.

4 **Total capacity offered and Project sizing.**

- 4.1 Selection of BESS Projects for a total capacity of 125 MW/ 500 MWh will be carried out through e-bidding followed by e-Reverse Auction process. The minimum bid size shall be 500 MWh i.e. 125 MW x 4 hours and the detail of the project is furnished in Annexure-E. The project size shall be quoted as 125 MW X 4 hrs (500MWh).

For project size of 125 MW/ 500 MWh, approximately 10-acre of land will be allotted to the BESSD.

Selection of Project Developers will be carried out based on the Tariff (Storage Charge) offered by the Bidders. In this context, the term “Project” used anywhere in the RfS, and BESPA, will solely mean the BESS, set up by the BESSD to make available the Contracted Capacity as agreed to in the BESPA.

- 4.2 For the specified Contracted Capacity, any over sizing of the BESS over the minimum rated Energy capacities required under this RfS is left to the discretion of the BESSD. However, it is to be noted that, at the time of commissioning, rated capacity of the BESS (Power and Energy) to be installed as indicated in the BESPA, will be verified

4.3 **Project Configuration:**

The Projects shall be set up in the vicinity of the Khedamara Substation, as below:

S. No.	Name of the Substation	Location	Connectivity voltage	Proposed BESS capacity in MW/ MWh
--------	------------------------	----------	----------------------	-----------------------------------

1.	Khedamara Substation	Durg	220 kV	125/ 500
----	----------------------	------	--------	----------

5 **Maximum Contracted Capacity Allocation for a Bidder**

Following conditions shall be applicable to the Bidders for submission of bids against this RfS:

- 5.1 The total capacity of 125 MW/ 500 MWh, shall be set up, as shown in Annexure – E. A Bidder, including its Parent, Affiliate or Ultimate Parent or any Group Company shall submit a single bid offering a Project Capacity of complete 125 MW / 500 MWh in the prescribed formats. The Project Capacity to be quoted shall be in the form of “x” MW/”4x” MWh, i.e. the BESS system shall be rated for 4 hours’ charging and 4 hours discharging in 1 cycle.

Note: In case a common Company/Companies directly or indirectly hold(s) more than 10% but less than 26% shareholding in more than one Bidder participating in the RfS, each of such Bidders will be required to submit the Disclosure as per Format 7.8A. In all other cases, Format 7.8 will be applicable.

- 5.2 The cumulative Project Capacity to be allocated to a Bidder including its Parent, Affiliate or Ultimate Parent or any Group Company shall be limited to 125 MW/ 500 MWh.
- 5.3 The evaluation of bids shall be carried out as described in Section-4 of RfS. The methodology for Allocation of Projects is elaborated in Section-4 of RfS.
- 5.4 Subject to the exception as per Clause 5.1 above, multiple bids from same company including its Parent/ Ultimate Parent/Affiliates/Group Companies shall make all the bids submitted by the group invalid

6 **Project Location**

- 6.1 The total Project capacity of 125 MW /500 MWh shall be located in the vicinity of 220 kV Substation at Khedamara, Durg, Chhattisgarh of the STU network as per information mentioned in Annexure-E, in the state of Chhattisgarh. Land allocation for the Projects will be under the scope of CSPDCL owning the identified substation. Land will be provided on right-to use basis to the BESSD at annual lease charge of Rs 1 per project per year through suitable agreement with CSPDCL. Project land details are enclosed herewith at Annexure-E. The bidders as discovered after the e-Reverse auction, will be provided land area as mentioned in table below.

Sl	Project	Name of Substation	Proposed BESS Capacity in MWh	Bay Availability	Interconnecting Voltage (kV)	Space Availability (in Acres)

1	125 MW	Khedamara , Durg, Chhattisgarh	500	Bay shall be constructed by Chhattisgarh State Power Transmission Company Limited (CSPTCL)	220	10
---	--------	--------------------------------	-----	---	-----	----

6.2 The land area will be given to the BESSD by CSPDCL for Right of Use (ROU) within 60 days from the signing of the BESPAs as per provisions of RfS. In case of any delay in signing of ROU agreement of land to the BESSD, the Financial Closure and Commissioning milestones will be suitably extended.

6.3

- a) The layout and single line diagram of Khedamara .. sub- station is enclosed as part of Annexure–E, clearly showing the BESS area. Land clearing for project installation shall be in the scope of the BESSD.
- b) The area identified for BESS is also identified as per enclosed layout. For approach to BESS, it is required to construct the approach road separately by the BESSD for accessing the Project, without hindering the O&M activities of the sub-station.
- c) As Battery Energy Storage System is prone to fire hazard, the BESSD shall provide suitable means such as fire barrier between switchyard and BESS to avoid fire to spread from BESS to Yard equipment.
- d) The bidders are encouraged to visit the proposed project location prior to submission of bids. Any further requests regarding construction of bay or site shall not be entertained after bid submission.
- e) Contact details of concerned officers from CSPDCL for the site visit are as follows:

S. No	Substation Name	Contact Details
1.	Khedamara, Durg, Chhattisgarh	Mr. Vivek Awasthy, CSPDCL Mob No: 9202223732

6.4 After the expiry/termination of the BESPAs, the entire land area allocated to the BESSD shall be returned to CSPDCL in the same condition or in mutually agreed condition as it was allocated. The duration of the land Right to Use agreement shall be co-extensive and co-terminus with the duration of the BESPAs. If the BESSD does not vacate the allocated land area and/or does not uninstall the entire Project equipment from the designated land area upon expiry/termination of the BESPAs within 180 days of expiry/termination of BESPAs, CSPDCL shall charge the applicable market price/circle rate for the respective land parcels, as fixed by the concerned Revenue Authorities of the Government, as part of penalty on the BESSD till they hand over the land in same

condition as it was allocated.

7 Connectivity with the Grid

- 7.1 Projects should be designed for interconnection with the State Transmission Network (STU) network in accordance with the prevailing CERC/CSERC regulations, Grid Connectivity and Intra-state Open Access Regulations and amendments thereto, in this regard. For interconnection with the grid and metering, the BESSD shall abide by all rules and regulations framed under the Electricity Act, 2003 including the applicable Grid Code, Grid Connectivity Standards, Regulations on Communication System for transmission of electricity and other Regulations/Procedures (as amended from time to time) issued by Appropriate Commissions and Central Electricity Authority (CEA). Under this RfS, the voltage for interconnection at the STU shall be 220 kV. BESSD shall also comply with the applicable requirements mentioned in the First Time Charging (FTC) regulations/rules issued by the Central/State Government, as amended from time to time. The term Grid network/substation wherever indicated in the RfS/BESPA shall refer to the "STU network", wherever applicable.
- 7.2 The project shall be interconnected to the CSPDCL sub-station as per Annexure–E in Chhattisgarh. Necessary applications for grant of connectivity will be required to be made by the BESSD. All the requisite costs associated with obtaining connectivity shall be borne by the BESSD.
- 7.3 The responsibility of getting connectivity with the transmission system of the STU shall entirely be of the BESSD and shall be at the cost of the BESSD, in line with applicable regulations. The transmission of power up to the point of interconnection, where metering is done for energy accounting, shall be the responsibility of the BESSD at its own cost. The maintenance of Transmission system up to the interconnection point on the BESS side shall be responsibility of the BESSD, to be undertaken entirely at its risk and cost.
- 7.4 The entire cost of construction of infrastructure from the Project upto and including at the Interconnection Point, including but not limited to the transmission line, maintenance & all cost up to the delivery point shall be borne by the BESSD. The maintenance of the Transmission system up to the interconnection point shall be the responsibility of the BESSD, to be undertaken entirely at its cost and expense. The SLDC/Scheduling charges, connectivity and other charges shall be payable by BESSD.
- 7.5 The BESSD shall be required to follow the Detailed Procedure as issued by CERC/CTU/ STU /SERC as applicable, regarding connectivity of the Project. The Project shall comply with all the technical requirements specified under CEA/CEIG, including subsequent amendments and clarifications issued thereto, as well as other Rules/Regulations issued by SERC/CERC/CEA/CEIG and as amended from time to time. It is further clarified that the Entities (BESSD and Buying Entity) as indicated in the procedure issued under the above Rules/Regulations, will be responsible for their respective obligation as notified in the procedure, irrespective of the provisions of the RfS, and BESPA. The Project shall also comply with the SERC/CEIG/CEA (Measures relating to Safety and Electric Supply) Regulations, including subsequent amendments and clarifications issued thereto.

Important Notes:

- (i) Bidders must make note of the information pertaining to the land allocated for the project.
- (ii) Tentative coordinates of the Interconnection point shall be provided.

All associated equipments and protection system of BESS shall be compatible with the existing Substation system. Provision for communicating both real time data and metering data to SLDC and control room of Khedamara Substation shall be ensured and are under the scope of BESSD.

- 7.6 Metering arrangement of the Project shall have to be adhered to in line with relevant clause of the BESP. All relevant parameters of energy injected and drawn by the project shall be measured and continuously recorded by means of a main meter, check meter and standby meter as specified by CSPDCL. Power Quality Meter shall also be provided as per extant regulations.
- 7.7 The BESSD shall comply with CSERC/ CERC regulations on Forecasting, Scheduling and Deviation Settlement, as applicable from time to time. The scheduling of power to/from the Project as per the applicable regulation shall be provided by the CSPDCL. However, any DSM penalties due to violation of the schedule of charging or discharging of the BESS due to reasons attributable to BESS shall be to the account of the BESSD. DSM penalties, if any, shall be levied separately on the respective entities as applicable, at their respective ends for the charging and discharging activities. Any consequential liability on CSPDCL in respect of charging/ discharging power purchase/ sale due to Deviation (DSM) at BESS end shall be to the account of BESSD. Bidder must ensure necessary metering arrangement like SCADA-AMR.
- 7.8 In order to remove potential discrepancies and ambiguities, the BESSDs are hereby instructed that, as part of scheduling of power to/from the Project, they will be required to punch-in their respective schedules and subsequent revisions, by themselves, at the interfaces of the SLDC concerned for the corridor of power flow, including the Transmission Utility, as per the provisions in this RfS, regulations in force, under intimation to SLDC. CSPDCL may facilitate in identification of any discrepancy and assist the BESSD for its early rectification without any liability on CSPDCL. The BESSD shall be solely responsible for discrepancy identification and its rectification to avoid any rejection/loss payment of invoices.
- 7.9 DSM penalties, if any, shall be levied separately on the BESSD as applicable, at their BESSD ends for the charging and discharging activities as per CERC/ CSERC regulations.
- 7.10 Reactive power charges shall be on account of the BESSD as applicable, at the BESSD end during charging and discharging, as per CERC/CSERC regulations. It is to be ensured that Harmonics has to be maintained within the prescribed limit as per the Regulations/Procedures (as amended from time to time) issued by Appropriate Commissions and Central Electricity Authority (CEA).
- 7.11 The BESSD shall be required to follow the applicable Procedure for Grant of

connectivity as issued by CSERC as well as other Regulations issued by CSERC/CEA as amended from time to time. The BESSDs will be required to apply for connectivity at the identified substations within 30 days of signing of BESPA and shall furnish copies of the application as well as granted connectivity, to CE (REES&PED) at the earliest. In case the BESSD fails to obtain the connectivity at a Substation identified, the same shall be immediately notified by the BESSD to CE (REES&PED). At least 30 days prior to the proposed commissioning date, the BESSD shall be required to submit the Connectivity Agreement signed with the STU/ CSPDCL to CE (REES&PED).

- 7.12 The responsibility of complying with Central Electricity Regulatory Commission (Connectivity and General Network Access to the Inter-State Transmission System) Regulations, 2022 as indicated in the Detailed Procedure issued subsequently under the above Regulation vests with the BESSD. It is further clarified that the Entities (BESSD and Buying Entity), will be responsible for their respective obligations as notified in the applicable Regulations irrespective of the provisions of the RfS and BESPA.

Prior approval of design of Earth mat being laid by the BESSD shall be obtained from CSPTCL. The scheme of Protection shall also be similarly got approved and the status of Interconnecting Circuit Breaker, Isolators shall be made available for integrating to the SCADA of the Sub-Station. The Current, Voltage and Power parameters at BESS Bay shall be provided available for integrating to the SCADA of the Sub-Station.

The BESSD is required to place all the Control & Relay panels and RTU required for Data Transfer at separate control room at BESS premises. Independent RTU shall be provided by the developer and the SCADA Screen of BESS shall be shared to Substation Control room and SLDC in developers scope. The transfer of data to SLDC and to KhedamaraSubstation Control room shall be in entire scope of the BESSD including internet connectivity. Cyber Security measures shall be complied with by the BESSD. All provisions of Make in India (MII) orders and orders related to Cyber Security issued by the government must be complied with, in all the activities involved in the project(s) from start to completion.

The specifications of the Interconnecting Transformer shall be pre-approved by CSPTCL. The timeline for approval shall be thirty days from submission of application in this regard.

8 Performance Criteria of the Project

8.1 Project performance parameters

- a. The Contracted Capacity of the Project shall be in terms of “MW”, which shall also be referred to as the Project Capacity. CSPDCL’s obligation shall be for off-take of entire Contracted Capacity and energy at Delivery point.
- b. For example, for the Project Capacity of 125 MW/ 500 MWh, Contracted Capacity shall be 500 MWh. The BESPA shall entitle CSPDCL to schedule discharge upto 500 MWh of energy from the BESS in single cycle, subject to the following:
 - i. CSPDCL will schedule charging of the BESS with equal amount of energy plus

energy expected to be lost as conversion losses (determined from the guaranteed Round-Trip Efficiency (RtE) of the system).

Illustration: For a Contracted Capacity of 125 MW/500 MWh, assuming an RtE of 85%, CSPDCL shall schedule and supply charging power to the tune of 588.24 MWh, to expect a discharge of 500 MWh as per the desired schedule.

- ii. Energy scheduled for discharge in a given cycle during a year shall be more than or equal to the Min. Dispatchable Energy Capacity at the End of Year as specified under Article 4.4.2.(c) of BESPA and as per Clause 8.1.e.iv. below.

For example, during the end of the 3rd Year after COD, the energy scheduled for discharge from 125 MW/ 500 MWh capacity shall be more than or equal to $125 \times 0.925 \times 4 = 462.5$ MWh.

- iii. Contracted capacity shall be the project capacity at delivery point. CSPDCL shall provide the charging energy factoring the RtE, as per specified RtE in RfS. The total Project Capacity shall be for supply to and offtake by CSPDCL and there will be no merchant capacity. The BESS shall adhere to the specifications and performance requirements laid out in Annexure-A of the RfS in this regard.

- c. Power rating of the project capacity of 500 MWh (125 MW x 4 hrs) BESS will be 125 MW, i.e., the maximum value of the active output at the Delivery Point. Input energy shall be provided by CSPDCL at delivery point for contract capacity as illustrated in 8.1 (b). The Energy rating of 500 MWh of the system will be the dispatchable capacity at COD of the system, as measured at the Metering Point. Terms and definitions of terminologies related to BESS shall be as defined in IEC 62933-2-1.
- d. The BESSD shall make the BESS available for **Single operational cycles per day**, i.e. One complete charge-discharge cycle per day.

Provided that CSPDCL, at its discretion, can split the discharge of the stored energy one or two sessions, but not more than two. However, Buying Entity, at its sole discretion, can schedule the discharging of the BESS in one or two sessions each day, at rated power or stretching up to 8 hours when discharged below rated power.

Illustration: (At rated Power)

SI No:	Session-1	Session-2
1	4 hours	--
2	3 hours	1 hours
3	2 hours	2 hours
4	1 hours	3 hours

Similarly, the charging cycle may, if required, shall be performed in a single session or in two sessions, at rated power or, stretching upto 10 Hours when charged at below rated power, at sole discretion of Buying Entity.

- e. Following provisions shall be applicable on the entire Project Capacity guaranteed to be off taken by CSPDCL:
 - i. The procurement shall be in power (MW) terms. The BESSD shall install, operate and maintain the BESS to offer facility to CSPDCL to charge and discharge the

BESS on an “on demand” basis. The BESSD shall guarantee a **minimum system availability of 95% on monthly basis**. The BESSD shall pay the liquidated damages for shortfall, if any, to CSPDCL. Amount of such liquidated damages shall be twice the **Storage Tariff** for the capacity not made available.

The BESSD shall declare availability on Day Ahead Basis. The BESSD should provide the DC (Declared Capacity) for each time block for the day before 09:00 hours the previous day. The tentative instructions for scheduling of charging and discharging will be issued by SLDC by 15:00 hours on the previous day.

Schedule revisions will be issued by SLDC upto two clear 15-minute time blocks prior to the schedule period. However, as per Grid requirements, the SLDC shall request real-time schedule revisions, which shall be implemented real time and no later than the end of next time block.

Revisions to the Declared Capacity (DC) by the BESSD shall be submitted at least six clear 15-minute time block in advance. Frequent revision to DC, especially during evening peak hours, shall not be entertained and no more than two such revisions shall be permitted from 18:00 to 22:00 hours in a month. The discharge schedule from SLDC shall not be altered in such cases and will be treated as shortfall in discharge commitment.

- ii. “Availability” of the Project shall mean the ability of the BESS to execute a function i.e. charging or discharging, when called upon to do so, as per the schedule or signal provided by the off-taker, subject to the minimum system ratings specified herein. In addition, the BESSD shall also demonstrate, **on annual basis, 100% of the minimum dispatchable capacity of the BESS** as required under Clause 8.1.e.iv below.

For a given BESP, the monthly availability guarantee shall commence from the date of fully commissioning of the system and shall be calculated as below:

Monthly System Availability = Mean of the System availabilities of all time-blocks during the month in which the CSPDCL has scheduled power for charging/ discharging the BESS.

Where,

System Availability in a time-block=

$$\frac{\text{Actual Injection/ Drawl } MUI(A)}{\text{Scheduled Injection/Drawl } MUI(B)}$$

where

- a) i refers to the i^{th} time-block in the Month where Scheduled Injection/ Drawl $MUI \neq 0$.
- b) Actual Injection/ Drawl MUI is the Actual Scheduled for Charging/ Discharging in the i^{th} time-block, in MUs
- c) Scheduled Injection/ Drawl MUI is the Energy Scheduled for Charging in the i^{th} time-block, in MUs
- d) A and B shall be as per the DSM/UI Reports published by the SLDC or measurement at the Main ABT Meter at the Point of Interconnection.

System Monthly availability shall be calculated as per above, and System Annual Availability shall be calculated as illustrated in 8.1 (e).1. The liquidated damages for **system availability below 95%** shall be settled on monthly basis and if it is not able to settle in the same/ current month, it will be carried forward for settlement in subsequent month(s).

- iii. The BESSD shall guarantee a **minimum AC to AC roundtrip efficiency (RtE) of 85%** for the system on monthly basis. The BESSD shall be liable for Liquidated Damages to the off-taker, if any, on account of excess conversion losses, based on the following conditions:

- (a) For RtE <70%, there shall be a liquidated damage @ 1.5 times of Average Power Purchase Cost (APPC) tariff of previous financial year applicable to the Buying Entity, levied upon the excess conversion losses, considering system RtE = 85% and tariff payment for the corresponding month shall not be made to the BESSD;
- (b) For $70\% \leq \text{RtE} < 85\%$, there shall be a liquidated damage levied 1.5 times of @ APPC tariff of previous financial year applicable to the Buying Entity, levied upon excess conversion losses considering system RtE = 85%.
- (c) For RtE is less than 70% for six months in a year will be considered as material breach/ default of the BESSD.

(For example – please refer to Annexure-D (point-c)).

System Roundtrip Efficiency =

$$= \frac{\text{Sum Total of Actual Injection/Discharging MUsj in a month (C)}}{\text{Sum Total of Actual Drawal/Charging MUsj in a month (D)}}$$

Where,

j refers to the jth month in a year;

D ≠ 0;

$D \leq 2 \times \text{Ebess} \times (\text{MDn-1} - (\text{MDn-1} - \text{MDn}) \times j/12) \times \text{No of Days}$

in the jth month/ RtEg;

Ebess refers to Energy Rating specified in Clause 8.1.b. above;

MDn-1 refers to minimum guaranteed dispatchable energy at the end of the previous year (as a % of Capacity at the COD specified in Clause 8.1.e.iv. below);

MDn refers to minimum guaranteed dispatchable energy at the end of the current year;

RtEg refers to the guaranteed Round-Trip Efficiency under the BESPAs;

C and D shall be as per the DSM/UI Reports/ State Energy Account published by the Regional RPCs/SLDCs or measurement at the Main ABT Meter at the Point of Interconnection.

For calculation of LD, R_{tE} shall be calculated based on the above formula rounded off to three decimal places.

Note:

- The Scheduled capacity shall be subject to the System Power Rating specified in Clause 8.1.a. above and 8.1.b above.
- The BESSD shall take separate, metered connection for the Auxiliary Power load of BESS
or

The BESSD can draw auxiliary power from Interconnection point. Separate meter shall be provided by Developer to measure Auxiliary consumption and that would be billed by Discom @ Industrial Tariff excluding demand charges, subject to approval of Hon'ble CSERC.

- iv. Taking into consideration capacity degradation, the minimum dispatchable capacity to be made available by the BESSD at the end of a given year shall be as follows:

Table 01		
Contract Year	Min. Dispatchable Capacity at the end of Year (as a % of Capacity at the Beginning of Life/Final COD) (A)	Min. Dispatchable Capacity in corresponding Contract Year (in MWh) (B)
1	97.5%	500.00
2	95.0%	487.50
3	92.5%	475.00
4	90.0%	462.50
5	90.0%	450.00
6	90.0%	450.00
7	90.0%	450.00
8	90.0%	450.00
9	90.0%	450.00
10	90.0%	450.00
11	90.0%	450.00
12	90.0%	450.00
13	90.0%	450.00
14	90.0%	450.00

15	90.0%	450.00
----	-------	--------

- v. The nameplate ratings shall be achievable during discharge for the full range of environmental conditions at the project site when the battery is fully charged. In any case, the BESS shall be capable of being discharged at reduced power levels from that specified above. However, the energy discharged from the battery shall not require to be greater than the nameplate watt-hour rating specified herein. For example, during the end of the 3rd Year after COD, the energy scheduled for discharge from 125 MW capacity shall be more than or equal to $125 \times 0.925 \times 4 = 462.5$ MWh.
- vi. Monthly Tariff payment payable by Buying Entity to BESSD shall be as per the formula below
Monthly Tariff Payment (Rs) = $A \times B \times 1000 \times n$
where,
A is Storage Tariff Rs/kWh as discovered through bidding process;
B is **Min. Dispatchable Capacity in corresponding Contract Year** (in MWh) as per Column (B) of Table 01 above.
n is the maximum of number of days in that particular month for which monthly storage payment is calculated
- vii. SLDC in consultation with CSPDCL shall, in accordance with Applicable Laws and Regulations thereunder, issue instructions to the BESSD on behalf of CSPDCL for dispatch of electricity to the Grid during such period and in such volume as it may specify in its instructions. The BESSD shall clearly specify the maximum recovery times required to restore the BESS for functional availability between duty cycles. The maximum allowed cooling time between Charge to Discharge or Discharge to charge would be 1 hr. There shall be no cooling or recovery time between two same sessions during charging or discharging operation.
- viii. Operational Window: Operational Window shall mean the expected hours/duration of system (capacity) availability on each day during the term of the Contract, excluding:
- Maximum BESS recovery time as specified in this document
 - Grid Outages (duly certified to this effect by the Grid Operator)
 - Planned Maintenance Outage duly informed by the BESSD to the off-taker with at least one month's prior notice, subject to total no. of planned outage period being not more than 34 hours in a two-month period.
 - The Scheduled maintenance must be carried out, subject to prior approval from CSPDCL.
- BESSD will have to comply with the Charging and Discharging Schedule as intimated by SLDC.
- ix. In addition to above, the BESSD shall also submit Available Energy Test Report for the Project Capacity as per IEC 62933-2-1 on Annual basis.
- x. It shall be the responsibility of the BESSD to make periodic replacements/replenishments of system capacities at its own cost to ensure

annual guaranteed system ratings, if and when required, up to the Term of the Contract. Outage time as a result of replacement will also be counted as an “Accountable BESS Outage” for the purpose of computing BESS Availability.

- f. Pursuant to the provisions as above, the BESSD shall plan the dispatch of electricity and convey its availability for scheduling thereof by the SLDC and shall supply electricity in accordance with the provisions of the Grid Code and the Electricity Act, 2003. The BESSD shall adhere to all the technical requirements as brought out in Annexure-A of the RfS. The BESS shall conform to all the applicable standards of CEA/CEIG and regulations of CERC/CSERC/ CEA for connectivity, metering, communication with the grid operators, etc.

8.2 **Shortfall in meeting Performance Criteria**

Following provisions shall be applicable on the Contracted Capacity guaranteed to be offtaken by CSPDCL:

- i. Shortfall in demonstrating minimum Availability: Subsequent to COD of full Project capacity or capacity accepted by CSPDCL, in case the annual Availability during Charging Cycles demonstrated by the BESSD is less than the minimum as specified above, such shortfall in performance shall make the BESSD liable to pay the liquidated damages to CSPDCL.

Liquidated damages on account of shortfall in meeting the minimum Availability criteria as per Clause 8.1.e.i., will be computed as follows:

Liquidated damages in Rs. = (C – D) x B x 1000 x A x n x 2.0 where

where,

C is Guaranteed Monthly Availability (in %) as per Clause 8.1.f.i. above;

D is Actual Monthly System Availability (in %) , as calculated as per Clause 8.1.f.ii. above;

A is Storage Charges Rs/kWh as discovered through bidding process;

B is **Min. Dispatchable Capacity in corresponding Contract Year** (in MWh) as per Column (B) of Table 01 above.

n is the number of days in that particular month for which monthly storage payment is calculated

In case of the BESS failing to meet minimum 50% of the stipulated availability applicable for a particular Contract Year as per Clause 8.1.f.4 above, for a cumulative period of 2 years or more during the Term of the BESPA, the shortfall shall be considered as BESSD Event of Default under the BESPA, and failure to rectify this Event will result in termination of the BESPA.

- ii. Shortfall in demonstrating minimum Round-trip-Efficiency: In case the BESSD fails to meet the monthly RtE demonstration as per Clause 8.1.f.iii above, Liquidated Damages for the shortfall in required minimum RtE shall be applicable for the month.

It is clarified that the calculation of Availability as per Clause 8.1.f.ii of the RfS will not include the planned outage as declared by the BESSD under Clause 8.1.f.vii of the RfS. However, in case the BESSD notifies any outage outside the planned outage hours, while CSPDCL may not actually schedule any power injection/drawl during those outage hours, such hours will be covered in calculating the Monthly

Availability as per Clause 8.1.f.ii.

For example, in case the BESSD notifies outage for 10 hours outside the total allocated quota of planned outage amounting to (34 x 6) hours, i.e. 204 hours, the denominator of the formula in Clause 8.1.f.ii above will include the time-blocks corresponding to these 10 hours, and exclude the 204 hours of planned outage.

However, this damage shall not be leviable to the extent the availability of system is affected due to Force Majeure event as specified under the agreement. An illustration to this effect is enclosed at Annexure-D.

9 Commissioning of Projects

The Commissioning of the Project shall be carried out by the BESSD in line with the procedure as per the BESP.A.

The BESSD shall commission the Project in line with provisions of the SERC/CERC (Indian Electricity Grid Code) Regulations, 2023, as amended from time to time. In line with this regulation, the BESSD proposing the Project, or its part, for commissioning, shall give to CSPDCL, a preliminary notice not later than 60 days prior and advance notice not later than 30 days prior to the proposed commissioning date. CSPDCL may authorize any individual or committee or organization to witness and validate the commissioning procedure on site. Commissioning certificates shall be issued by CSPDCL after successful commissioning. The BESSD shall obtain necessary safety clearances from the Central Electricity Authority/CEIG/ State Electrical Inspectorate prior to the commissioning of the Project.

9.1 Part Commissioning

Part commissioning of the Project, without prejudice to the imposition of any liquidated damages in terms of the BESP.A on the part which is not commissioned, shall be accepted by CSPDCL subject to the condition that the minimum part commissioning capacity for the 1st part will be 50% of Project Capacity or 50 MW whichever is lower. The total number of instalments in which a Project can be commissioned will not be more than 3, i.e., 1st initial instalment of 50 MW or 50% of the project capacity, whichever is lower and 2 subsequent instalments.

However, the SCD will not get altered due to part commissioning. Irrespective of dates of part commissioning or full commissioning, the BESP.A will remain in force for a period as per Clause 22.5 of the RfS.

9.2 Commissioning Schedule and Liquidated Damages not amounting to Penalty for Delay in Commissioning

- a. The Scheduled Commissioning Date (SCD) for commissioning of the full capacity of the Project shall be the date as on 18 months from the Effective Date of BESP.A (for e.g. if Effective Date of the BESP.A is 05.12.2025, then SCD shall be 04.06.2027).
- b. The maximum time period allowed for commissioning of the full Project Capacity with applicable liquidated damages, shall be limited to the date as on 6 months from the SCD or the extended SCD (if applicable).

- c. In case of delay in commissioning of the Project beyond the SCD until the date as per Clause 9.2.b. above, as part of liquidated damages, the total PBG amount for the Project shall be encashed on per-day-basis and proportionate to the balance capacity not commissioned. For example, in case of a Project Capacity of 125 MW capacity, if commissioning of 100 MW capacity is delayed by 18 days beyond the SCD, then the liquidated damages shall be calculated as: $PBG \text{ amount} \times (100/125) \times (18/180)$. For the purpose of calculations of liquidated damages, 'month' shall be considered consisting of 30 days.
- d. As an alternative to the above encashment of PBG, the BESSD may choose to make a payment of the amount corresponding to the liquidated damages, directly to the CSPDCL. The BESSD shall intimate to CSPDCL, its chosen alternative out of the two options, within 10 business days of intimation of the liquidated damages to the BESSD, as calculated by the CSPDCL. In case no response is received from the BESSD until the lapse of the above deadline, CSPDCL may encash the PBG for the amount as per the liquidated damages. In case the Developer chooses to make necessary payments in lieu of the liquidated damages, the said payment shall be credited to the CSPDCL's account through NEFT payment, no later than 5 business days from the above intimation by the BESSD. In case of non-payment by the developer within the above deadline, the PBG will be encashed by the CSPDCL on the next business day.
- e. In case Commissioning of the Project is delayed beyond the date as per Clause 9.2.b above, the BESPA capacity shall stand reduced/amended to the Project Capacity commissioned until the deadline as per Clause 9.2.b. above, the entire PBG will be encashed by the CSPDCL, and the BESPA for the Project shall stand terminated for the balance un-commissioned capacity.
- f. It is clarified that for the purpose of commissioning, the Project Capacity shall refer to the rated capacity of the Energy Storage System as declared by the BESSD in the BESPA. Any reduction in the Project Capacity on account of Clause 9.2.e above, will have no bearing on the obligation of the BESSD to provide the Contracted Capacity as per the BESPA.

10 Delay in Commissioning on Account of Delay in readiness of STU evacuation infrastructure/ Start Date of Connectivity

Subsequent to grant of connectivity, in case there is a delay in readiness of the STU substation at the Delivery Point, including readiness of the power evacuation and transmission infrastructure of the STU network until SCD of the Project, or delay in Start Date of Connectivity, and it is established that::

- i. The BESSD has complied with the complete application formalities as per Clause 7 above,
- ii. The BESSD has adhered to the applicable Regulations/Procedures in this regard as notified by the CSERC/STU, and
- iii. The delay in grant of connectivity by the STU and/or delay in readiness of the substation at the Delivery Point, including readiness of the power evacuation and transmission infrastructure of the STU network, is a factor attributable to the STU/transmission licensee and is beyond the control of the BESSD;

The above shall be treated as delays beyond the control of the BESSD and SCD for such Projects shall be revised as the date as on 30 days subsequent to the readiness of the Delivery Point and power evacuation infrastructure and/or Start Date of Connectivity. **The decision on requisite extension on account of the above factor shall be taken by the CSPDCL.**

In case of delay in commissioning of Project due to reasons beyond the reasonable control of the BESSD, CSPDCL may extend the SCD after examining the issue on a case- to-case basis.

In case of delay in Project commissioning on account of reasons solely attributable to the BESSD, resulting in any liquidated damages/penalty levied on the CSPDCL, under the SERC / CERC / GNA Regulations, such damages/penalty shall be passed on to and payable by the BESSD.

11 Early Commissioning

The BESSD shall be permitted for full commissioning as well as part-commissioning of the Project even prior to the SCD. Early commissioning of the Project will be allowed solely at the risk and cost of the BESSD, and CSPDCL shall schedule the capacity from such early commissioned Project at the BESPA charges (for the Contracted Capacity), only in case CSPDCL agrees to purchase the capacity at an earlier date, and at the BESPA tariff.

In case CSPDCL does not agree to early purchase the capacity, early part/full commissioning of the Project shall still be allowed and the BESSD will be free to utilize such capacity in the market or for sale of capacity to a third party until SCD or the date of commencement of procurement of BESS capacity as notified by CSPDCL, whichever is earlier. However, early part/full commissioning of the Project and subsequent capacity procurement from the same shall be subject to the approval of CSPDCL. Such intimation regarding consent to procure BESS capacity from early commissioning shall be provided by CSPDCL within 15 days of receipt of the request being made by the BESSD, beyond which it would be considered as deemed refusal. In case of BESSD sales storage capacity to third parties, CSPDCL shall not be responsible for providing charging power.

If the BESS capacity is not off taken by CSPDCL upon early commissioning, BESSD shall arrange for any augmentation of the Battery capacity to meet the capacity criteria mentioned at the time of SCD (i.e. dispatchable capacity on SCD date shall be 100% of the contracted capacity) and to maintain the capacity at the end of every year as indicated in Clause 8.1(e). 4. of the RfS. Subject to the provisions of the BESPA, in case of early commissioning, if BESSD sells any capacity to a third party, the BESSD will have to again demonstrate 100% of Contracted Capacity (as per the Commissioning Procedure) to CSPDCL from SCD.

12 Viability Gap Funding Mechanism

- 12.1 In line with the sanction order issued by the Ministry of Power dated 09.06.2025 and subsequent amendments and clarifications issued by Ministry of Power, Government of India, Projects selected under this RfS will be eligible for grant of Viability Gap Funding (VGF) supported through Power System Development Fund (PSDF) by the Government

RfS for Procurement of 125 MW/500 MWh BESS in Chhattisgarh with VGF under Tariff- based Global Competitive Bidding	RfS No. NVVN/C&M/BESS-05/2025-26 Dated 01.12.2025	Page 25 of 136
--	--	----------------

for development of Battery Energy Storage Systems, and the same will be disbursed through the CSPDCL.

12.2 Under this RfS, the VGF amount eligible for each Developer shall be limited to the amount calculated as **Rs. 18,00,000/MWh (Rupees Eighteen Lakhs per MWh)**. For example, for a Project Capacity of 125 MW/500 MWh, the VGF amount to be sanctioned for the corresponding Project will be Rs. 90 Crores. BESS Developer shall submit certificate for the capital cost incurred for the Project awarded capacity, duly certified by the Statutory Auditors, within six months from the COD.

12.3 VGF will be sanctioned separately for each Project, based on the Project Capacity as defined in the respective BESPA.

12.4 For each Project, disbursement of VGF will be carried out in 3 tranches, as follows:

Milestone for Disbursement of VGF	% of total VGF disbursed
On Financial Closure as per the BESPA, subject to submission of Bank Guarantee to CSPDCL	20
On Commercial Operation Date (COD) of the Project	50
Completion of 1 st year from COD	30
Total	100

12.5 The VGF for each project shall be disbursed to the BESSD, once CSPDCL/ CEA certifies the achievement of the disbursement schedule milestone and submission of the required Bank Guarantee by BESSD. CSPDCL shall disburse the tranche wise VGF to BESSD only after receipt of the same from the Govt. of India and Submission of BG by BESSD as per Clause 12.6.

12.6 Bank Guarantee/ Insurance Surety Bond: Each tranche of VGF will be disbursed only after submission of Bank Guarantees (BG)/ Insurance Surety Bond (ISB) for the amount equal to the VGF amount to be disbursed to the BESSD in that tranche. These BGs/ ISBs are in addition to the Performance Bank Guarantee provided by the developer as per clause 19 of this RfS. The BGs/ ISBs for the VGF sanctioned up to COD will be retained by the CSPDCL for a period of 1 year starting from the COD and will be returned after the end of 1 year from COD, taking into account recovery of VGF, if any. No BG/ ISB is required against the disbursement of the last tranche of VGF post completion of one year of operation.

12.7 If the BESSD fails to commission the project in the timeline provided in this BESPA, and project got terminated after disbursement of the quantum of VGF, CSPDCL will have full right to recover the total amount of VGF being disbursed till the date of termination of BESPA plus interest @ SBI-MCLR (1 Year) plus five percent, as existing on the date of disbursement, accrued from the date of disbursement on the disbursed amount. In case Project capacity is being reduced as per Clause 9.2 of the RfS, recovery of VGF amount shall be made on pro-rata basis corresponding to the capacity being terminated.

- 12.8 CSPDCL will have the right to recover the VGF disbursed amount through encashment of BG, if the BESPA gets terminated within the first 1 year after COD of the Project, on account of reasons solely attributable to the BESSD. The VGF amount to be recovered will be fixed as the amount disbursed plus interest @ SBI-MCLR (1 Year) plus 5 percent, as existing on the date of disbursement, accrued from the date of disbursement on the disbursed amount.
- 12.9 If the Project is transferred or sold to a third party during the above tenure, the BG will be re-issued by the new entity, corresponding to the amount applicable. The sale/transfer of the Project shall be effective only on submission of BG by new entity. However, this will be subject to prior approval of sanctioning authority of Grants-in-Aid {Rule230(9)}, in view of the asset being acquired substantially out of Government Grants.

SECTION 3. STANDARD CONDITIONS OF CONTRACT

13 *Obtaining RfS Documents*

Interested Bidders have to download the official copy of RfS & other documents after logging into the <https://www.bharat-electronictender.com>. The Bidder shall be eligible to submit/ upload the bid document only after logging into the <https://www.bharat-electronictender.com> (and downloading the official copy of RfS).

14 *Cost of Documents & Bid Processing Fees*

Prospective Bidders interested to participate in the bidding process are required to submit their Project proposals in response to this RfS document along with a non-refundable processing fee as mentioned in the Bid Information Sheet. A Bidder will be eligible to participate in the bidding process only on submission of entire financial amounts as per the Bid Information Sheet. Payments against Cost of RfS document and Bid Processing Fee shall be done only through NEFT/RTGS (electronic transfer), and the Bidder shall submit the transaction receipt, as part of the online bid submission.

The bank details of NVVN are:

- i. Bank Name: ICICI Bank Limited
- ii. Branch: CONNAUGHT PLACE BRANCH
- iii. Bank Address: 9A, PHELPS BUILDING, INNER CIRCLE, NEW DELHI- 110001
- iv. IFSC Code: ICIC0000007
- v. Account No.: 000705008910

Bids submitted without cost of the RfS document and/or Bid Processing Fee and/or Bank Guarantee/Payment on Order Instrument against Earnest Money Deposit (EMD) (including partial submission of any one of the respective amounts), may be liable for rejection by NVVN.

MSEs (Micro and Small Enterprises) having valid UDYAM registration as on the last date of bid submission only are exempted from submission of Cost of the RfS document, Bid Processing Fee & Earnest Money Deposit (EMD).

15 *Project Scope & Technology Selection*

Under this RfS, the BESSD shall set up the Project including the transmission network up to the Interconnection/Delivery Point, at its own cost and in accordance to the provisions of this RfS document. All approvals, permits and clearances required for setting up of the Project and/or transmission network upto the Delivery Point (along with connectivity), including those required from State Government and local bodies, shall be in the scope of the BESSD. The Projects to be selected under this RfS provide for deployment of Battery Energy Storage Technology. However, the selection of Projects would be technology agnostic within the above segment.

16 *Connectivity with the Grid*

Please refer Clause 7 of the RfS.

17 *Clearances Required from the Central/State Government and Other Local Bodies*

RfS for Procurement of 125 MW/500 MWh BESS in Chhattisgarh with VGF under Tariff-based Global Competitive Bidding	RfS No. NVVN/C&M/BESS-05/2025-26 Dated 01.12.2025	Page 28 of 136
---	--	----------------

The BESSDs are required to obtain all necessary clearances and permits as required for setting up the Projects, including but not limited to the following:

- a) No Objection (NOC)/Environmental clearance (if applicable) for the Project.
- b) Approval for water from the concerned authority (if applicable) required for the Project.
- c) Any other clearances as may be legally required, in order to establish and operate the Project.
- d) Necessary approval(s) of CEIG/ State Electrical Inspectorate
- e) No Objection (NOC)/ Permit (if applicable) from the Local Body for the Project.
- f) Fire clearance, if applicable.

The above clearances, as applicable for the Project, will be required to be submitted to CSPDCL prior to the commissioning of the Project. In case of any of the clearances indicated above being not applicable for the said Project, the BESSD shall submit an undertaking in this regard, and it shall be deemed that the BESSD has obtained/applied for all the necessary clearances for establishing and operating the Project. Any consequences contrary to the above shall be the responsibility of the BESSD. The BESSD shall also comply with all the laws, regulations, orders and procedures issued by the appropriate authority, applicable for setting up and implementing the Project.

The BESSD shall be required to follow the applicable rules regarding project registration with the State Nodal Agency in line with the provisions of the applicable policies/regulations of the State where the Projects are being located. It shall be the responsibility of the BESSD to remain updated about the applicable charges payable to the SNA under the applicable State policies.

Note: The BESSD should apply for all the necessary approvals, permits and clearances not more than 60 days from the Effective Date of the BESPA, which shall be complete in all respects, incorporating the clarifications/changes as required by the concerned authorities. The above timeline shall be adhered to, in order to examine cases where the BESSD faces delay in grant of the necessary approvals and permits, for a period substantially greater than the standard period of grant of approval by the respective organizations.

17.1 In line with the O.M. issued by the Department of Expenditure, Ministry of Finance, vide No. 7/10/2021-PPD(1) dated 23.02.2023 and subsequent amendments and clarifications thereto, the Bidder shall meet the following criteria for its bid to be considered for evaluation under the RfS:

- a. Any Bidder from a country which shares a land border with India will be eligible to bid in this tender only if the bidder is registered with the Competent Authority (as defined in the OM as referred above).
- b. Any Bidder (including an Indian Bidder) who has a Specified Transfer of Technology (ToT) arrangement with an entity from a country which shares a land border with India will be eligible to participate in this RfS only if the Bidder is registered with the Competent Authority under the referred OM.
- c. "Bidder" in this reference, means any person or firm or company, including any member of a consortium, every artificial juridical person not falling in any of the

descriptions of bidders stated hereinbefore, including any agency branch or office controlled by such person, participating in this tender.

- d. "Bidder from a country which shares a land border with India" for the purpose of this clause, means:
- i. An entity incorporated, established or registered in such a country; or
 - ii. A subsidiary of an entity incorporated, established or registered in such a country; or
 - iii. An entity substantially controlled through entities incorporated, established or registered in such a country; or
 - iv. An entity whose beneficial owner is situated in such a country; or
 - v. An Indian (or other) agent of such an entity; or
 - vi. A natural person who is a citizen of such a country; or
 - vii. A consortium where any member of the consortium falls under any of the above.
- e. "Beneficial owner" for the purposes of Clause 17.1.d.iv. above will be as defined in the referred OM, including subsequent amendments and clarifications thereto.
- f. In support of the above, the Bidder shall be required to submit necessary Undertaking, as per Format 7.8/7.8A of the RfS.
- g. Other provisions of the referred OM dated 23.02.2023, except Sl. 17 of the OM, will also be applicable for this tender. Any interpretation of the above clauses will be made in line with the referred OM, including subsequent amendments and clarifications thereto.

18 Bank Guarantee/ Payment on Order Instrument (POI) against Earnest Money Deposit (EMD)

- 18.1 Earnest Money Deposit (EMD) of INR 8,80,000/MW (Rupees Eight Lakh Eighty Thousand only per MW) - per Project in the form of Bank Guarantee according to Format 7.3A and valid for 12 months from the last date of bid submission, shall be submitted by the Bidder along with their bid, failing which the bid shall be summarily rejected. The Bank Guarantees towards EMD have to be issued in the name of the Bidding Company/ Lead Member of Bidding Consortium. In the event of encashment of EMD, the encashed amount shall include all applicable taxes.
- 18.2 The Bidder shall furnish the Bank Guarantees towards EMD from any of the Scheduled Commercial Banks as listed on the website of Reserve Bank of India (RBI) and amended as on the date of issuance of bank guarantee. Bank Guarantee issued by foreign branch of a Scheduled Commercial Bank is to be endorsed by the Indian branch of the same bank or State Bank of India (SBI).

The EMD shall be valid as per the timelines stipulated above. However, shortfall in the EMD validity, if any, up to a period of seven (7) days shall be acceptable. Further, an additional shortfall only in the following cases shall be acceptable: If the bidder has submitted the EMD with validity as per original bid submission date or as per any revised submission date, and if the deadline for submission of bids has been extended further, the Bid Guarantee shall be acceptable provided, the EMD is valid for more than

two months from the actual date of bid submission and the Bidder submits the EMD extension for the requisite period within seven days from the date of actual bid submission, if required.

While issuing the physical BGs, the Bidder's Bank shall also send electronic message through secure SFMS (in case of BGs issued from within India) or SWIFT (in case of BGs issued from outside India) to NVVN's Beneficiary Bank as per the details given in Format 7.14.

- 18.3 NVVN has agreed to accept the EMD in the form of an unconditional and irrevocable Bank Guarantee instead of the cash deposit with the clear position intimated to the bidder that the EMD Bank Guarantee shall be encashable for being appropriated by the NVVN in terms of the guarantee as in the case of appropriation of the cash deposit lying with the NVVN.

18.4 **Forfeiture of EMD:**

The BG towards EMD shall be encashed by the NVVN in following cases:

- a. If the bidder withdraws or varies the bid after due date and time of bid submission and during the validity of bid;
- b. In case, CSPDCL offers to execute the BESPA with the Selected Bidder and if the Selected Bidder does not submit the requisite documents as per Clause 22 of the RfS or does not execute the BESPA within the stipulated time period;
- c. If after issuance of LoA, it is found that the documents furnished by the bidders as part of response to RfS are misleading or misrepresented in any way;
- d. If the bidder fails to furnish required PBG/POI in accordance with Clause 19 of the RfS.

- 18.5 **Payment on Order Instrument (POI):** As an alternative to submission of EMD as above, the Bidder also has an option to submit a letter of undertaking issued by either of the following three organizations, viz. (i) Indian Renewable Development agency Limited (IREDA) or (ii) Power Finance Corporation Limited or (iii) REC Limited. This Letter of Undertaking shall be issued as "Payment on Order Instrument" (POI), wherein the POI issuing organization undertakes to pay in all scenarios under which the EMD would be liable to be encashed by the NVVN within the provisions of RfS/BESPA. This instrument would have to be furnished as per Format 7.3 D of the RfS, within the timelines as per Clause 18.1 above, for the amount and validity period as per those Clause 18.1 above.

The term "Bank Guarantee (BG) towards/ against EMD" occurring in the RfS shall be read as "Bank Guarantee (BG)/ Payment on Order Instrument (POI) towards/ against EMD".

18.6 **Insurance Surety Bond for Bid Security**

The Bid Security shall, at the Bidder's option, be in the form of an Insurance Surety Bond from an Insurer as per guidelines issued by Insurance Regulatory and

Development Authority of India (IRDAI). The format of the Insurance Surety Bond shall be in accordance with the form of Insurance Surety Bond towards bid security included in the RfS as per Format 3E.

Insurance Surety Bond against Bid Security issued by an Indian Insurance company outside India needs to bear stamp duty of appropriate value applicable to the place where Insurance Surety Bond is to be submitted. The Insurance Surety Bond may be got adjudicated by the NVVN from Collector of Stamps, within 3 months of arrival of Insurance Surety Bond in India. Expenses incurred in this regard shall be borne by NVVN.

19 Performance Bank Guarantee (PBG)/ Payment on Order Instrument (POI)

- 19.1 Bidders selected by the NVVN based on this RfS shall submit -Performance Bank Guarantee (PBG) for a value @ INR 22,00,000/MW (Rupees Twenty Two Lakh only per MW), to the CSPDCL, prior to signing of BESPA. It may be noted that successful Bidders shall submit the PBG according to Format 7.3B with a validity period upto (& including) the date as on 9 months after the Scheduled Commissioning Date of the Project. Upon receipt and successful verification of the total PBG in the acceptable format by CSPDCL, along with communication from CSPDCL to NVVN confirming acceptance of the PBG submitted by the successful bidder, and upon receipt of the success charge by NVVN from the successful bidder, the BG submitted towards EMD shall be returned by NVVN to the successful bidder.
- 19.2 Performance Bank Guarantees (PBGs) shall be submitted as per the following note:
- Note:** The PBGs are required to be submitted in the name of the entity signing the BESPA. In case of BESPA being eventually signed with the SPV incorporated/utilized by the successful bidder, the PBG may be submitted in the name of the successful bidder within the above prescribed deadline, if the bidder chooses to do so, and the same shall be replaced by the PBG issued in the name of the SPV, prior to signing of BESPA.
- 19.3 The BESSD shall furnish the PBG from any of the Scheduled Commercial Banks as listed on the website of Reserve Bank of India (RBI) and amended as on the date of issuance of bank guarantee. Bank Guarantee issued by foreign branch of a Scheduled Commercial Bank is to be endorsed by the Indian branch of the same bank or State Bank of India (SBI). In case of the Project being implemented through an SPV incorporated by the successful bidder, the PBG shall be furnished in the name of the SPV, except for the case as indicated in Clause 39.3 of the RfS.
- 19.4 The format of the Bank Guarantees prescribed in the Format 7.3 A (EMD) and 7.3 B (PBG) shall be strictly adhered to and any deviation from the above Formats shall result in rejection of the EMD/ PBG and consequently, the bid. In case of deviations in the formats of the Bank Guarantees, the corresponding BESPA shall not be signed.
- 19.5 CSPDCL has agreed to accept the PBG in the form of an unconditional and irrevocable Bank Guarantee instead of the cash deposit with the clear position intimated to the bidder that the PBG shall be encashable for being appropriated by the CSPDCL in

terms of the guarantee as in the case of appropriation of the cash deposit lying with CSPDCL.

- 19.6 The selected Bidder for the Project selected based on this RfS is required to sign BESPA with CSPDCL within the timeline as stipulated in Clause 22 of the RfS. In case, CSPDCL offers to execute the BESPA with the Selected Bidder and if the Selected Bidder does not submit the requisite documents as per Clause 22 of the RfS, or does not execute the BESPA within the stipulated time period, then the EMD shall be encashed by NVVN on written instructions from CSPDCL and the amount will be transferred to CSPDCL after deduction of success charge or Bank Guarantee equivalent to the amount of the EMD shall be encashed by CSPDCL (i.e. PBG) as liquidated damages not amounting to penalty, the selected Project shall stand cancelled and the selected Bidder expressly waives off its rights and objections, if any, in that respect.
- 19.7 The Bank Guarantees have to be executed on non-judicial stamp paper of appropriate value as per Stamp Act relevant to the place of execution.
- 19.8 All expenditure towards execution of Bank Guarantees such as stamp duty etc. shall be borne by the Bidders/BESSDs. Any Bank Guarantee or amendment to be submitted as part of the bidding process / contract execution, shall be accepted only when the BG issuance message is transmitted by the issuing bank through SFMS (insert SFMS details of the CSPDCL).
- 19.9 In case of Bank Guarantees issued by foreign branch of a Scheduled Commercial Bank, the same is to be endorsed by the Indian branch of the same bank or SBI, and the endorsing bank would be required to provide the SFMS confirmation.
- 19.10 After the bidding process is over, NVVN shall release the Bank Guarantees towards EMD of the unsuccessful Bidders within 15 days after the completion of e-Reverse Auction. The PBG shall be returned to the BESSD within 9 months from the COD of the Project, after taking into account any liquidated damages due to delays in commissioning as per Clause 9 and 10 of the RfS.

20 Success Charges

- 20.1 **Success Charges:** The Selected Bidder shall have to pay INR 1,00,000/MW (Rupees One Lakh/MW) + 18% GST to NVVN towards administrative overheads, coordination with State Authorities, State Utilities and others expenses. The payment has to be made by the BESSD in the form of DD/ Pay Order/ NEFT/ RTGS within 30 days of issuance of LoA by CSPDCL. Any delay in depositing the said amount to the NVVN as mentioned above within the stipulated time shall attract late payment charges @18% per annum+18% GST, levied on per day basis, on the total Success Charges, till (and including) the date of payment of Success Charges, which shall not be later than the date of signing of BESPA. BESPA shall only be signed after deposit of the Success Charges to the NVVN and written confirmation of the same from NVVN to CSPDCL. In case of delay in making full payment of above delay charges, the amount paid, if any until the above deadline, along with interest, shall be first reduced from the total amount due towards the delay charges and interest amount (i.e. rate of interest as stated above). Further, balance amount to be paid shall attract Interest rate @ one-year SBI

MCLR rate /annum + 5% (five percent) on pro-rata basis.

20.2 **Not Used**

21 Integrity Pact (IP)

Bidders are required to unconditionally accept all the conditions of the "Integrity Pact (IP)" as per **Attachment titled Integrity Pact** to the Bidding Documents which has been pre-signed by the NVVN.

Bidders shall certify their compliance on "**Integrity Pact** " by accepting the following General Technical Evaluation (GTE) of the Tender at e-Tender Portal:

“Do you certify full compliance to all provisions of Bidding Document?”

On Bidder's acceptance to the above GTE condition, Bidder confirms to have read, understood and unconditionally accept & commit to all the contents, terms, conditions and undertakings mentioned in the Integrity Pact which has been pre-signed by the NVVN and enclosed with the Bidding Documents. Where the Joint Venture(s) / Consortium are permitted to participate in the bid pursuant to ITB Clause 8.1.2(a), acceptance of above GTE by bidder shall mean that all the JV Partner(s)/ Consortium members have read, understood and unconditionally accept & commit to all the contents, terms, conditions and undertakings mentioned in the Integrity Pact which has been pre-signed by the NVVN and enclosed with the Bidding Documents.

On Acceptance of the above GTE, Integrity Pact shall be considered signed by the Bidder / JV Partner(s)/ Consortium members and the same shall come into force from the date of submission of bid.

It may also be noted that subsequent to NVVN's evaluation of Bids, resulting into award of Contract to a particular Bidder, the Integrity Pact so submitted shall form an integral part of the Contract.

21 (A) ***Independent External Monitors (IEM)s***

In respect of this package, the Independent External Monitors (IEMs) would be monitoring the bidding process and execution of Contract to oversee implementation and effectiveness of the Integrity Pact Program.

This panel is authorized to examine / consider all references made to it under this tender. The bidder(s), in case of any dispute(s) / complaint(s) pertaining to this package may raise the issue either with the designated 'Nodal Officer' in NVVN or directly with the IEMs address available at NVVN website www.nvvvn.co.in.

The Independent External Monitors (IEMs) has the right to access without restriction to all Project documentations of the CSPDCL including that provided by the Contractor. The Contractor will also grant the IEMs, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his Project Documentations. The same is applicable to Subcontractors. The IEMs

are under contractual obligation to treat the information and documents of the Bidder/ Contractor/ Sub-Contractors/ JV partners/ Consortium member with confidentiality.

The Nodal Officer for necessary coordination with Independent External Monitors shall be as under:

(i))	Concerned Group Head in C&M	:	if the issue pertains to awarding of Contract by C&M
(ii)	Concerned Head of Department	:	if the issue pertains to other departments
(iii)	Concerned Head of of Department	:	if the issue pertains to post- award execution of Contract

22 Battery Energy Storage Purchase Agreement (BESPA)

- 22.1 CSPDCL shall enter into Battery Energy Storage Purchase Agreement (BESPA) with Bidder selected based on this RfS. A copy of standard BESPA to be executed between CSPDCL and the BESSD is available on <https://www.bharat-electronictender.com> (and also in the NVVN's website. The BESPA will be signed within 30 days of issuance of LoAs, if not extended by CSPDCL. BESPA will be executed between CSPDCL and selected bidder or its SPV for the Project.
- 22.2 The BESSD shall submit a detailed completion Schedule for the Project within 30 days from BESPA effective date. Broad details to be captured in the Schedule are the land procurement, grid connectivity order, supply and erection status of various Project components; financial arrangement/ tie up etc. The BESSD shall also submit the progress report to CSPDCL in a format acceptable to CSPDCL and shall contain percentage completion achieved compared with the planned percentage completion for each activity on monthly basis, and any such other information as and when required by CSPDCL. In addition to the above, subsequent to signing of BESPA, the BESSD shall be required to submit the monthly Project status on 5th day of every calendar month as per Annexure-D of the RfS or any format as provided subsequent to signing of BESPA.
- 22.3 Note: BESPA will be executed between CSPDCL and the BESSD for the total Project Capacity awarded to the Bidder. Delays in meeting the project execution timeline on account of changes in the project parameters from the data as submitted in the Covering Letter (Format 7.1), shall be at the risk and cost of the Successful Bidder.
- 22.4 In case any change in project location by the BESSD during the project construction period results in any modification in the connectivity/power evacuation to be taken by Buying Entity for charging power, any additional charges/ penalties payable by Buying Entity in this regard shall be borne by the BESSD, unless the change is on account of a Force Majeure event.

- 22.5 The BESPA shall be valid for a period of 15 years from the SCD or date of full commissioning of the Project, whichever is later. Any extension of the BESPA period beyond the term of the BESPA shall be through mutual agreement between the BESSD and CSPDCL. BESPA shall be extended for a period upto 5 years (or as mutually agreed) at tariff not more than 60% of the BESPA tariff and mutually agreed between CSPDCL and BESSD, provided that RtE remaining more than 85%, subject to approval of CSERC.

The extension of BESPA beyond the initial 15 years would be for the part of Contracted Capacity as demonstrated after the 15-year period. e.g: If the Minimum Dispatchable Capacity demonstrated after the 15-year period is 450 MWh at 125 MW, then the extension of BESPA will be for 90% of the initial Contracted Capacity. A maintenance period upto 90 days will be allowed for Battery replacement / other maintenance activities, after the 15-year period.

- 22.6 The Performance Bank Guarantee to CSPDCL as per Clause 19 above and Success Charges to NVVN as per Clause 20 above, shall be submitted by the BESSD prior to signing of BESPA. Before signing of BESPA between CSPDCL and the BESSDs, the CSPDCL will verify the shareholding of the Project Company along with a copy of complete documentary evidence or certificate from statutory auditor. If at this stage it is found that the documents furnished by the BESSDs are false / misleading or misrepresented in any way, then the provisions contained in this RfS will be applicable.
- 22.7 Successful bidders will have to submit the required documents to CSPDCL within 15 days from the issuance of LoA. In case of delay in submission of documents beyond the 15 days as mentioned above, CSPDCL shall not be liable for delay in verification of documents and subsequent delay in signing of BESPA. Effective Date of the BESPA shall be the date as on 30 days from the date of issue of LoA, or the date of signing of BESPA, whichever is later (for example, if the date of LoA is 07.02.2026, the Effective Date will be 06.03.2026 or date of signing of BESPA, whichever is later). Subsequent to expiry of the 30 -day period after the issuance of LoA, in case the CSPDCL intimates to the Successful Bidder, a particular date as the date for signing of BESPA, the specified date shall become the Effective Date of the BESPA, irrespective of the date of signing of BESPA.
- 22.8 Not Used
- 22.9 The BESSD will be free to replenish the battery capacity from time to time during the Term of the BESPA at its cost and expense to meet the performance criteria. However, CSPDCL will be obligated to off-take capacity only within the performance range as specified in the BESPA and at the charges applicable as per the existing agreements. Any excess supply will be dealt as per provisions of the BESPA.

23 Financial Closure or Project Financing Arrangements

- 23.1 The Projects shall achieve Financial Closure within the date as on 06 months after the Effective Date of the BESPA (for e.g. if Effective Date is 06.03.2026, the above deadline will be 05.09.2026).
- 23.2 At the stage of financial closure, the BESSDs shall report 100% tie-up of Financing

Arrangements for the Projects. In this regard, the BESSD shall submit a certificate/ necessary documents from all financing agencies regarding the tie-up of 100% of the funds indicated for the Project, including arrangements of funds in the form of Equity.

- 23.3 Checklist of documents to be submitted at this stage is provided at Annexure-B of the RfS.
- 23.4 In case of default in achieving above condition as may be applicable within the stipulated time, CSPDCL shall be entitled to encash PBG and shall remove the Project from the list of the selected Projects, unless the delay is on account of factors not owing to any action or inaction on the part of the BESSD, or caused due to a Force Majeure as per BESPA. An extension can however be considered, on the sole request of BESSD, on advance payment of extension charges of INR 1,000/- per day per MW. This extension will not have an impact on the obligation of BESSD to achieve commissioning by the SCD of the Project. Subsequent to the completion of deadline for achieving financial closure, CSPDCL shall issue notices to the BESSD not meeting the requirements of Financial Closure as per the RfS deadlines. The notice shall provide a period of 7 business days to the respective BESSDs to either furnish the necessary documents or make the above-mentioned payment of Rs. 1,000/MW/day. In case of non-submission of either-the requisite documents or the necessary amount upon expiry of the above-mentioned notice period of 7 days-the CSPDCL shall encash the PBG of the BESSD and terminate the BESPA for the Project. The amount of Rs. 1,000/MW/day shall be paid by the BESSDs in advance prior to the commencement of the said delay period and shall be calculated based on the period of delay as estimated by the BESSD. In case of the BESSD meeting the requirements of Financial Closure before the last date of such proposed delay period, the remaining amount deposited by the BESSD shall be returned by the CSPDCL. Interest on account of delay in deposition of the above-mentioned charges or on any subsequent extension sought, shall be levied @ one-year SBI MCLR rate /annum + 5% (five percent) on pro-rata basis. Any extension charges paid so, shall be returned to the BESSD without any interest on achievement of successful commissioning within the SCD, on pro-rata basis, based on the project capacity commissioned as on SCD.
- 23.5 The BESSD will have to submit the required documents to the CSPDCL at least 14 days prior to the scheduled Financial Closure date. In case of delay in submission of documents mentioned above, CSPDCL shall not be liable for delay in verification of documents and subsequent delay in Financial Closure.

24 Land Arrangements for the Project

- 24.1 Land identification and possession shall be in line with Clause 6 of the RfS, and CSPDCL shall facilitate in grant of land to the BESSD.
- 24.2 The above land area will be given to the BESSD for Right of Use (ROU) within 60 days from Effective Date of the BESPA. In case of any delay in signing of ROU agreement of land to the BESSD, the Financial Closure and Commissioning milestones will be suitably extended, provided that the delay is not due to any action/ inaction on part of the BESSD.
- 24.3 The BESSD shall submit documents/Lease Agreements to establish possession/right to use for at least 90% of the required land area at the time of financial closure in the name

of the BESSD for a period not less than the complete term of the BESPA.

- 24.4 With respect to signing of ROU agreement for the required land to set up BESS by the BESSD, commissioning of the Project will not be allowed until submission of land agreement by the BESSD in terms of the Clauses 6 & 7 of the RfS except when the delay in signing of ROU is on account of CSPDCL. The above land area will be given to the BESSD for Right of Use (ROU) within 60 days from Effective Date of the BESPA. In case of any delay in signing of ROU agreement of land to the BESSD, the Financial Closure and Commissioning milestones will be suitably extended provided that the delay is not due to any action/ inaction on part of the BESSD. The RoU agreement shall be co-terminus and co-extensible with the BESPA period.
- 24.5 However, in case of delays in signing of ROU by the BESSD on account of Government / CSPDCL delay (including but not limited to delay in land use pattern change, and/or relaxation under respective State land ceiling Act, and/or land lease permission from State Government/Authorities) or delay caused due to a Force Majeure as per BESPA, SCD shall be suitably extended.
- 24.6 The BESSD is free to setup the project in self-identified land owned by the BESSD or through suitable Right of Use agreement. The RoU agreement shall have clear RoU period for not less than 20 years from the effective date of BESPA and shall be extended prior to extension of BESPA period for 5 years. The performance parameters shall be as specified in this RfS at the interconnecting point at SubStation.

25 Commercial Operation Date (COD)

In case of part commissioning, Commercial Operation Date (COD) will be declared only for that part of Project Capacity. COD shall be the next day after the date of commissioning of the Project, as indicated on the Commissioning Certificate, upon successful commissioning of the full capacity of the Project or the last part capacity of the Project as the case may be, as declared in line with the commissioning procedure as provided in the BESPA. Similarly, for each part commissioning, COD will be the next day after actual date of commissioning of the respective part capacity.

The BESSD shall obtain necessary charging and safety clearances from the concerned authorities (STU/ SLDC/ CEIG/ CEA/ State Electrical Inspectorate etc.) prior to commissioning of the Project. The 15-year tenure of BESPA shall be as per the provisions of BESPA. Any capacity being offered to the grid before COD shall not be at the cost of CSPDCL under this scheme and developers will be free to make short-term sale to any organization or individual with first right of refusal with CSPDCL.

Declaration of COD will be governed by applicable Grid Code provisions, and in case of discrepancy between the procedure given in the RfS and that stipulated in the Grid Code, the provisions of Grid Code will prevail.

26 Modifications in Controlling Shareholding

- 26.1 The BESSD shall indicate its shareholding in the company indicating the controlling shareholding before signing of BESPA with CSPDCL.
- 26.2 No change in controlling shareholding of the Bidding Company or Bidding Consortium shall be permitted from the date of submission of response to RfS till the execution of the BESPA.

Following shall not be considered as change in shareholding as mentioned above:

- a. Infusion of Fresh equity capital amongst the existing shareholders/promoters at the time of Bid Submission to meet equity requirements.
- b. Conversion of CCDs, CCPs etc. already issued to existing shareholders.
- c. Death, marriage, Divorce, minor attaining major (any legal heir who was minor at the time of signing of BESPA), insolvent, insane of existing shareholders.
- d. Transfer of shares within the members of Immediate Promoter Group only.
- e. Transfer of shares to IEPF.
- f. Issue of Bonus Shares.

- 26.3 In case of Project being executed through SPV, the Successful Bidder, if being a single company, shall ensure that its shareholding in the SPV/ Project Company executing the BESPA, shall not fall below 51% at any time prior to COD of the Project. In the event the successful Bidder is a consortium, then the combined shareholding of the consortium members in the SPV/ Project Company executing the BESPA, shall not fall below 51% at any time prior to COD. However, in case the Project is being set up by a listed Company, this condition will not be applicable.
- 26.4 In case of the selected Bidder itself executing the BESPA, it shall ensure that controlling shareholding of the Bidding Company remains unchanged until the COD. However, in case the Project is being set up by a listed Company, this condition will not be applicable.
- 26.5 In case of companies having multiple promoters (but none of the shareholders having more than 50% of voting rights and paid up share capital), it shall be considered as a company under joint control. In such cases, the shareholding pattern in the company as submitted at the time of bidding, shall be maintained upto the COD.
- 26.6 Any change in the shareholding after COD can be undertaken under intimation to the CSPDCL.
- 26.7 In the event of Change in Shareholding/ Substitution of Promoters triggered by the Financial Institutions leading to signing of fresh BESPA with a new entity, an amount of INR 10 Lakh per Project +18% GST per Transaction as Facilitation Fee (non-refundable) shall be deposited by the BESSD to CSPDCL.

27 Instructions to Bidders for Structuring of Bid Proposals in Response to RfS

The bidder including its Parent, Affiliate or Ultimate Parent or any Group Company shall submit single response to RfS. Detailed Instructions to be followed by the bidders for online submission of response to RfS are stated at Annexure – C. Submission of bid proposals by Bidders in response to RfS shall be in the manner described below:

- a. Covering Letter as per **Format 7.1**.
- b. In case of a Bidding Consortium, a Power of Attorney in favour of the Lead Member issued by the other Members of the Consortium shall be provided in original as per format attached hereto as **Format 7.2**.

In the event any Member of the Bidding Consortium (other than Lead Member) is a foreign entity, it may submit Board Resolutions in place of Power of Attorney for the

purpose of fulfilling the requirements under this clause. Provided that such Board Resolutions shall be supported by an unqualified opinion issued by the legal counsel of such foreign entity stating that the Board Resolutions are in compliance with the applicable laws of the respective jurisdictions of the issuing Company and the authorizations granted therein are true and valid.

- c. Bank Guarantee/ Payment on Order Instrument (POI) against Earnest Money Deposit (EMD) as per **Format 7.3 A/7.3 D**.
- d. Board Resolutions, as per prescribed formats enclosed as per **Format 7.4** duly certified by the Company Secretary or the Director of the relevant Bidder, as applicable to the Bidder and mentioned hereunder:
 - i. Board Resolution from the Bidding Company or the Lead Member of the Consortium, as the case may be, in favour of the person signing the response to RfS and in the event of selection of the Projects and to sign the BESPA with the CSPDCL. Board Resolution from each of the Consortium Members in favour of the person signing Consortium Agreement.
 - ii. Board Resolution from the Bidding Company committing 100% (One Hundred Percent) of the equity requirement for the Project/ Board Resolutions from each of the Consortium Members together in aggregate committing to 100% (One Hundred Percent) of equity requirement for the Project (in case of Bidding Consortium); and
 - iii. Board Resolutions from each of the Consortium Members and Lead member contributing such additional amount over and above the percentage limit (specified for the Lead Member and other member in the Consortium Agreement) to the extent becoming necessary towards the total equity share in the Project Company, obligatory on the part of the Consortium pursuant to the terms and conditions in the Consortium Agreement.
- e. In case of a Consortium, the Consortium Agreement between the Members in the Consortium as per **Format 7.5** along with Board resolution from each Member of the Consortium for participating in Consortium.
- f. Format for Financial Requirements as per **Format 7.6** along with the certificate from Statutory Auditors showing details of computation of the financial credentials of the Bidder.
- g. Undertaking as per **Format 7.7**.
- h. A disclosure statement as per **Format 7.8/7.8A** regarding participation of any related companies in the bidding process.
- i. Format for Technical Criteria as per **Format 7.9** (to be filled out separately for each Project).
- j. Declaration by the Bidding Company / Lead Member of Bidding Consortium for the Proposed Technology Tie Up as per **Format 7.10** (to be filled out separately for each Project).
- k. Integrity Pact between the NVVN and the Bidding Company as per **Format 7.11**. *(to be modified/removed based on the procedure of the NVVN)*
- l. **Attachments**
 - i. Memorandum of Association, Article of Association needs to be attached along with the bid. The bidder should also highlight the relevant provision which highlights the

objects relating to Power/ Energy/ Renewable Energy/ Standalone Battery Energy Storage System development.

- In case, there is no mention of the above provisions in the MoA/ AoA of the bidding company, the same has to be amended and submitted prior to signing of BESPA, if the bidder is selected as Successful bidder.
 - If the selected bidder wishes to execute the project through a Special Purpose Vehicle (SPV), the MoA/ AoA of the SPV highlighting the relevant provision which highlights the objects relating to Power/ Energy/ Renewable Energy/ Solar Power plant development has to be submitted prior to signing of BESPA.
 - ii. Certificate of Incorporation of Bidding Company/ all member companies of Bidding Consortium. In case of AIF, registration certificate issued by SEBI would be required.
 - iii. A certificate of shareholding of the bidding company, its Parent and Ultimate Parent (if any) duly certified by a practicing Chartered Accountant/ Company Secretary as on a date within 30 days prior to the last date of bid submission. NVVN reserves the right to seek additional information relating to shareholding in promoter companies, their parents/ ultimate parents and other group companies to satisfy themselves that RfS conditions have been complied with and the bidder will ensure submission of the same within the required time lines.
 - iv. Certified copies of annual audited accounts for the last financial year, i.e. FY 2023-24/2022-23, or provisional audited accounts duly certified by a practicing Chartered Accountant (as applicable), along with certified copies of Balance Sheet, Profit & Loss Account, Schedules and Cash Flow Statement supported with bank statements as on the date at least 7 days prior to the due date of bid submission (if applicable), shall be required to be submitted.
 - v. Details of all types of securities/instruments which are pending conversion into equity whether optionally or mandatorily.
- m. Covering letter of the Financial bid as per **Format - 7.12**.
- n. Break-up of the Preliminary Estimate of Cost of Project as per **Format 7.13** (separately for each Project).

28 Important Notes and Instructions to Bidders

- 28.1 Wherever information has been sought in specified formats, the Bidders shall fill in the details as per the prescribed formats and shall refrain from any deviations and referring to any other document for providing any information required in the prescribed format.
- 28.2 The Bidders shall be shortlisted based on the declarations made by them in relevant schedules of RfS. The documents submitted online will be verified before signing of BESPA in terms of Clause 22 of the RfS.
- 28.3 If the Bidder/Member in a Bidding Consortium conceals any material information or makes a wrong statement or misrepresents facts or makes a misleading statement in its response to RfS, in any manner whatsoever, NVVN reserves the right to reject such response to RfS and/or cancel the Letter of Award, if issued, and the Bank

Guarantee/POI provided up to that stage shall be encashed. Bidder shall be solely responsible for disqualification based on their declaration in the submission of response to RfS.

- 28.4 If the event specified at 28.3 is discovered after the Effective Date of BESPA, consequences specified in BESPA shall apply.
- 28.5 Response submitted by the Bidder shall become the property of the NVVN and NVVN shall have no obligation to return the same to the Bidder. However, the EMDs submitted by unsuccessful Bidders shall be returned as specified in Clause 19 of the RfS.
- 28.6 All documents of the response to RfS (including RfS and subsequent Amendments/ Clarifications/ Addenda and BESPA) submitted online must be digitally signed by the person authorized by the Board as per Format 7.4.
- 28.7 The response to RfS shall be submitted as mentioned in Clause 27 of the RfS. No change or supplemental information to a response to RfS will be accepted after the scheduled date and time of submission of response to RfS. However, NVVN reserves the right to seek additional information from the Bidders, if found necessary, during the course of evaluation of the response to RfS.
- 28.8 *Bidder to familiarize themselves with Bharat ETS portal.*
- 28.9 All the information should be submitted in English language only. In case of foreign bidders having documents in other than English language, then the documents shall be translated in English language by certified translator and submitted.
- 28.10 Bidders shall mention the name of the contact person and complete address and contact details of the Bidder in the covering letter.
- 28.11 Response to RfS that are incomplete, which do not substantially meet the requirements prescribed in this RfS, will be liable for rejection by NVVN.
- 28.12 Response to RfS not submitted in the specified formats will be liable for rejection by the NVVN.
- 28.13 Bidders delaying in submission of additional information or clarifications sought will be liable for rejection.
- 28.14 Non-submission and/ or submission of incomplete data/ information required under the provisions of RfS shall not be construed as waiver on the part of the NVVN of the obligation of the Bidder to furnish the said data/ information unless the waiver is in writing.
- 28.15 The Chhattisgarh State Electricity Regulatory Commission shall be the appropriate commission to exercise the regulatory and adjudicatory jurisdiction in regard to matters between BESSD and CSPDCL. Subject to the above, only Chhattisgarh High Court, Raipur shall have exclusive jurisdiction in all matters pertaining to this RfS and CSPDCL.
- 28.16 All the financial transactions to be made with the NVVN or CSPDCL including consultancy fee (with NVVN), delay charges (with CSPDCL except charges for delay in Financial Closure), and any additional charges (if required), shall attract GST at

prevalent rates (current rate being 18%) on each transaction, irrespective of the same being mentioned in the RfS/BESPA.

29 Non-Responsive Bid

The electronic response to RfS submitted by the bidder along with the documents submitted **online** to the NVVN shall be scrutinized to establish "Responsiveness of the bid". Each bidder's response to RfS shall be checked for compliance with the submission requirements set forth in this RfS.

Any of the following conditions shall cause the Bid to be "Non-responsive":

- (a) Non-submission of the requisite Cost of RfS and/ or Processing Fee as mentioned in the Bid Information Sheet.
- (b) Response to RfS not received by the due date and time of bid submission.
- (c) Non-submission of correct, valid and operative Pass-Phrases for both Technical and Financial Bid (Price Bid) Parts after the deadline of Bid Submission, and before the commencement of the Online Tender Opening Event (TOE) of Technical Bid.
- (d) Any indication of tariff in any part of response to the RfS, other than in the financial bid.
- (e) Data filled in the Electronic Form of Financial Bid (Second Envelope), not in line with the instructions mentioned in the same electronic form.
- (f) Except for the scenario as per Clause 5.1 above, in case it is found that the Bidding Company including Ultimate Parent Company/ Parent Company/ Affiliate/ Group Companies have submitted more than one response to this RfS, then all these bids submitted shall be treated as non-responsive and rejected.
- (g) Non-submission or partial submission of EMD in acceptable form along with response to RfS.

In any of the above cases, the bid shall not be considered for bid opening and evaluation process.

30 Method of Submission of Response to RfS by the Bidder

30.1 The bidder has to submit original of following documents **offline**:

- a. Bank Guarantee/ Payment on Order Instrument towards EMD as mentioned in the Bid Information Sheet (as per Format 7.3A/ 7.3D). One EMD may be submitted for the cumulative capacity quoted by the bidder, or individual EMDs may be submitted for each Project.
- b. (Any documentation required as part of submission of bid on the bidding portal decided by the NVVN).

No documents will be accepted in person, on or before the date of bid submission.

Bank Guarantee/POI against EMD needs to be submitted in both online and offline modes. The bidders will be required to submit the bank guarantee, either in person or through post, at the office of NVVN until the date as on 2 working days after the closing date of bid submission. The 2-day duration will be counted from the date of bid

submission.

For e.g., if the bid submission deadline is 18:00 hrs on 22.10.2025, the above deadline will expire at 18:00 hrs on 24.10.2025. In case of the above deadline being a holiday, the next working day in NVVN will be the deadline for submission of Bank Guarantees.

Note: In all cases, the Bank Guarantee/POI against EMD (if applicable), shall be issued on or before the bid submission deadline. These instruments issued after the expiry of the deadline will be summarily rejected.

The bidding envelope shall contain the following sticker:

RfS for Procurement of ____ MW/ ____ MWh Standalone Battery Energy Storage Systems in Chhattisgarh with VGF under Tariff-based Global Competitive Bidding Procurement under tariff-based global competitive bidding Request for Selection (RfS) document for setting up of 125 MW/500 MWh STU connected standalone Battery Energy Storage Systems (BESS) in the state of Chhattisgarh with Viability Gap Funding (VGF) Support	
Cumulative Capacity of the projects applied for	____ MW/ ____ MWh
No. of Projects Bid for	
RfS Reference No.	____ dated: ____
Submitted by	(Enter Full name and address of the Bidder)
Authorized Signatory	(Signature of the Authorized Signatory) (Name of the Authorized Signatory) (Stamp of the Bidder)
Bid Submitted to	NVVN Limited, 5 th Floor EOC Building, NTPC Limited, A-8A, Sector 24, Noida 201301

30.2 **Documents to be Submitted Online**

Detailed instructions to be followed by the Bidders for online submission of response to RfS as stated as Annexure-C. The bidders shall strictly follow the instructions mentioned in the electronic form in respective technical bid and financial bid while filling the form.

If the Bidder has submitted bid online and fails to submit the Bank Guarantee for requisite amount offline within 2 working days from last date of bid submission, then the same shall be treated as incomplete bid and Cost of RfS, Processing fee submitted at this stage will be encashed, the EMD(s) shall be returned and the submitted bid will stand cancelled and the respective bidder will be debarred from participating in any of the tenders issued by NVVN, for a period of 6 (six) months, starting from the last date of bid submission of this RfS

All documents of the response to RfS submitted online must be digitally signed and uploaded on the website, <https://www.bharat-electronictender.com>. Response to RfS shall contain the following:

I. Technical Bid (First Envelope)

The Bidder shall upload single technical bid containing **scanned copies** of the following documents duly signed and stamped on each page by the authorized signatory as mentioned below.

- (a) Formats - 7.1, 7.2 (if applicable), 7.3 A, 7.4, 7.5 (if applicable), 7.6, 7.7, 7.8/7.8A, 7.9, 7.10 and 7.11 as elaborated in Clause 27 of the RfS.
- (b) All attachments elaborated in Clause 27 of the RfS, under the sub-clause k: Attachments, with proper file names.
- (c) All supporting documents regarding meeting the eligibility criteria.
- (d) Scanned Copies of NEFT/RTGS details towards Cost of RfS Document and Bid Processing Fee as mentioned in Bid Information Sheet.
- (e) Scanned Copies of requisite amount of Bank Guarantee/Payment on Order Instrument towards EMD as mentioned in the Bid Information Sheet.

The Bidder will have to fill the Electronic Form provided at the Bharat ETS portal as part of Technical Bid.

II. Financial Bid (Second Envelope)

Bidders shall submit the single Financial Bid containing the scanned copy of following document(s):

- (a) Covering letter as per Format - 7.12 of the RfS
- (b) Preliminary Estimate of Cost of the Project as per Format 7.13 of the RfS

Only a single storage charge (INR/kWh) for the Project applied for, shall have to be filled online in the Electronic Form provided at the ISN- ETS portal. The instructions mentioned in the Financial Bid Electronic Form have to be strictly followed without any deviation, else the bid shall be considered as non-responsive.

Important Note:

- (a) The Bidders shall not deviate from the naming and the numbering formats of envelopes mentioned above, in any manner.
- (b) In each of the envelopes (as part of online bid submission), all the documents enclosed shall be indexed and flagged appropriately, with the index list indicating the name of the document against each flag.
- (c) All the envelopes shall be properly sealed with the signature of the Authorized Signatory running across the sealing of the envelopes.
- (d) In case the Bidder submits the online documents on <https://www.bharat-electronictender.com> within the bid submission deadlines and fails to submit the offline documents in the office of NVVN within the bid submission deadlines, the online bid of the Bidder shall not be opened and shall be 'archived (to be replaced

with a suitable word based on the bidding portal)' on the <https://www.bharat-electronictender.com>. Similarly, bids submitted offline but without any online submission on <https://www.bharat-electronictender.com> shall not be opened and the EMD shall be returned to the respective Bidder.

- (e) **In case of submission of Bank Guarantee against EMD online on or before the bid submission deadline, and non-submission of the hard copy of the Bank Guarantee to NVVN within the date as on 2 working days subsequent to bid submission deadline, then the same shall be treated as incomplete bid and Cost of RfS, Processing fee submitted at this stage will be encashed, the EMD(s) shall be returned and the submitted bid will stand cancelled and the respective bidder will be debarred from participating in any of the tenders issued by NVVN, for a period of 6 (six) months, starting from the last date of bid submission of this RfS.**
- (f) The tariff to be quoted in the Financial Bid shall be exclusive of GST (for providing the storage service). GST levied on the storage service being provided by the Project, if any, shall be passed through to the CSPDCL.

31 **Notice Board for Display**

The BESSD will have to put a notice board (at least 180 cm x 120 cm) at its project site main entrance prominently displaying the following message before declaration of COD.

<p>125_MW/ 500 MWh STU-Connected Battery Energy Storage System</p> <p>Project Installed and operated by</p> <p>----- (insert name of the BESSD)</p> <p>[Under RfS for Procurement of 125 MW /500 MWh Battery Energy Storage Systems under Tariff-based Global Competitive Bidding in Chhattisgarh under PSDF</p> <p>Component of VGF scheme by</p> <p>Chhattisgarh State Power Distribution Company Limited</p> <p>Date of Commencement of Work: Proposed date for Completion:</p>	
--	--

32 **Validity of the Response to RfS**

The Bidder shall submit the response to RfS which shall remain valid up to the date as on 12 months from the last date of submission of response to RfS ("Bid Validity"). NVVN reserves the right to reject any response to RfS which does not meet the aforementioned validity requirement.

33 Bid Preparation Cost

The Bidder shall be responsible for all the costs associated with the preparation of the response to RfS and participation in discussions and attending pre-bid meeting(s) etc. NVVN shall not be responsible in any way for such costs, regardless of the conduct or outcome of the bid process.

34 Clarifications/ Pre-Bid Meeting/ Enquiries/ Amendments

- 34.1 Clarifications/ Doubts, if any, on RfS document may be emailed and/ or through <https://www.bharat-electronictender.com>. The format for submission of clarifications is available on the portal.
- 34.2 NVVN will make effort to respond to the same in the Pre-Bid Meeting to be held as mentioned in the Bid Information Sheet. A compiled list of such questionnaire and the NVVN's response will be uploaded in the <https://www.bharat-electronictender.com>. If necessary, amendments, clarifications, elaborations shall be issued by the NVVN which will be notified on the NVVN/ <https://www.bharat-electronictender.com>. No separate reply/ intimation will be given for the above, elsewhere. In the event of the issuance of any revision or amendment of the RfS documents, the Bidders shall be provided a period of at least 7 days therefrom, for submission of bids. No clarifications will be issued subsequent to bid submission deadline. Post issuance of any amendments, Bidders shall be allowed a period of three (03) working days for seeking clarifications, after which no query or clarification shall be entertained.
- 34.3 A Pre-Bid Meeting shall be held as mentioned in the Bid Information Sheet (Venue to be notified later on the NVVN's website).
- 34.4 Enquiries/ Clarifications may be sought by the Bidder by contacting the NVVN's officials as per the details contained in the Bid Information Sheet.

35 Right of the NVVN to Reject a Bid

NVVN reserves the right to reject any or all of the responses to RfS or cancel the RfS or annul the bidding process for any project at any stage without assigning any reasons whatsoever and without thereby any liability. In the event of the tender being cancelled at any stage, the processing fee (excluding GST, if amount credited to the NVVN's account), without any interests, shall be returned to the respective Bidders.

36 Post Award Compliances

- 36.1 Timely completion of all the milestones i.e. signing of BESPA, meeting Financial Closure Requirements/Conditions Subsequent (BESPA), Commissioning etc. will be the sole responsibility of BESSD. CSPDCL shall not be liable for issuing any intimations/ reminders to BESSDs for timely completion of milestones and/ or submission of compliance documents.
- 36.2 Any checklist shared with BESSD by NVVN for compliance of above mentioned milestones to be considered for the purpose of facilitation only. Any additional documents required as per the conditions of Guidelines, RfS and BESPA must be timely submitted by the BESSD.

36.3 Tentative timelines of various activities to be carried out under this RfS are summarized as follows:

Activity	Duration
Date of issuance of RfS	Zero Date (A)
Date of pre-bid meeting	A+10 days
Bid submission deadline	A+30 days (=B)
Issuance of LoAs	B+45 days (=C)
Effective Date of BESPA's	C+ 30 days (=D)
Application for connectivity by the BESSD	D+30 days
Financial Closure	D+06 months
Release of 1 st tranche of VGF on financial closure subject to submission of BG and proof of possession of 90% of the total land.	D+06 months (upon fulfilment of FC)
Project commissioning	D+18 months (=E)
Release of 2 nd tranche of VGF	D+18 months (upon achieving COD)
Release of 3 rd tranche of VGF	E+1 year

36.4 Project monitoring activities under the RfS shall include periodic Project site visits by Appropriate Central Government Organizations/Authority/Committee(s) authorized from time to time.

36.5 Under this RfS, it is proposed to promote only commercially established and operational technologies to minimize the technology risk and to achieve timely commissioning of the Projects. **Further, the BESSD shall ensure that the BESS installed is of requisite quality as per best industry practices and refurbished battery cells are not used in the project. BESS shall also ensure that the application software of the Energy Management System (EMS) of the BESS shall be developed indigenously within India.** The Bidder may indicate regarding the selection of technology and its details at the time of submission of bids in the prescribed Format 7.10 of the RfS. The technology proposed at the time of submission of response to RfS can be changed at the time of Financial Closure.

36.6 The Bidder is required to undertake to furnish evidence of meeting the above criteria in line with provisions of Clause 23 of the RfS. The undertaking shall be submitted as per enclosed Format 7.9 of the RfS.

36.7 The Projects shall also comply with the performance criteria as detailed in Clause 8 of the RfS.

QUALIFICATION REQUIREMENTS FOR BIDDERS

Bidders participating in the RfS should meet the qualifying requirements stipulated under clause 37.1 (i) or 37.1(ii) or 37.1 (iii) or 37.1(iv) and 37.2, 37.3 & 37.4 as applicable. In addition, the Bidder should also meet the requirements stipulated under clause 39.0 together with the requirements stipulated in RFS.

37 General Eligibility Criteria

37.1 The Bidder must fall under either of the following categories:

- i. A Company under the Companies Act, 2013.
- ii. A Foreign Company under the respective nation's laws.
- iii. Alternative Investment Funds (AIF) as registered under SEBI. "AIF" shall be as defined by SEBI.
- iv. A Consortium comprising the above entities.

The above would be subject to the relevant Acts, Rules, Guidelines, Orders and Policy documents of the Government of India as amended from time to time.

37.2 In case a foreign company i.e. the bidder under clause 37.1 (ii), is participating on standalone basis and it is selected as successful Bidder, it has to form a "Special Purpose Vehicle" (SPV), i.e. an Indian Company registered under the Companies Act, 2013 as its subsidiary Company, with at least 51% shareholding in the SPV, before signing of BESPA and it shall comply with all the laws and provisions related to Foreign Direct Investment in India.

In case the foreign company is participating as a member of consortium, Clause 37.4 of the QR shall also be applicable.

37.3 A Consortium i.e. bidder participating under clause 37.1 (iv), shall participate with one of the consortium partners as the Lead Member. The consortium shortlisted and selected against this RfS has to necessarily form a Project Company and get it registered under the Companies Act, 2013 prior to signing of Battery Energy Storage Purchase Agreement ("BESPA"), keeping the original shareholding of the Bidding Consortium unchanged. In case applications for multiple Projects have been made by a Consortium, separate Project Companies can be formed for each Project. For the avoidance of doubt, it is hereby clarified that the shareholding pattern of the Project Company shall be identical to the shareholding pattern of the Consortium.

37.4 A consortium i.e. bidder participating under clause 37.1 (iv), selected as Successful Bidder for the purpose of implementing the Project, shall incorporate a Project company before signing of BESPA with the Buying Entity (CSPDCL) with equity participation by the Members in line with consortium agreement submitted with the bid

i.e. the Project Company incorporated shall have the same shareholding pattern as that indicated in the Consortium Agreement given at the time of submission of response to RfS. This shall not change till the signing of BESPA and the Controlling Shareholding (Lead Member holding not less than 51% of the voting rights and paid-up share capital) shall not change from submission deadline of response to RfS up to Commercial Operation Date (COD) of the Project. Transfer of controlling shareholding within the same group of companies will however be allowed prior to COD with the permission of CSPDCL, subject

to the condition that, the management control remains within the same group of companies.

Note for Clause 37.0

- a) Limited Liability Partnership (LLPs) are not eligible for participation.
- b) A Bidder which has been selected as Successful Bidder based on this RfS can also execute the Project through a Special Purpose Vehicle (SPV) i.e. a Project Company especially incorporated/acquired as a subsidiary Company of the successful bidder for setting up of the Project, with at least 51% shareholding in the SPV which has to be registered under the Indian Companies Act, 2013, before signing of BESPA. Multiple SPVs may also be utilized for executing more than one Project.
- c) The Bidder or any of its Affiliates should not be a willful defaulter to any lender. Further, the Bidder & any of its Affiliate including any Consortium Member & any of its Affiliate, their directors, should not have been barred or included in the blacklist by any government agency or authority in India, the government of the jurisdiction of the Bidder or Members where they are incorporated or the jurisdiction of their principal place of business, any international financial institution such as the World Bank Group, Asian Development Bank, African Development Bank, Inter-American Development Bank, Asian Infrastructure Investment Bank etc. or the United Nations or any of its agencies. The Bidder shall submit an undertaking to this effect.

38 Not Used

39 Financial Eligibility Criteria

39.1 Net-Worth/ Asset Under Management (AUM) or Investible Funds

- a) The Net Worth of the Bidder should be positive for preceding three financial years prior to the date of Techno-commercial bid opening and equal to or greater than INR 88,00,000 / MW of the quoted capacity in MW (i.e. INR 22,00,000 / MWh of the MWh capacity), as on the last day of the preceding financial year prior to the date of Techno-commercial bid opening. For e.g., for a 500 MWh (125 MW x 4 hrs) Project Capacity, the minimum Net Worth requirement to be demonstrated shall be Rs. 88 lakh x 125 MW = Rs. 1,10,00,00,000 and should be positive for preceding three financial years prior to the date of Techno-commercial bid opening. In case of the Bidder being a SEBI registered AIF, the cumulative value of Assets Under Management (AUM) with minimum requirement as per above shall be demonstrated. In this context, AUM shall mean the amount as certified by the Statutory Auditor of the AIF.
- b) The net-worth/value of AUM to be considered for the above purpose will be the cumulative net-worth of the Bidder/AIF or consortium members. Except in the case of AIFs, the Bidder may seek qualification on the basis of financial capability of its Affiliate(s) for the purpose of meeting the Net Worth criteria as per the RfS. In case of the Bidder being a Bidding Consortium, any Member may meet the above criteria on the basis of financial capability of its Affiliate(s). In both cases, such Affiliates shall undertake to contribute the required equity funding and performance bank guarantees in case the bidder(s) fail to do so in accordance with the RfS.
- c) Net Worth to be considered for this clause shall be the total Net Worth as calculated in

accordance with the Companies Act, 2013. AUM or investible funds to be considered under this clause will be calculated in accordance with applicable SEBI (AIF) Regulations.

39.2 **Liquidity**

In order to ascertain that the Bidder has sufficient means to manage the fund requirements for the Project, the Bidder shall be required to demonstrate the following parameter:

- a) A minimum average annual turnover of INR 2,92,00,000 / MW of the quoted capacity in MW (i.e. INR 73,00,000 / MWH of the MWH capacity), during the preceding three (3) financial years prior to the date of techno-commercial bid opening. It is hereby clarified that "Other Income" as indicated in the annual accounts of the Bidder shall not be considered for arriving at the annual turnover.

- 39.3 Except for AIFs, the Bidder may seek qualification on the basis of financial capability of its Affiliate(s) for the purpose of meeting the qualification requirements as per Clauses 39.1 and 39.2 above. In case of the Bidder being a Bidding Consortium, any Member (except an AIF) may seek qualification on the basis of financial capability of its Affiliate(s). In such cases, the Bidder shall be required to submit Board Resolutions from the respective Affiliate(s), undertaking to contribute the required equity funding and Performance Bank Guarantees/POI in case the Bidder(s) fail to do so in accordance with the RfS. In case of non-availability of the Board Resolution as required above, a letter from the CEO/ Managing Director of the respective Affiliate(s), undertaking the above, shall be required to be submitted along with bid and the requisite Board Resolution from the Affiliate(s) shall be required to be submitted prior to signing of BESPAs.

"Note: In case bidder is seeking qualification on the basis of financial capability of its Affiliate(s) for the purpose of meeting the qualification requirements, only standalone Financial Statement of Affiliate(s) would be considered."

- 39.4 For the purposes of meeting financial requirements, only latest unconsolidated audited annual accounts shall be used. However, audited consolidated annual accounts of the Bidder may be used for the purpose of financial requirements, provided the Bidder has at least twenty six percent (26%) equity in each Company whose accounts are merged in the audited consolidated account.
- 39.5 A Company/Consortium would be required to submit annual standalone audited accounts for the last three financial years prior to the last date of bid submission, along with net worth, annual turnover and PBDIT certificate (as applicable) from a practicing Chartered Accountant/ Statutory Auditor to demonstrate fulfillment of the criteria. In case of foreign companies, the Bidders shall be required to submit the annual standalone audited accounts for the last three respective financial year as per the general norm in the country where the Bidder or its Affiliate(s) is/ are located, or provisional accounts in the preceding three (3) financial years as on the date of techno-commercial bid opening.

Note: In case of foreign Bidders, in the event the Bidder is unable to furnish the audited annual accounts for the previous financial year as per the prevalent norm in the respective country, the Bidder shall submit the annual audited accounts of the last financial year for which the audited accounts are available. This, however, would be acceptable, subject to the condition that the last date of response to this RfS falls on or within the deadline for completion of audit of annual accounts of companies, as stipulated by the laws/rules of the respective country, and the Bidder shall submit the corresponding documentary evidence against the same. In case the annual accounts or provisional accounts as on the date of techno-commercial bid opening, are submitted in a language other than English, a certified English translation from an approved translator shall be required to be submitted by the Bidder.

- 39.6 For meeting the above financial eligibility criteria, if the data is provided by the Bidder in a foreign currency, equivalent Indian Rupees of Net Worth and other financial parameters will be calculated by the Bidder using Reserve Bank of India's reference rates prevailing on the date of closing of the accounts for the respective financial year.
- 39.7 In case of any currency for which RBI reference rate is not available, Bidders shall convert such currency into USD as per the exchange rates certified by their banker prevailing on the relevant date and used for such conversion. After such conversion, the Bidder shall follow the procedure/ submit document as elaborated in Clause 39.6 above.
- 39.8 In case the bidder has participated under Clause 39.1 (iv) i.e. Consortium, then the financial requirement (both the Net-Worth and Liquidity requirements) to be met by each Member of the Consortium shall be computed in proportion to the equity commitment made by each of them in the Project Company. For example, if two companies A and B form a Consortium with equity participation in 70:30 ratio and submit their bid for a capacity of 500 MWh (125 MW x 4 hrs), then, total Net-Worth to be met by the Consortium is Rs. 88.00 Lakh x 125 MW = Rs. 110.00 Crores. The minimum requirement of Net-Worth to be met by Lead Member A would be minimum Rs. 77.00 Crores and to be met by Consortium Member B would be Rs. 33.00 Crores. Similar methodology shall be followed for computation of liquidity requirement.
- 39.9 For the purpose of meeting the technical and financial eligibility criteria, the Bidder may also use credentials of those companies having equal to or less than 50% shareholding in the bidding company, subject to the following:
- The qualification criteria parameters will be met proportionately to the equity contribution of the entity whose credentials are being used to meet the requirement. For example, in case of Net Worth requirement being Rs 110 Crore and the strength of a company is used which owns 30% of the total shareholding in the bidder, the said company should be able to meet up to Rs 33 Crore of the Net Worth.
 - In case the strength of the company is being used for meeting the eligibility criteria, the shareholding pattern of the respective company will be locked-in up to COD of the Project.

General Notes:

If the Bidder is seeking qualification on the basis of financial capability of its Affiliate(s), net worth of all such affiliate(s) shall be positive for preceding three financial years prior to the

RfS for Procurement of 125 MW/500 MWh BESS in Chhattisgarh with VGF under Tariff-based Global Competitive Bidding	RfS No. <u>NVVN/C&M/BESS-05/2025-26</u> <u>Dated 01.12.2025</u>	Page 52 of 136
---	--	----------------

date of Techno-commercial bid opening. In case of the Bidder being a Bidding Consortium, net worth of all the Members shall be positive for preceding three financial years prior to the date of Techno-commercial bid opening

In case where audited results for the last financial year prior to the date of Techno Commercial Bid Opening are not available, the financial results certified by a practicing Chartered Accountant/ Statutory Auditor along with net worth, annual turnover and PBDIT certificate (as applicable) from a practicing Chartered Accountant/ Statutory Auditor shall be considered acceptable. In case the Bidder/ Affiliate(s) is not able to submit the financial results certified by practicing Chartered Accountant/ Statutory Auditor, the audited result of the financial year preceding the last financial year as on the date of techno-commercial bid opening along with net worth, annual turnover and PBDIT certificate (as applicable) for that year from a practicing Chartered Accountant/ Statutory Auditor shall be considered for evaluating financial parameters.

Further, a certificate would be required from the CEO/CFO as per the format enclosed in the bidding documents stating that the financial results of the company for the last financial year as on date of Techno Commercial Bid Opening are under audit and the Certificate from a practicing Chartered Accountant certifying the financial parameters is not available.

In case, the Bidder is seeking qualification on the basis of financial capability of Affiliate(s) as per Clause 39.3, a certificate would be required from the CEO/CFO of the such Affiliate(s) as per the format enclosed in the bidding documents stating that the financial results of the company for the last financial year as on date of Techno Commercial Bid Opening are under audit and the Certificate from a practicing Chartered Accountant certifying the financial parameters is not available.

SECTION 4. BID EVALUATION AND SELECTION OF PROJECTS

40 **Bid Evaluation**

Bid evaluation will be carried out considering the information furnished by Bidders as per provisions of this RfS. The detailed evaluation procedure and selection of bidders are described in subsequent clauses in this Section.

41 **Techno-Commercial Evaluation of Bidders (Step 1)**

- 41.1 The first envelope (Technical Bid submitted online) of only those bidders will be opened by NVVN whose required documents as mentioned at Clause 30 of the RfS are received by the NVVN. Bid opening (online) will be done only after the deadline for submission of Bank Guarantee (if applicable) and/or DDs/Pay order against Cost of RfS document and Bid Processing Fee.

For e.g., if the bid submission deadline is 18:00 hrs on 05.11.2025, the online bid opening will be conducted on 06.11.2025. In case of the above deadline being a holiday, the bids will be opened on the next working day.

- 41.2 Subject to Clause 29 of the RfS, NVVN will examine all the documents submitted by the Bidders and ascertain meeting of eligibility conditions prescribed in the RfS. During the examination of the bids, NVVN may seek clarifications/additional documents to the documents submitted etc. from the Bidders if required to satisfy themselves for meeting the eligibility conditions by the Bidders. Bidders shall be required to respond to any clarifications/additional documents sought by the NVVN within 07 (seven) days from the date of such intimation from the NVVN. All correspondence in this regard shall be made through email / (<https://www.bharat-electronictender.com>) only. It shall be the responsibility of the Bidder to ensure that the email id of the authorized signatory of the Bidder is functional. The Bidder may provide an additional email id of the authorized signatory in the covering letter. No reminders in this case shall be sent. It shall be the sole responsibility of the Bidders to remove all the discrepancies and furnish additional documents as requested. NVVN shall not be responsible for rejection of any bid on account of the above.
- 41.3 The response to RfS submitted by the Bidder shall be scrutinized to establish Techno-Commercial eligibility as per the RfS.

42 **Financial Bid Evaluation (Step 2)**

- 42.1 In this step evaluations of Techno-Commercially Qualified Bids shall be done based on the Storage Tariff, or the "First Round Tariff", quoted by the Bidder in the Financial Bid. After this step, the shortlisted bidders shall be invited for the Reverse Auction. **The "tariff" in this section, will refer to the Storage Tariff quoted by the bidders.**
- 42.2 Second Envelope (containing First Round Tariff) of only those bidders shall be opened whose technical bids are found to be qualified as per the RfS.
- 42.3 The Bidder including its Parent, Affiliate or Ultimate Parent or any Group Company will have to submit a single bid (single application) quoting a single tariff (**Storage Tariff**) in Indian Rupee per MW for all the Projects applied for. **The tariff has to be quoted in Indian Rupee per kWh (with two decimal places allowed).** If it is quoted with more than two decimal places, the digits after the second decimal places shall be ignored. (For e.g. if the quoted tariff is INR 3.456/kWh, then it shall be considered as INR 3.45/kWh).

- 42.4 In this step, evaluation will be carried out based on tariff quoted by the Bidders.
- 42.5 On completion of Techno-Commercial bid evaluation, if it is found that only one or two Bidder(s) is/are eligible for the next stage, opening of the financial bid of the Bidder(s) will be at the discretion of NVVN. Thereafter, NVVN will take appropriate action as deemed fit.
- 42.6 If the first-round tariff quoted is same for two or more Bidders, then all the Bidders with same tariff shall be considered of equal rank/ standing in the order.
- 42.7 All Bidders with same tariff shall be eligible for reverse auction round (provided their rank is equal to or less than n^{th} Bidder as mentioned in Clause 43.2 of the RfS).
- 42.8 Ranking of bidders after Financial Bid Evaluation: Following illustrates an example of ranking of bidders after financial bid opening and evaluation

Bidder	Submitted Financial Bid	Ranking
B1	₹ 3.32 (Tariff in ₹/ kWh)	L1
B2	₹ 3.34 (Tariff in ₹/ kWh)	L2
B3	₹ 3.35 (Tariff in ₹/ kWh)	L3
B4	₹ 3.35 (Tariff in ₹/ kWh)	L3
B5	₹ 3.39 (Tariff in ₹/ kWh)	L4
B6	₹ 3.60 (Tariff in ₹/ kWh)	L5
B7	₹ 3.65 (Tariff in ₹/ kWh)	L6
B8	₹ 3.70 (Tariff in ₹/ kWh)	L7
B9	₹ 3.75 (Tariff in ₹/ kWh)	L8

43 Reverse Auction (Step 3)

- 43.1 The reverse auction for the total tendered capacity shall be conducted on the portal <https://www.bharat-electronictender.com>, on the day as intimated by NVVN to the eligible Bidders.
- 43.2 Subsequent to opening of financial bid, Bidder quoting Highest rate ("H1" Bidder) shall be eliminated. However, if total number of bidders whose financial bid has been opened is less than equal to 4, no bidder shall be eliminated at this stage.

Note:

(a) In case more than one bidder is ranked as "H1" bidder, i.e. such bidders are at the same tariff, all such bidders will be eliminated at this stage, provided that the remaining number of bidders considered for RA after elimination shall be at least 4.

At least one day prior to reverse auction, an advance intimation regarding the date and time of the reverse auction will be sent by e-mail to all the bidders whose technical bids have been opened and are found to be qualified. However, from this advance intimation it shall not be construed by the bidders that they have been shortlisted for Reverse Auction Further, at least two hours before the scheduled start time of Reverse Auction, a system generated email for invitation for Reverse Auction will be sent to all those bidders only who have been shortlisted

based on the criteria mentioned at Clause 43.2 above.

- 43.3 Shortlisted bidders for Reverse Auction will be able to login into the <https://www.bharat-electronictender.com> of reverse auction 15 minutes before the start time of reverse auction.
- During the 15 minutes prior to start of reverse auction process, the respective tariff of the bidder shall be displayed on its window.
 - The minimum decrement value for tariff shall be INR 0.01 per kWh. The Bidder can mention its revised discounted tariff which has to be at least 01 (one) paisa less than its current tariff.
 - Bidders can only quote any value lower than their previous quoted tariff taking into consideration the minimum decrement value mentioned in the previous clause. However, at any stage, increase in tariff will not be permissible. Bidders can improve their ranking by quoting the tariff lower than their last quoted tariff.
 - During reverse auction, the Bidder shall not have the option of changing the total project capacity while quoting tariff during reverse auction.
 - In the bidder's bidding window, the following information can be viewed by the bidder:
 - Its tariff as the initial start price and there after last quoted tariff along with the project capacity for which the Bidder is qualified.
 - The list of all the Bidders with their following details: Pseudo Identity, last quoted tariff and project capacity
 - The initial auction period will be of 30 (thirty) minutes with a provision of auto extension by 8 (eight) minutes from the scheduled/ extended closing time. If any Bidder beats the L1 price in last eight minutes of auction period or extended auction period. If no such valid bid which is less than the instant L1 bid is received during last eight minutes of auction period or extended auction period, then the reverse auction process will get closed.

44 Selection of Successful Bidders

- 44.1 Subsequent to conclusion of the e-RA process, the lowest quoting Bidder after reverse auction for the Project will be selected as Successful Bidder.
- 44.2 Time stamping- In case of a tie among two or more Bidders (i.e. their last quoted tariff being the same), they will be considered in the chronological order of their last quoted tariff during the e-RA with preference to be given to that Bidder who has quoted his last tariff during the e-RA, earlier than others.
- In the above case, if the time of quote also becomes exactly same among the Bidders at a tie, then the ranking among these Bidders shall be done as follows:
 - Step 1: Highest rank (i.e. L1) will be given to the Bidder who has quoted the lowest in Financial Bid (Electronic Form) and so on. If there is also a tie among any of these bidders, then the following step (Step 2) will be followed.
 - Step 2: Ranking will be done based on draw of lots.

45 Issuance of LoAs

- At the end of the selection process, a Letter of Award (LoA) will be issued to the successful Bidders for the Project. In case of a Consortium being selected as the successful Bidder, the

RfS for Procurement of 125 MW/500 MWh BESS in Chhattisgarh with VGF under Tariff-based Global Competitive Bidding	RfS No. <u>NVVN/C&M/BESS-05/2025-26</u> Dated <u>01.12.2025</u>	Page 56 of 136
---	--	----------------

LoA shall be issued to the Lead Member of the Consortium.

- b) In case CSPDCL is not satisfied with the rates/ tariffs as discovered after the bidding process, CSPDCL reserve the right to annul the bid process without any financial implications to any of the parties concerned.
- c) In all cases, CSPDCL's/ NVVN's decision regarding selection of Bidder through Reverse Auction or other- wise based on tariff or annulment of tender process shall be final and binding on all participating bidders.
- d) The BESPA signing date shall be within one month from the date of issuance of LoA or any other extended date as mutually agreed between CSPDCL and the successful bidder. In case of delay in signing of BESPA beyond 6 months from the date of issuance of LoAs, or any other extended date as mutually agreed between CSPDCL and the successful bidder, the successful bidder may choose to exit from this tender. Accordingly, the LoA issued to the respective Bidder shall stand cancelled.
- e) Adoption of tariff identified through this tender is subjected to approval of Hon'ble CSERC. In case of non-approval from CSERC, no parties shall be liable in any manner.

46 GOVERNING LAW AND DISPUTE RESOLUTION

46.1 Governing Law

This Agreement shall be governed by and construed in accordance with the Laws of India. Any legal proceedings in respect of any matters, claims or disputes under this Agreement shall be under the jurisdiction of appropriate courts in Chhattisgarh.

46.2 Amicable Settlement and Dispute Resolution

46.2.1 Amicable Settlement

- i. Either Party is entitled to raise any claim, dispute or difference of whatever nature arising under, out of or in connection with this Agreement ("Dispute") by giving a written notice (Dispute Notice) to the other Party, which shall contain:
 - (a) a description of the Dispute;
 - (b) the grounds for such Dispute; and
 - (c) all written material in support of its claim.
- ii. The other Party shall, within thirty (30) days of issue of Dispute Notice issued under Article 16.2.1(i), furnish:
 - (a) counter-claim and defences, if any, regarding the Dispute; and
 - (b) all written material in support of its defences and counter-claim.
- iii. Within thirty (30) days of issue of Dispute Notice by any Party pursuant to Article 16
 - (i) if the other Party does not furnish any counter claim or defence under Article 16
 - (ii) or thirty (30) days from the date of furnishing counter claims or defence by the other Party, both the Parties to the Dispute shall meet to settle such Dispute amicably. If the Parties fail to resolve the Dispute amicably within thirty (30) days from the later

of the dates mentioned in this Article 16.2.1.

(iii) the Dispute shall be referred for dispute resolution in accordance with Article 16.3.

46.2.2 Dispute Resolution

Dispute Resolution by the Appropriate Commission

- i) Where any Dispute or differences arises in relation to this agreement of any nature whatsoever including the construction, interpretation or implementation of the provisions of this agreement as well as claim made by any Party for any change in or determination of the Tariff or any matter related to Tariff or claims made by any Party which partly or wholly relate to any change in the Tariff or determination of any of such claims could result in change in the Tariff, and relates to any matter agreed to be referred to the Appropriate Commission, shall be submitted to adjudication by the Appropriate Commission. Appeal against the decisions of the Appropriate Commission shall be made only as per the provisions of the Electricity Act, 2003, as amended from time to time.
- ii) If the Parties are unable to resolve the dispute or difference through mutual consultation, and if the dispute is not within the jurisdiction of the Appropriate Commission, the Parties shall adhere to the Dispute Resolution Procedures outlined in Annexure 'E'.

SECTION 5. DEFINITIONS OF TERMS

47 *Following terms used in the documents will carry the meaning and interpretations as described below:*

- 47.1 **"ACT" or "ELECTRICITY ACT, 2003"** shall mean the Electricity Act, 2003 and include any modifications, amendments and substitution from time to time.
- 47.2 **"AFFILIATE"** shall mean a company that, directly or indirectly,
- i. controls, or
 - ii. is controlled by, or
 - iii. is under common control with, a company developing a Project or a Member in a Consortium developing the Project and control means ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such company or right to appoint majority Directors.
- 47.3 **"APPROPRIATE COMMISSION"** shall mean the Chhattisgarh State Electricity Regulatory Commission and as defined in the BESPA.
- 47.4 **"AVAILABILITY"** shall mean as defined in Clause 8 of the RfS.
- 47.5 **"APPC" or "Average Power Purchase Cost"** during a year means the weighted average cost of the power purchased by CSPDCL Ltd including the cost of self-generation by CSPDCL Ltd.
- 47.6 **"Authorised Representative"** of the Procurer: shall mean 'NTPC Vidyut Vyapar Nigam Limited' or 'NVVN' the agency carrying out the tendering / bidding process shall be deemed to be the Authorized Representative of the 'Procurer' or 'Buying Entity' or 'CSPDCL' and will on behalf of the Procurer be responsible for fulfilling all the obligations imposed on the 'Procurer' during the bidding phase, in accordance with these Guidelines.
- 47.7 **"BATTERY ENERGY STORAGE SYSTEMS" or "BESS"** shall mean the system(s)/projects utilizing methods and technologies such as electrochemical batteries (Lead Acid, Li-ion, solid state batteries, flow batteries, etc.), providing a facility that can store chemical energy and deliver the stored energy in the form of electricity, including but not limited to ancillary facilities (grid support, for example). Such systems may be co-located with RE Generating Stations, or may be operated on stand-alone basis.
- 47.8 **"BATTERY ENERGY STORAGE SYSTEM DEVELOPER" or "BESSD" or "DEVELOPER" or "PROJECT DEVELOPER" or "DEVELOPER"** shall mean the entity owning/operating the BESS facility for supply of power under the BESPA, and shall refer to the Bidding Company or a Bidding Consortium participating in the bid and having been selected and allocated a Project capacity by CSPDCL (through a competitive bidding process), including the SPV formed by the selected bidder/ consortium for the purpose of setting up of the Project and signing of BESPA with CSPDCL.
- 47.9 **"BATTERY ENERGY STORAGE PURCHASE AGREEMENT" or "BESPA"** shall mean the agreement signed between the Selected Bidder/BESSD and CSPDCL according for procurement of capacity from the BESS, as per the terms and conditions of the standard BESPA enclosed with this RfS.
- 47.10 **"BID" or "PROPOSAL"** shall mean the documents submitted by the Bidder towards meeting

the techno-commercial and financial qualifying requirements, along with the price bid submitted by the Bidder as part of its response to the RfS issued by NVVN as Authorized Representative of CSPDCL.

- 47.11 **“BIDDER”** shall mean Bidding Company (including a foreign company) or a Bidding Consortium submitting the Bid. Any reference to the Bidder includes Bidding Company/ Bidding Consortium, Member of a Bidding Consortium including its successors, executors and permitted assigns and Lead Member of the Bidding Consortium jointly and severally, as the context may require; foreign companies participating in the bidding process shall be registered as companies as per the rules of their country of origin.
- 47.12 **“BIDDING CONSORTIUM”** or **“CONSORTIUM”** shall refer to a group of Companies that collectively submit the response in accordance with the provisions of this RfS under a Consortium Agreement.
- 47.13 **“BID CAPACITY”** shall mean aggregate project capacity of the Battery Energy Storage System(s) as proposed by the Bidder.
- 47.14 **“BUYING ENTITY”** or “Buying Utility” or “Discom” or **“END PROCURER”** shall mean Chhattisgarh State Power Distribution Co. Ltd. (CSPDCL).
- 47.15 **“CHARTERED ACCOUNTANT”** shall mean a person practicing in India or a firm whereof all the partners practicing in India as a Chartered Accountant(s) within the meaning of the Chartered Accountants Act, 1949.

For bidders incorporated in countries other than India, “Chartered Accountant” shall mean a person or a firm practicing in the respective country and designated/ registered under the corresponding Statutes/ laws of the respective country.

- 47.16 **“COMPANY”** shall mean a body corporate incorporated in India under the Companies Act, 2013 or any law in India prior thereto relating to Companies, as applicable.
- 47.17 **“COMMERCIAL OPERATION DATE (COD)”** shall mean the date as defined in Clause 24 of the RfS.
- 47.18 **“CONTRACTED CAPACITY”** or the **“PROJECT CAPACITY”** shall mean the capacity in MW/MWh (“X” MW x 4 hrs) contracted with CSPDCL for providing Energy storage facility to the Procurer for charging and discharging the system on “on-demand” basis, based on which the BESPA is executed with CSPDCL.
- 47.19 **“CONTRACT YEAR”** shall mean the period beginning from the Effective Date of the BESPA and ending on the immediately succeeding 31st March and thereafter each period of 12 months beginning on 1st April and ending on 31st March provided that:
- a. in the financial year in which the Scheduled Commissioning Date would occur, the Contract Year shall end on the date immediately before the Scheduled Commissioning Date and a new Contract Year shall commence once again from the Scheduled Commissioning Date and end on the immediately succeeding 31st March, and thereafter each period of 12 (Twelve) Months commencing on 1st April and ending on 31st March, and

b. provided further that the last Contract Year of this Agreement shall end on the last day of the Term of this Agreement.

47.20 **“CONTROL”** shall mean the ownership, directly or indirectly, of more than 50% (fifty percent) of the voting shares of such Company or right to appoint majority Directors.

47.21 **“CONTROLLING SHAREHOLDING”** shall mean more than 50% of the voting rights and paid up share capital in the Company/ Consortium.

47.22 **“CENTRAL TRANSMISSION UTILITY (CTU)”** shall mean the Central Transmission Utility as defined in sub-section (10) of section 2 of the Electricity Act 2003.

47.23 **“DAY”** shall mean calendar day.

47.24 **“Declared Capacity”** – shall mean the amount of electricity (in MW) that the BESS is capable of delivering, as declared by the BESSD for each 15 minute Time Block on Day ahead basis

47.25 **“EFFECTIVE DATE”** shall mean the date as on 30 days from the date of issue of LoA, or the date of signing of BESPA, whichever is later (for example, if the date of LoA is 07.04.2025, the Effective Date will be 06.05.2025 or date of signing of BESPA, whichever is later). Subsequent to expiry of the 30 -day period after the issuance of LoA, in case CSPDCL intimates to the Successful Bidder, a particular date as the date for signing of BESPA, the specified date shall become the Effective Date of the BESPA, irrespective of the date of signing of BESPA.

47.26 **“EQUITY”** shall mean Net Worth as defined in Companies Act, 2013.

47.27 **“FINANCIAL CLOSURE”** or **“PROJECT FINANCING ARRANGEMENTS”** means arrangement of necessary funds by the BESSD towards 100% Project Cost either by way of commitment of funds by the Company from its internal resources and/or tie up of funds through a bank/ financial institution by way of sanction of a loan or letter agreeing to finance;

47.28 **“GUIDELINES”** shall mean “Guidelines for Procurement and Utilization of Battery Energy Storage Systems as part of Generation, Transmission and Distribution assets, along with Ancillary Services” issued by Ministry of Power vide Gazette Resolution dated 10.03.2022, including subsequent amendments and clarification thereof, if any, issued until the last date of bid submission of this RfS.

47.29 **“GROUP COMPANY”** of a Company means

- a. a Company which, directly or indirectly, holds 10% (Ten Percent) or more of the share capital of the Company or;
- b. a Company in which the Company, directly or indirectly, holds 10% (Ten Percent) or more of the share capital of such Company or;
- c. a Company in which the Company, directly or indirectly, has the power to direct or cause to be directed the management and policies of such Company whether through the ownership of securities or agreement or any other arrangement or otherwise or;
- d. a Company which, directly or indirectly, has the power to direct or cause to be directed the management and policies of the Company whether through the ownership of securities or agreement or any other arrangement or otherwise or;
- e. a Company which is under common control with the Company, and control means ownership by one Company of at least 10% (Ten Percent) of the share capital of the other

Company or power to direct or cause to be directed the management and policies of such Company whether through the ownership of securities or agreement or any other arrangement or otherwise;

Provided that entities which have Government shareholding, financial institution, scheduled bank, foreign institutional investor, Non-Banking Financial Company, and any mutual fund, pension funds and sovereign funds shall not be deemed to be Group Company, and its shareholding and the power to direct or cause to be directed the management and policies of a Company shall not be considered for the purposes of this definition unless it is the Project Company or a Member of the Consortium developing the Project.

47.30 **“ISTS”** shall mean Inter-State Transmission System.

47.31 **“InSTS”** shall mean Intra-State Transmission System

47.32 **“INTER-CONNECTION POINT/ DELIVERY/ METERING POINT”** shall mean a single point at the substation of Chhattisgarh State Power Distribution Company Limited, at the voltage level of 220 kV, where the power from the Project(s) is injected into the grid (including the dedicated transmission line connecting the Projects with the substation system) as specified in the RfS document. Metering shall be done at this interconnection point where the power is injected into or drawn from. For interconnection with grid and metering, the BESSDs shall abide by the relevant CERC/ CSERC Regulations, Grid Code and Central Electricity Authority (Installation and Operation of Meters) Regulations, 2014 or equivalent CSERC Grid Connectivity and Intra-state Open Access Regulations, 2013 as amended and revised from time to time.

47.33 **“JOINT CONTROL”** shall mean a situation where a company has multiple promoters (but none of the shareholders has more than 50% of voting rights and paid up share capital).

47.34 **“LEAD MEMBER OF THE BIDDING CONSORTIUM”** or **“LEAD MEMBER”**: There shall be only one Lead Member, having the shareholding of not less 51% in the Bidding Consortium.

Note: The shareholding of the Lead member in the Project Company (Special Purpose Vehicle) cannot be changed till 01 (one) year after the Commercial Operation Date (COD) of the Project.

47.35 **“LETTER OF AWARD”** or **“LoA”** shall mean the letter issued by CSPDCL to the selected Bidder for award of the Project.

47.36 **“LIMITED LIABILITY PARTNERSHIP”** or **“LLP”** shall mean a Company governed by Limited Liability Partnership Act 2008 or as amended.

47.37 **“LLC”** shall mean Limited Liability Company.

47.38 **“MEMBER IN A BIDDING CONSORTIUM”** or **“MEMBER”** shall mean each Company in a Bidding Consortium. In case of a Technology Partner being a member in the Consortium, it has to be a Company.

47.39 **“MONTH”** shall mean calendar month.

47.40 **“NET-WORTH”** shall mean the Net-Worth as defined section 2 of the Companies Act, 2013.

47.41 **“PAID-UP SHARE CAPITAL”** shall mean the paid-up share capital as defined in Section 2 of the Companies Act, 2013.

47.42 **“PARENT”** shall mean a Company, which holds more than 50% voting rights and paid up share capital, either directly or indirectly in the Project Company or a Member in a

Consortium developing the Project.

- 47.43 **“PROJECT”** shall mean the Battery Energy Storage System set up by the BESSD for supply of Power on an “on Demand” basis, having single point of injection/drawl into/from the grid at Interconnection/ Delivery/ Metering Point, or in case of sharing of transmission lines, by separate injection at Pooling Point and having separate control systems and metering. The Project shall also comprise auxiliaries and associated facilities, bay(s) for transmission system in the their switchyard, dedicated transmission line up to the injection point and all the other assets, buildings/structures, equipment, plant and machinery (pertaining to the BESS), facilities and related assets required for the efficient and economic operation of the power supply facility, whether completed or at any stage of development and construction or intended to be developed and constructed for the purpose of supply of power to CSPDCL.
- 47.44 **“PROJECT CAPACITY”** shall mean the maximum AC capacity at the Delivery Point that can be scheduled on which the BESPA shall be signed;
- 47.45 **“PROJECT COMMISSIONING”**: The Project will be considered as commissioned in line with the Commissioning procedure defined in the RfS/BESPA and upon certification thereof by CSPDCL.
- 47.46 **“PROJECT LOCATION”** shall mean the area identified by the BESSD, comprising village(s), Tehsil(s)/Taluk(s) and District(s) within Chhattisgarh, where the Project is being implemented.
- 47.47 **“POWER ON DEMAND”** shall mean the requirement of the Buying Entity to charge and discharge the BESS based on its requirements during the time of day, subject to provisions of the RfS and BESPA.
- 47.48 **“RENEWABLE ENERGY (RE) POWER”** shall mean power from a RE Power generation facility.
- 47.49 **“RfS” or “RfS DOCUMENT” or “BIDDING DOCUMENT(S)” or “TENDER DOOCUMENTS”** shall mean the “Request for Selection” document issued by NVVN, acting as Authorised Representative of CSPDCL, including standard Battery Energy Storage Purchase Agreement, along with subsequent clarifications and amendments thereof, vide RfS No. _____ dated _____.
- 47.50 **“SCHEDULED COMMISSIONING DATE” or “SCD”** shall be the date as indicated in Clause 9 of the RfS.
- 47.51 **“SELECTED BIDDER” or “SUCCESSFUL BIDDER”** shall mean the Bidder selected pursuant to this RfS to set up the Project and supply electrical output as per the terms of BESPA.

- 47.52 **“STATE TRANSMISSION UTILITY”** or **“STU”** shall mean Chhattisgarh State Power Distribution Co. Ltd.
- 47.53 **“STATUOTORY AUDITOR”** shall mean the auditor appointed under the provisions of the Companies Act, 1956 / Companies Act, 2013 (as the case may be) or under the provisions of any other applicable governing law
- 47.54 **“TOE”** shall mean Tender Opening Event.
- 47.55 **“TIME BLOCK”** – shall refer to a 15-minute interval for which electrical parameters and quantities are recorded by special energy meters in Indian Power Grid.
- 47.56 **“ULTIMATE PARENT”** shall mean a Company, which owns more than 50% (Fifty Percent) voting rights and paid up share capital, either directly or indirectly in the Parent and Affiliates;
- 47.57 **“WEEK”** shall mean calendar week;

SECTION 6. SAMPLE FORMS & FORMATS FOR BID SUBMISSION

The following formats are required to be submitted as part of the RfS. These formats are designed to demonstrate the Bidder's compliance with the Qualification Requirements set forth in Section 4 and other submission requirements specified in the RfS.

Format 7.1

COVERING LETTER

NVVN Limited

Sub: Response to RfS No. dated for (Insert title of the RfS)

Dear Sir/ Madam,

We, the undersigned [insert name of the 'Bidder'] having read, examined and understood in detail the RfS including Qualification Requirements in particular, terms and conditions of the standard BESPA for availability of Contracted Capacity for the Term of the BESPA to the Intermediary Procurer, hereby submit our response to RfS.

We confirm that in response to the aforesaid RfS, neither we nor any of our Ultimate Parent Company/ Parent Company/ Affiliate/ Group Company has submitted response to RfS other than this response to RfS, directly or indirectly, in response to the aforesaid RfS (as mentioned in Format 7.8 under Disclosure) **OR** We confirm that in the response to the aforesaid RfS, we have a Group Company who owns more than 10% but less than 26% in the bidding company as well as other companies who may participate in this RfS, and accordingly, we have submitted requisite undertaking as per Format 7.8A in this regard [strike out whichever not applicable].

We also confirm that we including our Ultimate Parent Company/ Parent Company/ Affiliate/ Group Companies directly or indirectly have not submitted response to RfS for more than cumulative capacity of __MW/ __MWh (to be specified as ½ of the tendered capacity) , including this response to RfS.

We are submitting response to RfS for the development of following Project(s) [strike out one of the projects if not applicable]: -

Project capacity (MW/MWh)	Interconnection Point Details	Project Preference*	Total Area of the Project

--	--	--	--

**The preferences of the Projects shall be considered only for the last successful bidder whose total quoted capacity is more than the balance capacity. In this case, allocation will be done as described in Clause 44.4 of the RfS.*

1. We give our unconditional acceptance to the RfS, dated [Insert date in dd/mm/yyyy], standard BESPA documents attached thereto, issued by NVVN on behalf of CSPDCL. In token of our acceptance to the RfS, BESPA and BESSA documents along with the amendments and clarifications issued by NVVN, the same have been digitally signed by us and enclosed with the response to RfS. We shall ensure that the BESPA is executed as per the provisions of the RfS and provisions of BESPA and shall be binding on us. Further, we confirm that the Project shall be commissioned within the deadline as per Clause 9 of the RfS. We further undertake that we shall demonstrate possession of 100% area of the identified land, within the timelines as per the RfS.
2. Earnest Money Deposit (EMD):- *(Please read Clause 17 carefully before filling)*
We have enclosed EMD of INR (Insert Amount), in the form of Bank Guarantee no..... [Insert bank guarantee number] dated [Insert date of bank guarantee] as per Format 7.3A from [Insert name of bank providing bank guarantee] and valid up to...
in terms of Clause No. 18 of this RfS. The total capacity of the BESS Project offered by us is MW/ MWh. [Insert cumulative capacity proposed]. (strike off whichever is not applicable).
3. We hereby declare that in the event our Project(s) get selected and we are not able to submit Bank Guarantee/POI of the requisite value(s) towards PBG, Consultancy Fee for the selected Projects, within due time as mentioned in Clauses 19 & 20 of this RfS on issue of LoA by CSPDCL for the selected Projects and/or we are not able to sign BESPA with Procurer within the timeline as stipulated in the RfS for the selected Projects, CSPDCL shall have the right to take action as per provisions of Format-7.3A of the RfS.
4. We have submitted our response to RfS strictly as per Section 7 (Sample Forms and Formats) of this RfS, without any deviations, conditions and without mentioning any assumptions or notes in the said Formats.
5. Acceptance: -
We hereby unconditionally and irrevocably agree and accept that the decision made by NVVN/ CSPDCL in respect of any matter regarding or arising out of the RfS shall be binding on us. We hereby expressly waive and withdraw any deviations from the provisions of the RfS and also waive and withdraw all claims in respect of this process.

We also unconditionally and irrevocably agree and accept that the decision made by CSPDCL in respect of award of Projects according to our preference order as above and in line with the provisions of the RfS, shall be binding on us.
6. Familiarity with Relevant Indian Laws, Regulations and Orders:-
We confirm that we have studied the provisions of the relevant Indian Laws, Regulations and Order issued by judicial bodies as required to enable us to submit this response to RfS and execute the BESPA, in the event of our selection as Successful Bidder.

7. In case of our selection as the Successful bidder under the scheme and the project being executed by a Special Purpose Vehicle (SPV) incorporated by us which shall be our subsidiary, we shall infuse necessary equity to the requirements of RfS. Further we will submit a Board Resolution prior to signing of BESPA with the Intermediary Procurer, committing total equity infusion in the SPV as per the provisions of RfS.
8. We are submitting our response to the RfS with formats duly signed as desired by you in the RfS online for your consideration.
9. It is confirmed that our response to the RfS is consistent with all the requirements of submission as stated in the RfS, including all clarifications and amendments and subsequent communications from NVVN.
10. The information submitted in our response to the RfS is correct to the best of our knowledge and understanding. We would be solely responsible for any errors or omissions in our response to the RfS.
11. We confirm that all the terms and conditions of our Bid are valid up to _____(*Insert date in dd/mm/yyyy*) for acceptance [i.e. a period of 12 months from the last date of submission of response to RfS].
12. Contact Person

Details of the representative to be contacted by NVVN/ CSPDCL are furnished as under:

Name :
 Designation :
 Company :
 Address :
 Phone Nos. :
 Mobile Nos. :
 Fax Nos. :
 E-mail address :

13. We have neither made any statement nor provided any information in this Bid, which to the best of our knowledge is materially inaccurate or misleading. Further, all the confirmations, declarations and representations made in our Bid are true and accurate. In case this is found to be incorrect after our selection as Successful Bidder, we agree that the same would be treated as a seller's event of default under BESPA and consequent provisions of BESPA shall apply.

Dated the _____ day of _____, 20....

Thanking you,

In case of a Consortium the respective Boards of all Consortium Members should pass the aforesaid Resolution before execution of Consortium Agreement.

Certified True Copy

(Signature, Name and Stamp of Company Secretary)

Notes:

- 1) This certified true copy should be submitted on the letterhead of the Company, signed by the Company Secretary/ Director.
- 2) The contents of the format may be suitably re-worded indicating the identity of the entity passing the resolution.
- 3) This format may be modified only to the limited extent required to comply with the local regulations and laws applicable to a foreign entity submitting this resolution. For example, reference to Companies Act, 1956 or Companies Act, 2013 as applicable may be suitably modified to refer to the law applicable to the entity submitting the resolution. However, in such case, the foreign entity shall submit an unqualified opinion issued by the legal counsel of such foreign entity, stating that the Board resolutions are in compliance with the applicable laws of the respective jurisdictions of the issuing Company and the authorizations granted therein are true and valid.

FORMAT FOR CONSORTIUM AGREEMENT

(To be stamped in accordance with Stamp Act, the Non-Judicial Stamp Paper of Appropriate Value)

THIS Consortium Agreement ("Agreement") executed on this __ Day of _____ Two Thousand __ between M/s _____ [*Insert name of Lead Member*] a Company incorporated under the laws of _____ and having its Registered Office at _____ (hereinafter called the "**Member-1**", which expression shall include its successors, executors and permitted assigns) and M/s _____ a Company incorporated under the laws of _____ and having its Registered Office at _____ (hereinafter called the "**Member-2**", which expression shall include its successors, executors and permitted assigns), M/s _____ a Company incorporated under the laws of _____ and having its Registered Office at _____ (hereinafter called the "**Member-n**", which expression shall include its successors, executors and permitted assigns), [*The Bidding Consortium should list the details of all the Consortium Members*] for the purpose of submitting response to RfS and execution of Battery Energy Storage Purchase Agreement (in case of award), against RfS No. _____ dated _____ issued by NTPC Vidyut Vyapar Nigam Limited (the Authorised Representative) a Company incorporated under the Companies Act, 2013, and having its Registered Office at _____.

WHEREAS, each Member individually shall be referred to as the "Member" and all of the Members shall be collectively referred to as the "Members" in this Agreement.

WHEREAS the _____ (insert name of the Procurer) desires to purchase Power under RfS for _____ (insert title of the RfS);

WHEREAS, the Authorised Representative had invited response to RfS vide its Request for Selection (RfS) dated _____

WHEREAS the RfS stipulates that in case response to RfS is being submitted by a Bidding Consortium, the Members of the Consortium will have to submit a legally enforceable Consortium Agreement in a format specified by the Authorised Representative wherein the Consortium Members have to commit equity investment of a specific percentage for the Project.

NOW THEREFORE, THIS AGREEMENT WITNESSTH AS UNDER:

In consideration of the above premises and agreements all the Members in this Bidding Consortium do hereby mutually agree as follows:

1. We, the Members of the Consortium and Members to the Agreement do hereby unequivocally agree that Member-1 (M/s _____), shall act as the Lead Member as defined in the RfS for self and agent for and on behalf of Member-2, , Member-n and to submit the response to the RfS.
2. The Lead Member is hereby authorized by the Members of the Consortium and Members to the Agreement to bind the Consortium and receive instructions for and on their behalf.
3. Notwithstanding anything contrary contained in this Agreement, the Lead Member shall always be

liable for the equity investment obligations of all the Consortium Members i.e. for both its own liability as well as the liability of other Members.

4. The Lead Member shall be liable and responsible for ensuring the individual and collective commitment of each of the Members of the Consortium in discharging all of their respective equity obligations. Each Member further undertakes to be individually liable for the performance of its part of the obligations without in any way limiting the scope of collective liability envisaged in this Agreement.
5. Subject to the terms of this Agreement, the share of each Member of the Consortium in the issued equity share capital of the Project Company is/shall be in the following proportion:

Name	Percentage
Member 1	---
Member 2	---
Member n	---
Total	100%

We acknowledge that after the execution of BESPA, the controlling shareholding (having not less than 51% of the voting rights and paid up share capital) in the Project Company developing the Project shall be maintained upto COD of the Project.

6. The Lead Member, on behalf of the Consortium, shall inter alia undertake full responsibility for liaising with Lenders or through internal accruals and mobilizing debt resources for the Project, and ensuring that the Seller achieves Financial Closure in terms of the BESPA.
7. In case of any breach of any equity investment commitment by any of the Consortium Members, the Lead Member shall be liable for the consequences thereof.
8. Except as specified in the Agreement, it is agreed that sharing of responsibilities as aforesaid and equity investment obligations thereto shall not in any way be a limitation of responsibility of the Lead Member under these presents.
9. It is further specifically agreed that the financial liability for equity contribution of the Lead Member shall not be limited in any way so as to restrict or limit its liabilities. The Lead Member shall be liable irrespective of its scope of work or financial commitments.
10. This Agreement shall be construed and interpreted in accordance with the Laws of India and courts at New Delhi alone shall have the exclusive jurisdiction in all matters relating thereto and arising thereunder.
11. It is hereby further agreed that in case of being selected as the Successful Bidder, the Members do hereby agree that they shall furnish the Performance Guarantee in favour of the Procurer in terms of the RfS.
12. It is further expressly agreed that the Agreement shall be irrevocable and shall form an integral part of the Battery Energy Storage Purchase Agreement (BESPA) and shall remain valid until the expiration or early termination of the BESPA in terms thereof, unless expressly agreed to the contrary by the Procurer.

13. The Lead Member is authorized and shall be fully responsible for the accuracy and veracity of the representations and information submitted by the Members respectively from time to time in the response to RfS.
14. It is hereby expressly understood between the Members that no Member at any given point of time, may assign or delegate its rights, duties or obligations under the BESPA except with prior written consent of the Procurer.
15. This Agreement
- a) has been duly executed and delivered on behalf of each Member hereto and constitutes the legal, valid, binding and enforceable obligation of each such Member;
 - b) sets forth the entire understanding of the Members hereto with respect to the subject matter hereof; and
 - c) may not be amended or modified except in writing signed by each of the Members and with prior written consent of the Procurer.
16. All the terms used in capitals in this Agreement but not defined herein shall have the meaning as per the RfS and BESPA.

IN WITNESS WHEREOF, the Members have, through their authorized representatives, executed these present on the Day, Month and Year first mentioned above.

Dear Sir/ Madam,

We certify that the Bidding Company/Member in a Bidding Consortium is meeting the financial eligibility requirements as per the provisions of the RfS. Accordingly, the Bidder, with the support of its Affiliates, (strike out if not applicable) is fulfilling the minimum Net Worth/AUM criteria, by demonstrating a Net Worth/AUM of Rs..... Cr. (..... in words) as on the last date of Financial Year 2023-24/2022-23 or as on the date at least 7 days prior to the bid submission deadline (Strike out wherever not applicable).

This Net Worth/AUM has been calculated in accordance with instructions provided in Clause 39.1 of the RfS.

Exhibit (i): Applicable in case of Bidding Company

For the above calculations, we have considered the Net Worth/AUM by Bidding Company and/ or its Affiliate(s) as per following details:

Name of Bidding Company	Name of Affiliate(s) whose net worth is to be considered	Relationship with Bidding Company*	Net Worth/AUM (in Rs. Crore)
Company 1			
Total			

**The column for "Relationship with Bidding Company" is to be filled only in case the financial capability of Affiliate has been used for meeting Qualification Requirements. Further, documentary evidence to establish the relationship, duly certified by a practicing company secretary/ chartered accountant is required to be attached with the format.*

Exhibit (ii): Applicable in case of Bidding Consortium

(To be filled by each Member in a Bidding Consortium separately) Name of Member: *[Insert name of the Member]*

Net Worth/AUM Requirement to be met by Member in Proportion to the Equity Commitment: INR -----
---- Crore (Equity Commitment (%) * Rs. [] Crore)

For the above calculations, we have considered Net Worth/AUM by Member in Bidding Consortium and/or its Affiliate(s) per following details:

Name of Consortium Member Company	Name of Affiliate(s) whose net worth/AUM is to be considered	Relationship with Bidding Company* (If any)	Net Worth/AUM (in Rs. Crore)	Equity Commitment (in %age) in Bidding Consortium	Committed Net Worth/AUM (in Rs. Crore)
Company 1					

Total					

** The column for "Relationship with Bidding Company" is to be filled only in case the financial capability of Affiliate has been used for meeting Qualification Requirements. Further, documentary evidence to establish the relationship, duly certified by a practicing company secretary/chartered accountant is required to be attached with the format*

Further, we certify that the Bidding Company/ Member in the Bidding Consortium, with the support of its Affiliates, (strike out if not applicable) is fulfilling the minimum Annual Turnover Criteria, by demonstrating an Annual Turnover of INR _____(_____in words) as on the end of Financial Year 2023-24/2022-23 or as on the day at least 7 days prior to the bid submission deadline (choose one). (Strike out if not applicable)

Exhibit (i): Applicable in case of Bidding Company

For the above calculations, we have considered the Annual Turnover by Bidding Company and/ or its Affiliate(s) as per following details:

Name of Bidding Company	Name of Affiliate(s) whose Annual Turnover is to be considered	Relationship with Bidding Company*	Average Annual Turnover during preceding three Financial Years (In Rs. Crore)

Company 1			
Total			

**The column for "Relationship with Bidding Company" is to be filled only in case the financial capability of Affiliate has been used for meeting Qualification Requirements. Further, documentary evidence to establish the relationship, duly certified by a practicing company secretary/chartered accountant is required to be attached with the format.*

Exhibit (ii): Applicable in case of Bidding Consortium

(To be filled by each Member in a Bidding Consortium separately)

Name of Member: [Insert name of the Member]

Annual Turnover Requirement to be met by Member in Proportion to the Equity Commitment: INR -----
- Crore (Equity Commitment (%) * Rs. [] Crore)

Sub: Response to RfS No. _____ dated _____ for _____.

Dear Sir/ Madam,

We hereby undertake to certify in line with **Clause 23** under the title "Financial Closure" that the following details shall be furnished within **12 (twelve) months** from Effective Date of the BESPA.

- 1.0 Evidence of achieving complete-tie-up of the Project Cost through internal accruals or through a Financing Agency.
- 2.0 DPR of the Project, detailing out project configuration and proposed commissioning schedule of the Project.
- 3.0 Bank Guarantee for an amount equal to of the total VGF amount sanctioned for the Project. Failure or delay on our part in achieving the above conditions shall constitute sufficient grounds for actions as per the provisions of the RfS.

Dated the _____ day of _____, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

DECLARATION BY THE BIDDER FOR THE PROPOSED TECHNOLOGY TIE-UP

(To be Submitted Separately for each Project)

1	Name of Bidding Company/ Lead Member of Bidding Consortium	
3	Contracted Capacity proposedMW/.....MWh
4	Technology Proposed to be adopted for the Project	(Brief about the technology proposed)

Dated the _____ day of _____, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

INTEGRITY PACT

Between

NTPC Vidyut Vyapar Nigam Ltd (NVVN) (hereinafter referred to as "The

Authorised Representative") and

.(hereinafter referred

to as "The Bidder/Contractor ")

and

(hereinafter referred to as

"JV Partner/ Consortium Members" (if applicable)

Preamble

The Authorised Representative invites the bids from all eligible bidders and intends to enter into Contract for with the successful bidder(s), as per organizational systems and procedures. The Authorised Representative values full compliance with all relevant laws and regulations, and the principles of economical use of resources, and of fairness and transparency in its relations with its Bidder(s) and/or Contractor(s).

In order to achieve these goals, the Authorised Representative will appoint Independent External Monitor(s) (IEM), who will monitor the bidding process and the execution of the Contract for compliance with the principles mentioned above.

Section 1 Commitments of the Authorised Representative

1. The Authorised Representative Commits itself to take all measures necessary to prevent corruption and to observe the following principles in this regard:-
 - a) No employee of the Authorised Representative, either in person or through family members including relatives, will in connection with the bidding for or the execution of a Contract, demand or accept a promise for or accept for him/herself or for a third person, any material or immaterial benefit to which he/she is not legally entitled to.
 - b) The Authorised Representative shall, during the bidding process treat all Bidders with equity and reason. The Authorised Representative will, in particular, before and during the bidding process, provide to all Bidders the same information and will not provide to any Bidder confidential/additional information through which the Bidder(s) could obtain an advantage in relation to the bidding process or the Contract execution.
 - c) The Authorised Representative will exclude from the process all known prejudiced persons.
2. If the Authorised Representative obtains information on the conduct of any of its employees which is a

criminal offence under the IPC/PC Act or if there be a substantive suspicion in this regard, the Authorised Representative will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2 Commitments and Undertakings by the Bidder/Contractor

1. The Bidder/Contractor commits and undertakes to take all measures necessary to prevent malpractices & corruption. He commits himself to observe the following principles during his participation in the bidding process and during the execution of the contract:
 - a) The Bidder/ Contractor undertakes not to, directly or through any other person or firm offer, promise or give or influence to any employee of the Authorised Representative associated with the bidding process or the execution of the contract or to any third person on their behalf any material or immaterial benefit which he/she is not legally entitled, in order to obtain in exchange any advantage of any kind whatsoever during the bidding process or during the execution of the contract.
 - b) The Bidder/ Contractor undertake not to enter into any undisclosed agreement or understanding, whether formal or informal with other Bidders. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other action to restrict competitiveness or to introduce cartelization in the bidding process.
 - c) The Bidder/Contractor undertakes not to commit any offence under the relevant Anti-corruption Laws of India; further the Bidder/Contractor will not use improperly, any information or document provided by the Authorised Representative as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically for purposes of competition or personal gain and will not pass the information so acquired on to others.
 - d) The Bidder/ Contractor, when presenting his bid, undertakes to disclose any and all payments made, or is committed to or intends to make to agents, brokers or any other intermediaries in connection with the bidding process and / or award of the contract.
 - e) The Foreign Bidder/ Contractor, when presenting his bid, undertakes to disclose the name and address of agents and representative in India. Further, Indian Bidder/ Contractor when presenting his bid, undertakes to disclose the name and address of its foreign principals or associates.
2. The Bidder/ Contractor will not instigate and allure third persons/parties to commit offences outlined above or be an accessory to such offences.

Section 3 Disqualification from Bidding Process and Exclusion from Future Contracts

1. If the Bidder(s)/ Contractor(s), before award or during execution has committed a transgression through a violation of any provisions of Section 2 so as to put his reliability or credibility as Bidder into question, the Authorised Representative shall be entitled to disqualify the Bidder(s)/ Contractor(s) from the bidding process or to terminate the contract, if signed on that ground.

2. If the Bidder/ Contractor has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Authorised Representative shall be entitled to exclude including blacklist and put on holiday the Bidder/ Contractor for any future tenders/contract award process. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the Authorised Representative taking into consideration the full facts and circumstances of each case particularly taking into account the number of transgressions, the position of the transgressors within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a period not exceeding two (02) years.
3. A transgression is considered to have occurred if the Authorised Representative after due consideration of the available evidence concludes that no reasonable doubt is possible.
4. The Bidder with its free consent and without any influence agrees and undertakes to respect and uphold the Authorised Representative's absolute rights to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
5. Subject to full satisfaction of the Authorised Representative, the exclusion of Bidder/ Contractor could be revoked by the Authorised Representative if the Bidder/ Contractor can prove that he has restored/ recouped the damage caused by him and has installed a suitable corruption prevention system in his organization.

Section 4 Compensation for Damages including Forfeiture of Earnest Money Deposit/ Security Deposit/ Performance & Advance Bank Guarantees

1. If the Authorised Representative has disqualified the Bidder/ Contractor from the bidding process or has terminated the contract pursuant to Section 3, the Authorised Representative shall forfeit the Earnest Money Deposit/Bid Security, encash Contract Performance Bank Guarantees in addition to excluding the bidder from the future award process and terminating the contract.
2. In addition to 1 above, the Authorised Representative shall be entitled to take recourse to the relevant provisions of the contract related to Termination of Contract due to Contractor's Default.

Section 5 Previous Transgressions

1. The Bidder swears on oath that no previous transgression impinging on anti-corruption principles / any malpractice as mentioned in Section-2 has occurred in the last three years immediately before signing of this Integrity Pact, with any other company / any Public Sector Enterprise/ Undertaking in India / any Government Department in India.
2. If the Bidder makes incorrect statement on previous transgression as mentioned above in para 1, Bidder can be disqualified from the bidding process or the contract, if already awarded, can be terminated on this ground

Section 6 Company Code of Conduct

Bidders are also advised to have a company code of conduct (clearly rejecting the use of bribes and other unethical behaviour) and a compliance program for the implementation of the code of conduct throughout the company.

Section 7 Independent External Monitors (IEM)

1. The Authorised Representative will appoint competent and credible Independent

External Monitor for this Pact. The task of the IEMs is to review independently and objectively, whether and to

what extent the parties comply with the obligations under this agreement.

2. The IEMs are not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. He shall report to CEO of the Authorised Representative or a person authorized by him.
3. The Bidder/Contractor accepts that the IEMs have the right to access without restriction to all Project documentations of the Authorised Representative including that provided by the Contractor. The Contractor will also grant the IEMs, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his Project Documentations. The same is applicable to Subcontractors. The IEMs are under contractual obligation to treat the information and documents of the Bidder / Contractor / Sub-Contractors/ JV partners/Consortium member with confidentiality.
4. The Authorised Representative will provide to the IEMs sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Authorised Representative and the Contractor. The parties offer to the IEMs the option to participate in such meetings.
5. As soon as the IEMs notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Authorised Representative (CEO of the Authorised Representative or a person authorized by him) and request to discontinue or to take corrective action, or to take other relevant action. The IEMs can in this regard submit non-binding recommendations. Beyond this, the IEMs has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action. However, Independent External Monitor shall give an opportunity to the bidder/contractor to present its case before making its recommendations to the Authorised Representative .
6. The IEMs will submit a written report to CEO of the Authorised Representative or a person authorized by him within 30 days from the date of reference or intimation to him by the Authorised Representative and, should the occasion arise, submit proposals for correcting problematic situations.
7. The Bidder / Contractor accepts that they shall not approach courts while the matter / complaint / dispute has been referred to the IEM in terms of this pact and they shall await IEM's decision before approaching any Court.
8. If the IEMs have reported to CEO of the Authorised Representative or a person authorized by him a substantiated suspicion of an offence under relevant IPC/ PC Act, and he has not, within reasonable time, taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the IEMs may also transmit this information directly to the Central Vigilance Commissioner, Government of India.
9. The word " IEM" will include Singular or Plural.

Section 8 Pact Duration

This Pact comes into force from the date of signing by all the parties. It shall expire for the Contractor 12 months after the last payment under the respective Contract, and for all other unsuccessful bidders 6 months after the Contract has been awarded.

Section 9 Miscellaneous Provisions

1. Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
2. The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extant law in force relating to any civil or criminal proceedings.
3. If the Contractor is a JV partnership / Consortium, this agreement must be signed by all the partners of JV / Consortium Partners as the case may be.

The Parties hereby sign this Integrity Pact at on this day of 20

(Enter Address of NVVN)

Sub: Response to RfS No. _____ dated _____ for _____.

Dear Sir/ Madam,

I/ We, _____ *(Insert Name of the Bidder)* enclose herewith the Financial Proposal for selection of my/ firm for _____ number of Project(s) for a cumulative capacity of _____ MW/ _____ MWh in India as Bidder for the above.

I/We agree that this offer shall remain valid for a period of 12 months from the due date of submission of the response to RfS such further period as may be mutually agreed upon.

Dated the _____ day of _____, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/ Board Resolution/ Declaration.

Notes:

RfS for Procurement of 125 MW/500 MWh BESS in India with VGF under Tariff-based Global Competitive Bidding (ESS- 01)	RfS No. <u>NVVN/C&M/BESS-05/2025-26</u> <u>Dated 01.12.2025</u>	Page 107 of 136
--	--	-----------------

1. *There can be only one tariff for all the projects applied for. If the Bidder quotes two tariffs or combination thereof for the projects, then the bid shall be considered as non-responsive.*
2. *If the Bidder submits the financial bid not in line with the instructions mentioned therein, then the bid shall be considered as non-responsive.*
3. *Tariff requirement shall be quoted as a fixed amount in Indian Rupees only. Conditional proposal shall be summarily rejected.*
4. *In the event of any discrepancy between the values entered in figures and in words, the values entered in words shall be considered.*
5. *Tariff should be in Indian Rupee per kWh (with two decimal places allowed).*

PRELIMINARY ESTIMATE OF COST OF THE PROJECT

Project Capacity: MW/....MWh
Location:

Bidder may use any format to provide the break-up.

Dated the _____ day of _____, 20....

Thanking you,

We remain,

Yours faithfully,

Name, Designation, Seal and Signature of Authorized Person in whose name Power of Attorney/
Board Resolution/ Declaration.

CONFIRMATION OF BGs THROUGH STRUCTURED FINANCIAL MESSAGING SYSTEM (SFMS)/ SWIFT

While issuing the physical BGs, the Bidder's Bank shall also send electronic message through secure SFMS (in case of BGs issued from within India) or SWIFT (in case of BGs issued from outside India) to NVVN's Beneficiary Bank whose details are provided herein below:

(i) Bank Name: ICICI Bank Limited

(ii) Branch: CONNAUGHT PLACE BRANCH

(iii) Bank Address: 9A, PHELPS BUILDING, INNER CIRCLE, NEW DELHI-110001

(iv) IFSC Code: ICIC0000007

BG issuing/amending bank must send the BG advice in the form of message format via SFMS (Structured Financial Messaging System) as provided by RBI. The format of the message for confirmation of the BG shall be as below:

BG advising message: IFN 760COV/ IFN 767COV via SFMS

Field Number: Particulars (to be mentioned in Row 1)

7037: NVVNBG8910 (unique identifier)

**TECHNICAL AND REGULATORY REQUIREMENTS TO BE FOLLOWED FOR BATTERY
ENERGY STORAGE SYSTEMS**

1. Codes and Standards

The BESS shall comply with the following Codes and Standards or equivalent Indian Standards, as applicable.

Standard/ Code (or equivalent Indian Standards)	Description	Certification Requirements
IEC 62485-2	Safety requirements for secondary batteries and battery installations - to meet requirements on safety aspects associated with the erection, use, inspection, maintenance and disposal: Applicable for Lead Acid and NiCd / NiMH batteries	Applicable only for Lead Acid and NiCd/NiMH batteries
UL 1642 or UL 1973, Appendix E (cell) or IEC 62619 (cell) + IEC 63056 (cell)	Secondary cells and batteries containing alkaline or other non-acid electrolytes - Safety requirements for secondary lithium cells and batteries, for use in industrial applications	Required for Cell
UL 1973 (battery) or (IEC 62619 (battery) + IEC 63056 (battery))	Batteries for Use in Stationary, Vehicle Auxiliary Power and Light Electric Rail (LER) Applications / Secondary cells and batteries containing alkaline or other non-acid electrolytes - Safety requirements for secondary lithium cells and batteries, for use in industrial applications	Either UL 1642 or UL1973 or (IEC 62619 + IEC 63056) for the Battery level
IEC 62281 / UN 38.3	Safety of primary and secondary lithium cells and batteries during transport: Applicable for storage systems using Lithium Ion chemistries	Required for both Battery and Cell.
IEC 61850/ DNP3	Communications networks and management systems. (BESS control system communication)	
UL 9540 or (IEC TS 62933-5-1 + IEC 62933-5-2)	Electrical energy storage (EES) systems - Part 5-1: Safety considerations for grid-integrated EES systems – General specification / Standard for Energy Storage Systems and Equipment	Either UL9540 or (IEC 62933-5-1 + IEC 62933-5-2) is required for BESS system level
IEC 62933-2-1	Electrical energy storage (EES) systems - Part 2-1: Unit Parameters and testing methods - General Specification	Tests for Class B applications: 1. Duty Cycle Round Trip Efficiency Test 2. Equipment and Basic Function Test 3. Available energy Test 4. Insulation test

Power Conditioning Unit Standards for BESS	
IEC 62477-1	Safety requirements for power electronic converter systems and equipment - Part 1: General
IEC 62477-2	Safety requirements for power electronic converter systems and equipment - Part 2: Power electronic converters from 1 000 V AC or 1 500 V DC up to 36 kV AC or 54 kV DC
IEC 61000-6-2 Ed. 2	Electromagnetic compatibility (EMC) - Part 6-2: Generic standards - Immunity standard for industrial environments
IEC 61000-6-4 Ed. 2.1	Electromagnetic compatibility (EMC) - Part 6-4: Generic standards - Emission standard for industrial environments
IEC 62116 Ed. 2	Utility-interconnected photovoltaic inverters - Test procedure of islanding prevention measures
IEC 60068-2-1:2007	Environmental testing - Part 2-1: Tests - Test A: Cold
IEC 60068-2-2:2007	Environmental testing - Part 2-2: Tests - Test B: Dry heat
IEC 60068-2-14:2009	Environmental testing - Part 2-14: Tests - Test N: Change of temperature
IEC 60068-2-30:2005	Environmental testing - Part 2-30: Tests - Test Db: Damp heat, cyclic (12 h + 12 h cycle)

The Battery Energy Storage System:

- a) shall follow the relevant CEA/CEIG / State Electrical Inspectorate Standards and CERC/SERC Regulations
- b) shall be responsible for complying with the “First Time Energization” procedure available at Grid India website as per the IEGC Regulations 2023 (If applicable).
- c) Comply with the grid-interfacing requirements as mentioned in following standards:
 - i. IEEE Std. 2800 -2022: IEEE Standard for Interconnection and Interoperability of Inverter -Based Resources (IBRs) Interconnecting with Associated Transmission Electric Power Systems
 - ii. IEC TS 62786-1: Distributed energy resources connection with the grid – Part 1: General requirements
 - iii. IEC TS 62786-3: Distributed energy Resources connection with the

grid: Part 3, Additional requirements for stationary battery energy storage systems

Further, CEA Technical Standards for Connectivity to the Grid, Regulations 2007, Part-1 (General), Standards and Codes for Practice, mentions the following:

“

(2) The equipment including overhead lines and cables shall comply with the relevant Indian Standards, British Standard (BS), or International Electrotechnical Commission

(IEC) Standard, or American National Standards Institute (ANSI) or any other equivalent International Standard:

Provided that whenever an International Standard or International Electro technical Commission Standard is followed, necessary corrections or modifications shall be made for nominal system frequency, nominal system voltage, ambient temperature, humidity and other conditions prevailing in India before actual adoption of the said Standard.

(3) The effects of wind, storms, floods, lightening, elevation, **temperature extremes**, icing, contamination, pollution and earthquakes must be considered in the design and

operation of the connected facilities.”

The BESS, therefore, shall be designed keeping in view the ambient temperature and weather conditions prevailing at site i.e. The BESS shall be able to deliver rated performance at the extreme temperature and weather conditions at site where it is deployed.

In this regard, the procedure notified by CEA on 8th April 2024 for assessment of the “Design Temperature for RE Plants in compliance to CEA (Technical Standards for Connectivity to the Grid) Regulations” shall be followed. Same is available at: <https://cea.nic.in/whats-new/?lang=en>

2. System Testing and Commissioning

The BESS shall be commissioned as per commissioning criteria and procedures specified by the CEA.

3. Identification and Traceability

Cells/Racks/Packs Assembly shall meet seismic requirement for the plant location of the

BESS. Labelling of cells/batteries shall include manufacturer's name, cell type, name-plate rating, date of manufacture and date of expiry of parts and labour warranty.

4. Other Sub-systems/Components

Other subsystems/components used in the BESS must also conform to the relevant international/national Standards for Electrical Safety for ensuring Expected Service Life and Weather Resistance.

5. Fire Protection

The BESSD shall design and install a fire protection system that conforms to national and local codes. The fire protection system design and associated alarms shall take into account that the BESS will be unattended at most times. For high energy density technologies, the BESSD shall also obtain thermal runaway characterization of the battery storage systems. As Battery Energy Storage System is prone to fire hazard, the BESSD shall provide suitable means such as fire barrier between switchyard and BESS to avoid fire to spread from BESS to Yard equipment. The safety of the equipment / personnel related to BESS operations will be in the scope of the BESSD. CSPDCL will in no way be responsible for any loss / damage due to any fire accidents. Fire Hydrant system with approval from Fire Force Department, Chhattisgarh shall be installed in the BESS area. The BESS container area shall be fitted with High mast Thermal & Surveillance Camera and streaming of the same shall be provided at Control Room ofSub Station in BESSD's scope.

6. Authorized Test Centres

Batteries/ Power Conditioning Units deployed in the power plants must have valid test certificates for their qualification as per above specified IEC/ BIS Standards by one of the ILAC member signatory accredited laboratories. In case of module types/ BESS/equipment for which such Test facilities may not exist in India at present, test certificates from reputed ILAC Member body accredited Labs abroad will be acceptable.

7. Warranty

BESSD shall procure performance guarantees from the OEM to ensure minimum performance levels for predefined application(s) as per the terms of the RfS. The Warranty shall clearly indicate life expectancy given discharge profiles provided for the application.

8. Performance Monitoring

As part of the performance monitoring, the following shall be carried out:

- a) The BESSD must install necessary equipment to continuously measure BESS operating parameters (including but not limited to voltage, current, ambient conditions etc.) as well as energy input into and energy output from the BESS along with Metering arrangement in accordance with extant regulations. They will be required to submit this data to CSPDCL or SLDC on line and/or through a report on regular basis every month for the entire duration of contract.
- b) The BESSD shall provide access to the CSPDCL/MNRE/MOP/CEIG/CERC/CSERC or their authorized representatives for installing any additional monitoring equipment to facilitate on-line transfer of data.
- c) All data shall be made available as mentioned above for the entire duration/ extended duration of the Contract.
- d) The plant SCADA should be OPC version 2.0a (or a later version including OPC UA) compliant and implement appropriate OPC-DA server as per the specification of OPC Foundation. All data should be accessible through this OPC server for providing real time online data (BESS parameters) to the CSPDCL/SLDC/MNRE. This time series data shall be available from the Project SCADA system to facilitate monitoring and should include among others as stated before, below parameters to facilitate daily, monthly and annual Report for performance monitoring.
- e) Web-based monitoring should be available at Chhattisgarh SLDC, which should not be machine dependent. The web-based monitoring should provide the same screens as available in the plant. Also, it should be possible to download reports from a remote web-client in PDF or Excel format.

9. Other necessary criteria

- i. Central Electricity Authority, Technical Standards for Connectivity to the Grid, (Amendment) Regulations, 2013 and 2019 mention connectivity standards applicable to the wind generating stations, generating stations using inverters, wind - solar photo voltaic hybrid systems and energy storage systems. BESS, being an inverter based power system element, shall also comply to the requirements specified for other generating stations using inverters.

Some of the requirements are indicated below and following shall be added separately in the “Technical and Regulatory Requirements to be followed by Battery Energy Storage System”:

- d) BESS shall be capacity of operating in the frequency range of 47.5 Hz to 52 Hz and be able to deliver rated output in the frequency range of 49.5 Hz to 50.5 Hz.
- e) **Low / High Voltage Ride Through (LVRT/ HVRT):** BESS shall be capacity of operating when voltage at the inter connection point on any or all phases dips/rises to the high or low levels. The levels applicable for wind/solar inverter-based generation may be referred as available in Central Electricity Authority (Technical Standards for Connectivity to the Grid) Regulations.
- f) **Dynamic Reactive Power Support / Voltage Control** - BESS shall have the feature to detect and regulate the voltage of interconnection point as per the specified capability i.e. The BESS shall be capable of supplying dynamically varying reactive power support at least up to the limits specified for wind/solar generation sources (inverter-based) in the Central Electricity Authority (Technical Standards for Connectivity to the Grid) Regulations. The response time of the BESS shall not exceed the value specified in relevant standards or grid codes.
- g) **Primary Frequency Control** – The BESS shall have provisions for Primary Frequency Control with a droop which can be set as per system requirement between the range specified for wind/solar generation sources (inverter-based) in the Central Electricity Authority (Technical Standards for Connectivity to the Grid) Regulations. BESS to be implemented shall have provisions for Primary frequency control with a droop which can be set as per system requirement between 1-3 percent. The BESS performs regulations in one or several pre-defined ways (e.g. regulating its own output power according to the orders given by SCADA system) to achieve an active power balance between generation and demand to maintain the power system frequency within a reasonable range.
- h) BESS shall be capable to receive active power/reactive power set point from load dispatch centers i.e. SLDC/RLDC.
- i) The BESS shall have the capability for synthetic inertia, black start and intentional island control capability to extend start-up of a blackout system or to operate independently after formation of an island.
- j) BESS shall operate in a manner to promote the power system reliability and improve the power quality. When power quality problems, such as voltage dip, flicker, unsatisfactory power factor, etc., occur in power system, the BESS could eliminate these problems by flexible active and reactive power output in this function.
- k) The BESS shall provide reliable protection and not be limited to as an over

voltage/under-voltage protection, over current protection, low-temperature/over-temperature protection of battery, DC insulation monitoring, etc.

- l) BESS is required to have the following basic functions :
 - i) Monitoring: Monitor operational parameters, equipment status and communication status, alarm and faults of main equipment and BESS system, etc.
 - ii) Information exchange: Receive and process information with SLDC /RLDC/NLDC including operation parameters, switching information, various alarms and alerts, protective action signals, control information, etc.
 - iii) Control: Including control mode and parameter setting with SLDC/RLDC/NLDC.

- m) BESS shall have capability to operate in AGC. The details regarding AGC signals required by not limited to, are given (the conventional power plant signal link) at the link, <https://posoco.in/download/detailed-signal-list-for-connecting-generators-under-agc/?wpdml=29546>.

BESS shall be able to operate in AGC and be able to comply with the requirements desired by system operators. Some of the BESS signal list for implementation of AGC can be like below (list is indicative only):

- I. Maximum MW permissible (dynamic or user entry)
- II. Minimum MW permissible (dynamic or user entry)
- III. Ramp rate up permissible (dynamic or user entry)
- IV. Ramp rate down permissible (dynamic or user entry)
- V. Actual MW
- VI. Actual MVAR
- VII. Auxiliary Consumption MW
- VIII. Scheduled MW (dynamic or user entry)
- IX. BESS Temperature (for monitoring and correlation)
- X. Ambient Temperature (for monitoring and correlation)
- XI. Cycle limits (0-100%) per day (user entry)
- XII. Circuit breaker status
- XIII. Local/Remote status
- XIV. AGC Set Point MW from NLDC to BESS
- XV. Voltage (kV) at grid level
- XVI. Voltage (V) at BESS LV side

- n) The static information like detailed write-up on present operation methodology of BESS, forbidden zones, number of cycle limits, Auxiliary consumption details, capability curve, simulation models (RMS/PSCAD) along with description or any specific information about BESS shall also be furnished as and when required by SLDC/RLDC/NLDC.
- o) In addition to the above, the Project Capacity shall also respond to secondary and Tertiary control signals from the Nodal Agency for providing SRAS-UP, TRAS-UP and SRAS-Down, TRAS-UP services as defined under the Central Electricity Regulatory

Commission (Ancillary Services) Regulations, 2021. The performance monitoring and incentives, if any for the SRAS/TRAS shall be in accordance with the extant Regulations for Ancillary Services.

- p) BESS will ensure the compliance of requirements mentioned in procedure of First Time Charging (FTC) as applicable for other power system elements. The consolidated FTC procedure including the requirements for BESS is available in public domain at https://posoco.in/wp-content/uploads/2021/04/Procedure_for_Integration_of_Power_System_Elements.pdf
- q) The Developer shall take due cognizance of the provisions of the Public Procurement (Preference to Make in India) Order, 2017 and subsequent amendments or notifications issued thereunder by the Government of India. The Ministry of Power, under the said Order, has notified an itemized list (Annexure-I) specifying Minimum Local Content (MLC) requirements for various equipment categories in the power sector. Accordingly, the Developer shall ensure adherence to these provisions, to the extent applicable, during installation, commissioning, and operation of the Battery Energy Storage System (BESS) project being implemented under the Power System Development Fund (PSDF) Scheme. Compliance or exemption, as may be directed by the Ministry of Power in this regard, shall be duly observed as a part of the project implementation obligations.

10. Safe Disposal of unit Batteries from the BESS

The Developer will comply with the requirements under Hazardous & other Waste (Management and Trans boundary Movement) Rules, 2016, as amended from time to time, and Battery Waste Management Rules, 2022 on 24th August, 2022, as amended from time to time, as applicable. The BESSD shall ensure that all Unit Battery modules from the plant after their 'end of life' (when they become defective/ non-operational/ non-repairable) are disposed in accordance with the "e-waste (Management and Handling) Rules, 2016 and Battery Waste Management Rules, 2022" notified by the Government and as revised and amended from time to time and Battery Waste Management Rules, as and when notified by the Government of India.

CHECK LIST FOR FINANCIAL CLOSURE*(To be signed by the Authorized signatory of the BESSD)***(RfS No. _____ dated _____)****Last Date for submission of documents related to Financial Closure – _____
(9 months from Effective Date of BESPA)**

Project Company Name _____

Project ID:- _____

LOA No. - _____ Dtd. - _____

Effective Date of BESPA - _____

Scheduled Commissioning Date: - _____

1.0 Financial Closure - (Clause 23 of the RfS, including subsequent amendments & clarifications)

Details	Presently given in BESPA
Location	
Technology	
Certificate from all financial institutions	<p><u>In case of tie up through Bank / Financial Institutions: -</u></p> <p>Document from Bank / Financial Institutions certifying arrangement of necessary funds by way of sanction of Loan (to be enclosed as <u>Annexure-I</u>).</p> <p><u>In case of Internal Resources: -</u></p> <p>Copy of Board Resolution, Audited/Certified Balance sheet, Profit & Loss Account Statement, Bank Statement and Cash Flow Statement in support of availability of Internal resources of the Project Company and of the Company other than Project Company (in case the required funding will be raised from Company other than Project Company) (to be enclosed as <u>Annexure-I</u>).</p> <p><i>Performa for the cases where funding will be from Company other than Project Company is at 'A-1'.</i></p>

Note:-

- (i) Copy of Final Detailed Project Report (DPR) is to be enclosed as **Annexure – II A**.

2.0 Undertaking by the Project Company that all Consents, clearances and permits required for implementing the Project as per the terms of BESPA have been obtained is to be enclosed as **Annexure – II B**

3.0 Copy of Agreement/ MOU entered into / Purchase Order with acceptance, for the supply of Plants and Equipment (to be enclosed as **Annexure-III**)

4.0 Technical Parameters of the Project (Clause 39 of the RfS)

3.0.1 Certificate from Project Company that Technical specifications and directives given in Annexure-A of the RfS will be adhered to (to be enclosed as **Annexure-IV A**)

3.0.2 Proposed Project configuration as part of DPR of the Project (to be enclosed as **Annexure-IV B**)

5.0 Ownership of the BESSD: Latest Shareholding Pattern of the Project Company (including Compulsorily Convertible Debentures (CCDs), Compulsorily Convertible Preferential Shares (CCPS) of the Project Company certified by Chartered Accountant (to be enclosed as **Annexure V A**)

Shareholding pattern is not required to be submitted by a Listed Company.

Note: Shareholding pattern is to be submitted by the Project Company, as and when requisitioned by the Procurer.

6.0 The above checklist is to facilitate financial closure of projects. For any interpretation the respective provision of RfS / BESPA shall prevail.

Annexure - C

SPECIAL INSTRUCTIONS TO BIDDERS FOR e-TENDERING AND REVERSE AUCTION

The Special Instructions (for e-Tendering) supplement 'Instruction to Bidders', as given in these Tender Documents. Submission of Online Bids is mandatory for this Tender.

E-Tendering is a new methodology for conducting Public Procurement in a transparent and secured manner. Now, the Government of India has made e-tendering mandatory. Suppliers/ Vendors will be the biggest beneficiaries of this new system of procurement. For conducting electronic tendering, NVVN has decided to use the portal <https://www.bharat-electronictender.com> through ISN ElectronicTender Services Private Limited (referred as ISN- ETS). This portal is based on the world's most 'secure' and 'user friendly' software from ElectronicTender®. A portal built using ElectronicTender's software is also referred to as ElectronicTender System® (ETS).

Benefits to Suppliers are outlined on the Homepage of the portal.

Instructions

Note on ETS BIDDING FEE:

In order to participate in this Tender, each Bidder would have to deposit towards 'Application Charges for Bidders' an amount with the Service Provider of Bharat-Electronic Tender Portal [ETS], ie ISN Electronic Tender Services Pvt Ltd (ISN-ETS), as per instructions given on ETS. In ETS, this amount is referred to as 'ETS Bidding-Deposit Conditionally Refundable (ETS BIDDING FEE)'

The amount can be paid online through the following methods:

1. SBI Payment Gateway facility available on ETS portal
2. NEFT/RTGS to the following account:

Beneficiary Name: ISN Electronic Tender Services Pvt. Ltd.

A/C No.: 661405601452

Branch: ICICI Bank, Central Arcade, DLF City, Phase-II, Gurgaon - 122002

IFSC Code: ICIC0006614

Account Type: Current Account

On the 'Date of Bid Finalization', ie the date on which written communication is received by the Service/ Portal Provider of ETS from the Buyer Organization/ Auctioneer (ie NVVN LTD.) about the successful/ unsuccessful Bidders, ETS BIDDING FEE amount corresponding to the quantity allocated/ awarded to that successful Bidder will be retained by the Service/ Portal provider of ETS and treated as 'ETS Bidding-Fee' (including GST), and the balance amount (without any interest) will be refunded by Service/ Portal Provider.

Similarly, for unsuccessful Bidders, the full ETS BIDDING FEE (without any interest) will be refunded within Seven (7) working days from the date of receipt of written communication by the Service/ Portal Provider of ETS from the Buyer Organization/ Auctioneer (ie NVVN LTD.).

Invoicing & TDS deduction after the final outcome of the bidding process/ e-Auction:

Case-1 (Unsuccessful Bidder): In case the bidder does not win any capacity, the full BIDDING FEE amount shall be refunded and therefore no invoice will be given and will not be subject to TDS.

Case-2 (Successful Bidder): In case the bidder wins a particular capacity, an invoice shall be generated. The applicable TDS will be calculated on the invoice amount and ETS portal Service Provider shall then deposit this TDS amount on behalf of the bidder and share a copy of the deposit challan. Subsequently, the remaining BIDDING FEE balance shall be refunded, if any.

Note: The bidder must email a copy of the transaction summary and TAN Number

to support@isn-ets.com with the "Subject: 'Bidders Name' - Payment for NVVN Ltd Tender ETS- FEE"

Tender Bidding Methodology: Sealed Bid System

- Single Stage Two Envelope

Auction

The sealed bid system would be followed by an 'e-ReverseAuction'

Broad Outline of Activities from Bidder's Perspective:

1. Procure a Class-III Digital Signing Certificate (DSC)
2. Register on ElectronicTender System® (ETS)
3. Create Marketing Authorities (MAs), Users and assign roles on ETS. It is mandatory to create at least one MA.
4. View Notice Inviting Tender (NIT) on ETS
5. For this tender -- Assign Tender Search Code (TSC) to an MA
6. Download Official Copy of Tender Documents from ETS. Note: Official copy of Tender Documents is distinct from downloading 'Free Copy of Tender Documents'. To participate in a tender, it is mandatory to procure official copy of Tender Documents for that tender.
7. Clarification to Tender Documents on ETS
 - Query to NVVN Limited (optional)
 - View response to queries posted by NVVN Limited
8. Bid-Submission on ETS
9. Post-TOE Clarification on ETS (Optional)

– Respond to NVVN Post-TOE queries

10. Participate in e-Reverse Auction on ETS

For participating in this tender online, the following instructions are to be read carefully. These instructions are supplemented with more detailed guidelines on the relevant screens of the ETS.

Digital Certificates

For integrity of data and authenticity/ non-repudiation of electronic records, and to be compliant with IT Act 2000, it is necessary for each user to have a Digital Certificate (DC), also referred to as Digital Signature Certificate (DSC), of Class-III, issued by a Certifying Authority (CA) licensed by Controller of Certifying Authorities (CCA) [refer <http://www.cca.gov.in>].

Registration

To use the ElectronicTender® portal <https://www.bharat-electronictender.com>, vendors need to register on the portal. Registration of each organization is to be done by one of its senior persons who will be the main person coordinating for the e-tendering activities. In ETS terminology, this person will be referred to as the Super User (SU) of that organization. For further details, please visit the website/portal, and click on the 'Supplier Organization' link under 'Registration' (on the Home Page), and follow further instructions as given on the site, and special instruction given in the RFP in this regard. Pay Annual Registration Fee as applicable.

After successful submission of Registration details and Annual Registration Fee, please contact ISN-ETS/ ETS Helpdesk (as given below), to get your registration accepted/activated

Important Note: To minimize teething problems during the use of ETS (including the Registration process), it is recommended that the user should peruse the instructions given under 'ETS User- Guidance Center' located on ETS Home Page, including instructions for timely registration on ETS. The instructions relating to 'Essential Computer Security Settings for Use of ETS' and 'Important Functionality Checks' should be especially taken into cognizance.

Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of users, assigning roles to them, etc.

ISN-ETS/ ETS Helpdesk

Some Bidding related Information for this Tender (Sealed Bid)

The entire bid-submission would be online on ETS (unless specified for Offline Submissions). Broad outline of submissions are as follows:

- ☐ Online Payment of Applicable ETS Bidding-Fee (if applicable)

Note: Failure to pay this amount will result in rejection of the bid.

- ☐ Submission of Bid-Parts/ Envelopes
- ☐ Prequalification Application
- ☐ Technical-Part
- ☐ Financial-Part
- ☐ Submission of information pertaining Bid Security/ Earnest Money Deposit (EMD)
- ☐ Submission of digitally signed copy of RfS, PPA & Addendums

Offline Submissions:

The bidder is requested to submit the following documents offline to the under mentioned address before the start of Public Online Tender Opening Event in a Sealed Envelope.

The envelope shall bear (the project name), the tender number and the words 'DO NOT OPEN BEFORE' (due date & time).

1. Original copy of the Bid Security in the form of a Bank Guarantee.
2. DD/ Bankers cheque of Rs drawn in favour of , NVVN Limited, payable at New Delhi against payment of Bid Processing Fee.

Note: The Bidder should also upload the scanned copies of all the above-mentioned original documents as Bid-Annexures during Online Bid-Submission.

Special Note on Security and Transparency of Bids

Security related functionality has been rigorously implemented in ETS in a multi-dimensional manner. Starting with 'Acceptance of Registration by the Service Provider', provision for security has been made at various stages in ElectronicTender's software. Specifically, for Bid Submission some security related aspects are outlined below:

As part of the ElectronicEncrypter® functionality, the contents of both the 'ElectronicForms®' and the 'Main-Bid' are securely encrypted using a Pass-Phrase created by the Bidder himself. Unlike a 'password', a Pass-Phrase can be a multi-word sentence with spaces between words (eg I love this World). A Pass-Phrase is easier to remember, and more difficult to break. It is mandatory that a separate Pass-Phrase be created for each Bid-Part. This method of bid-encryption does not have the security and data-integrity related vulnerabilities which are inherent in e-tendering systems which use Public-Key of the specified officer of a Buyer organization for bid-encryption. Bid-encryption in ETS is such that the Bids cannot be decrypted before the Public Online Tender Opening Event (TOE), even if there is connivance between the concerned tender-opening officers of the Buyer organization and the personnel of e-tendering service provider. This is an

additional reason why a Bidder using ETS need not take the risk of trying to submit his bid near the 'Last Date and Time o Receipt of Bids', and can comfortably do so well in advance.

CAUTION: All bidders must fill ElectronicForms® for each bid-part sincerely and carefully, and avoid any discrepancy between information given in the ElectronicForms® and the corresponding Main-Bid. For transparency, the information submitted by a bidder in the ElectronicForms® is made available to other bidders during the Online Public TOE. If it is found during the Online Public TOE that a bidder has not filled in the complete information in the ElectronicForms®, the TOE officer may make available for downloading the corresponding Main- Bid of that bidder at the risk of the bidder. If variation is noted between the information contained in the ElectronicForms® and the 'Main-Bid', the contents of the ElectronicForms® shall prevail.

Typically, 'Pass-Phrase' of the Bid-Part to be opened during a particular Public Online Tender Opening Event (TOE) is furnished online by each bidder during the TOE itself, when demanded by the concerned Tender Opening Officer.

(Optional Text depending upon the decision of the NVVN Limited):

Additionally, the bidder shall make sure that the Pass-Phrase to decrypt the relevant Bid-Part is submitted to NVVN Limited Name in a sealed envelope before the start date and time of the Tender Opening Event (TOE).

There is an additional protection with SSL Encryption during transit from the client-end computer of a Supplier organization to the e-tendering server/ portal.

Some Bidding related Information for this Tender (e-ReverseAuction)

e-ReverseAuction would be conducted after the opening of the Prequalification/ Financial-Part. The following would be parameters for e-ReverseAuction:

SNo	Parameter	Value
-----	-----------	-------

1	Date and Time of Reverse-Auction Bidding	
---	--	--

Event Will be intimated to the responsive
bidders later.

2	Duration of Reverse-Auction Bidding Event	120 Minutes
---	---	-------------

3	Automatic extension of the 'Reverse-	
---	--------------------------------------	--

Auction Closing Time', if last bid received is
within a 'Pre-defined Time-Duration'

before the 'Reverse-Auction Closing Time' Yes

3.1	Pre-defined Time-Duration	10 Minutes
-----	---------------------------	------------

3.2	Automatic extension Time-Duration	10 Minutes
-----	-----------------------------------	------------

4	Criteria of Bid-Acceptance	Bidder can go on decreasing his own bid value without taking into cognizance the starting point or Rank 1 bid.
---	----------------------------	--

5 Entity – Start-Price VCNG quoted by the bidders in financial bid (Second Envelope)

6 Minimum Bid-Decrement 0.01 Rupees

Any special instructions to be inserted by the Buyer Organization Name for that particular Auction:

(Example-1): Only 'n-1' lowest bidders from the Financial-Bid opening round will be invited for e- Reverse Auction ...; Reserve Price for the auction will be the lowest price obtained in the financial-bid round, ...any 'Special Processes incorporated in this e-ReverseAuction'.

(Example-2): Similarly, Buyer organization to outline here 'specific rules and criteria' relevant to this particular e-ReverseAuction. If the e-ReverseAuction involves special processes (such as Categorization of bidders, Loading related to Price Preference, VGF, etc), it is recommended that the Buyer organization gives in Tender Documents here an example of the use of rules and criteria. etc.

Other Instructions

For further instructions, the vendor should visit the homepage of the portal <https://www.bharat-electronictender.com>, and go to the User-Guidance Center

The help information provided through 'ETS User-Guidance Center' is available in three categories – Users intending to Register / First-Time Users, Logged-in users of Buyer organizations, and Logged-in users of Supplier organizations. Various links (including links for User Manuals) are provided under each of the three categories.

Important Note: It is strongly recommended that all authorized users of Supplier organizations should thoroughly peruse the information provided under the relevant links, and take appropriate action. This will prevent hiccups, and minimize teething problems during the use of ETS.

SEVEN CRITICAL DO'S AND DON'TS FOR BIDDERS

Specifically, for Supplier organizations, the following 'SEVEN KEY INSTRUCTIONS for BIDDERS' must be assiduously adhered to:

1. Obtain individual Digital Signing Certificate (DSC or DC) of Class-III, well in advance of your first tender submission deadline on ETS
2. Register your organization on ETS well in advance of the important deadlines for your first tender on ETS viz 'Date and Time of Closure of Procurement of Tender Documents' and 'Last Date and Time of Receipt of Bids'. Please note that even after acceptance of your registration by the Service Provider, to respond to a tender you will also require time to complete activities related to your organization, such as creation of -- Marketing Authority (MA) [ie a department within the Supplier/ Bidder Organization responsible for responding to tenders], users for one or more such MAs, assigning roles to them, etc. It is mandatory to create at least one MA. This unique feature of creating an MA enhances security and accountability within the Supplier/ Bidder Organization.

3. Get your organization's concerned executives trained on ETS well in advance of your first tender submission deadline on ETS

4. For responding to any particular tender, the tender (ie its Tender Search Code or TSC) has to be assigned to an MA. Further, an 'Official Copy of Tender Documents' should be procured/ downloaded before the expiry of Date and Time of Closure of Procurement of Tender

Documents. Note: Official copy of Tender Documents is distinct from downloading 'Free Copy of Tender Documents'. Official copy of Tender Documents is the equivalent of procuring physical copy of Tender Documents with official receipt in the paper-based manual tendering system.

5. Submit your bids well in advance of tender submission deadline on ETS (There could be last minute problems due to internet timeout, breakdown, et al)

Note: Bid-submission in ETS can consist of submission of multiple bid-components, which vary depending upon the situation and requirements of the Buyer. Successful receipt of a bid in an e-tendering scenario takes place if all the required bid-components are successfully 'received and validated' in the system (ETS) within the scheduled date and time of closure of

bidding (On some ETS screens, this is also referred to as 'Last Date and Time of Receipt of Bids'). ETS/ Service Provider is not responsible for what happens at an end-user's end, or while a submission made by an end-user is in transit, until the submission is successfully 'received and validated' in ETS. When a bid-component receipt and validation is successful, it is recorded in the ETS Audit Trail Report, which is generated by ETS. In case of any uncertainty, the application audit trail generated by ETS (ETS Audit Trail Report) shall be the final record/evidence for reference regarding the 'successful bid receipt'.

6. It is the responsibility of each bidder to remember and securely store the Pass-Phrase for each Bid-Part submitted by that bidder. In the event of a bidder forgetting the Pass-Phrase before the expiry of deadline for Bid-Submission, facility is provided to the bidder to 'Annul Previous Submission' from the Bid-Submission Overview page and start afresh with new Pass- Phrase(s)

7. ETS will make your bid available for opening during the Online Public Tender Opening Event (TOE) 'ONLY IF' your 'Status pertaining Overall Bid-Submission' is 'Complete'. For your record, you can generate and save a copy of 'Final Submission Receipt'. This receipt can be generated from 'Bid-Submission Overview Page' only if the 'Status pertaining overall Bid-Submission' is 'Complete'.

NOTE:

While the first three instructions mentioned above are especially relevant to first-time users of ETS, the fourth, fifth, sixth and seventh instructions are relevant at all times.

Additional DO'S AND DON'TS FOR BIDDERS Participating in e-ReverseAuction

1. Get your organization's concerned executives trained for e-ReverseAuction related processes on ETS well in advance of the start of e-ReverseAuction.

2. For responding to any particular e-ReverseAuction, the e-ReverseAuction (ie its Reverse Auction Search Code or RASC) has to be assigned to an MA.

3. It is important for each bidder to thoroughly read the 'rules and related criterion' for the e- ReverseAuction as defined by the Buyer organization.

Note: To participate in e-ReverseAuction, the ETS Bidding-Fee for e-ReverseAuction should be paid before the 'Date and Time of Start of Reverse-Auction'. In case ETS Bidding-Fee for e- ReverseAuction is sent offline to the Auctioneer or ETS Service Provider, it is important for the bidder to ensure that the Auctioneer/ ETS Service Provider has received the ETS Bidding-Fee for e-ReverseAuction and also entered the related details in ETS. When the Auctioneer/ ETS Service Provider enters the details, the bidder should receive an e-mail acknowledgement. If ETS Bidding-Fee for e-ReverseAuction status of the bidder is not updated as outlined above, the bidder would not be able to participate in the Auction.

4. During an e-auction, it is recommended that a bidder submits a bid well before the scheduled time of 'Date and Time of Closure of Reverse-Auction'. Submission of a bid near the closing time of an auction may result in failure due to any of the various factors at that instant, such as – slow internet speed at the bidder's end, slow running of computer at bidder's end, nervousness of the bidder in the last few seconds, etc. This could lead to a delay in submission of data from the bidder's computer to the server. Even if the delay is of a fraction of second after the scheduled closing time, it will result in failure of bid submission. Further, please note that a bid can be submitted even if the bidding page has not been refreshed manually, or otherwise depending on the conditions of the e-auction.

Note: Successful receipt of Bid in an e-auction scenario takes place if the bid is successfully 'received and validated' in the system (ETS) within the scheduled date and time of closure of bidding (On some ETS screens, this is also referred to as 'Date and Time of Closure of Reverse-Auction', or Forward-Auction, as the case may be). End Users shall be solely responsible for ensuring timely submission of their respective bids such that the bids are successfully received in ETS as stated above. ETS/ Service Provider is not responsible for what happens at an end-user's end, or while a submission made by an end-user is in transit, until the submission is successfully 'received and validated' in ETS. When a bid is successfully 'received and validated', it is recorded in the ETS Audit Trail Report, which is generated by ETS. In case of any uncertainty, the application audit trail generated by ETS (ETS Audit Trail Report) shall be the final record/evidence for reference regarding the 'successful bid receipt'.

5. It is important to digitally-sign your 'Final bid' after the end of e-Reverse Auction bidding event.

Minimum Requirements at Bidder's End

Computer System having configuration with minimum Windows 7 or above, and Broadband connectivity Microsoft Internet Explorer 7.0 or above, or Edge with Internet Explorer mode Digital Certificate(s)

i is the i^{th} Time block in the day.

The System Availability for the day is calculated as the mean of **Column TA**, for all time- blocks where **Column Z is not zero**.

If CSPDCL has scheduled for charging of BESS & discharge of BESS and BESSD has not charge & discharge the BESS according to schedule then TA will be calculated as $TA = (X/Z) + (Y/Z)$ for that time block.

From the above table, Day's System Availability = 0.93

Similarly, the System availability shall be calculated for Monthly, 2976 time-blocks (96*31) in a Month (31 Days in a month considered in above), excluding time-blocks where Grid is

unavailable or in case of Force Majeure.

Assuming the following parameters:

- a. Quoted Storage charges= Rs x/kWh (For illustration purpose), **A**
- b. Total Contract Capacity= 500 MWh (for 125 MW/ 500 MWh), **B**
- c. Guaranteed Monthly Availability (in %): 0.95, **C**
- d. Annual system availability (as per procedure above) is calculated to be 0.93, **D**
- e. $n = 31$

Liquidated Damages on account of shortage in annual system Availability, as calculated from formula provided in Clause 8.2:

Assuming $x = \text{INR } 3.50/\text{kWh}$

$$\begin{aligned}\text{Liquidated damages in Rs.} &= (C - D) \times B \times 1000 \times A \times n \times 2.0 \text{ where} \\ &= (0.95 - 0.93) \times 500 \times 1000 \times 3.5 \times 31 \times 2.0 \\ &= 21.70 \text{ lakhs}\end{aligned}$$

b. **System Efficiency**

The present illustration is for calculating the Daily System Efficiency as demonstration only. The same methodology shall be used for calculation of monthly system efficiency as per Clause 8.1.d.3.

$$\text{System Efficiency} = \frac{\text{Total of Columnn (Y)}}{\text{Total of Columnn (X)}} = \frac{0.439}{0.573} = 0.766 \text{ (rounded off to 3 decimal places)}$$

Assuming:

- a. Monthly System Efficiency = 0.766,
- b. Total Monthly Drawl form Grid(Charging Power) = 17.763 MUs

Assuming APPC tariff of previous financial year for CSPDCL is Rs. 6.00/ kWh, then Liquidated Damages is calculated @ Rs. 6.00 for excess loss of energy considering expected System Efficiency to be 85%

Excess conversion losses = $(0.850 - 0.766) \times \text{Total Drawl from the grid in the month}$
(i.e., Charging Energy)

Liquidated Damages for the month = Rs. $(0.850 - 0.766) \times 17.763 \times 1.5 \times \text{APPC tariff (in millions)}$

= Rs 13.4295 Millions

= Rs 134.29 lakhs

c. **Example:1 (If RtE<70%)**

If CSPDCL provides **588.235 MWh charge at 85% RtE**, then expected output is:

Expected Discharge=588.235×0.85=500 MWh

Let suppose actual discharge delivered by BESS = **392.176 MWh**

Then, $RtE = 392.176/588.235 = 66.67\%$ (<70%)

Expected=500 MWh, Actual=392.176 MWh

Excess Loss=500.000–392.176= 107.824 MWh

LD as per clause 8.2

Conclusion from Example 1

- Monthly capacity charge **will NOT be paid** to BESSD
- Heavy penalty
- And this month counts towards **6-month breach rule**

Example:2 (RtE between 70% & 85%)

If CSPDCL provides **588.235 MWh charge at 85% RtE**, then expected output is:

Expected Discharge=588.235×0.85=500 MWh

Let suppose actual discharge delivered by BESS = **470.588 MWh**

Then, $RtE = 470.588/588.235 = 80\%$ (between 70% and 85%)

Expected=500.000 MWh, Actual=470.588 MWh

Excess Loss=500–470.588= 29.412 MWh

LD as per clause 8.2

Conclusion from Example 2-

- BESSD still gets monthly storage tariff as per BESPA/ RfS.
- LD as per clause 8.2.

Conclusion from Example 2-

- BESSD still gets monthly capacity charge.
- LD as per clause 8.2.

Annexure-E

PROJECT LOCATION DETAILS

(Bidders are requested to contact the Transmission licensee for further details, if required)

Sr. Nos.	NAME OF SUB-STATION	EVACUATION CAPACITY IN MWH	Interconnection Voltage level in KV	Contact details	AREA (Acre)
1	Khedamara Substation	500	220	Mr. Vivek Awasthy, CSPDCL Mob No: 9202223732	10

NOTES:

1. Prospective Bidders can contact and visit site during 10AM to 5PM on or before Pre-bid on their own.
2. The purpose of site visit is only for assessment of physical site conditions by the prospective Bidders. Prospective Bidders shall rely only on written clarifications/information/data issued by CSPDCL corporate office. CSPDCL will not be bound to any clarifications/information/data considered by prospective Bidders for tendering purpose which are not issued by CSPDCL corporate office.
3. Representatives of prospective Bidders shall obey the safety guidelines during the site visit. For not obeying safety guidelines, it is the sole responsibility of the visitor for any consequences/eventuality happened at site.

Annexure-F

FORMAT FOR COMMISSIONING OF BESS & OTHER DETAILS

1. Commissioning procedure of BESS to be followed by BESSD
2. Commissioning checklist
3. Synchronization declaration to be submitted by BESSD
4. Declaration of System Particulars by BESSD
5. Sample for part/full commissioning certification
6. Communication parameters required by SLDC
7. Fire safety wall for protection(As requested by BESSD-for reference)
