The received documents through this EOI shall be screened/reviewed by NTPC Sipat to formulate further strategy and terms and conditions for selling. The process for auctioning/bidding shall be carried out separately afterwards with detailed terms and conditions..

PART 1: GENERAL INFORMATION

1. General Details:

- 1.1. NTPC Sipat (2980 MW Power Plant), a leading power generating unit of the largest power utility of India, NTPC Ltd, is located in the Bilaspur District of the state Chhattisgarh.
- 1.2. NTPC Sipat is approximately 25 KM from Bilaspur Railway station and is well connected by road to nearby cities like Bilaspur, Raipur, Korba Ambikapur, Jagdalpur etc. It is also in the proximity with the states of Madhya Pradesh, Jharkhand and Odisha.
- 1.3. NTPC Sipat operates a fly ash brick plant within its premises with an installed production capacity of **2 lakh bricks per day**. The brick plant has a storage capacity of approximately 35-40 lakh bricks.
- 1.4. The brick manufacturing operations generates rejects and debris in the form of dried and crushed material mix. In addition, during the loading operations of bricks, brick pieces are broken and not loaded. These crushed mix and broken bricks are being stored in the yard of brick plant as debris and rejects. On an average daily 4 to 5 MT of debris is being generated in the plant.

2. EXPRESSION OF INTEREST:

- 2.1. NTPC Sipat invites this Expressions of Interest to identify prospective buyers of brick rejects and debris from NTPC ash brick plant periodically.
- 2.2. The successful buyer shall be entitled to reuse, trade, sell the debris or make any other use in any lawful manner.
- 2.3. The successful buyer shall need to deploy required resources for removal of rejects within stipulated period.
- 2.4. The estimated quantity of brick rejects/debris accumulated and currently kept in the ash brick plant is **150-200 Nos of fully loaded TATA Hyva (12 wheeled) trucks**. In addition, daily roughly 4-5 MT debris/rejects is being generated.
- 2.5. However, the quantity mentioned above is merely an approximate estimation, and agencies are advised to check and assess the available quantities themselves. Subject officer may be contacted over phone/personally for the visit. No claim shall be entertained later based on intimated quantities in the EOI.
- 2.6. **WHO MAY APPLY:** Any individual having AADHAR, PAN and GST registration or any registered firm/registered PAP cooperative society may apply.
- 2.7. Any individual/agency currently not registered for GSTIN may also apply. However, if award is placed, GSTIN registration shall be prerequisite for issuing LOA/PO. If not registered within a month award shall be cancelled.

- 2.8. **Period of lifting:** This is a periodic removal work. Considering the accumulated quantities of debris and daily addition, agencies are advised to suggest a suitable period for lifting as sought in the format.

3. EVALUATION of Applications:

- 3.1. All the EOIs received in the stipulated time frame shall be duly evaluated by NTPC to formulate strategy for adopting appropriate process and related terms & Conditions. During the process of evaluation, applicants may be subject to personal interactions, communications for additional details or verification of the submitted data.
