14. BRBCL reserves the right to accept or reject any/all offers without assigning any reason whatsoever.
15. General Conditions of Contract of BRBCL/NTPC shall be applicable to the extent possible.
16. No escalation or rate change shall be admissible during execution of work.

Scope of Work:

1. The scope of work includes cutting of grass, jungle, elephant grass, and bushes, along with disposal at locations specified by the EIC, as per the BOQ. The work may also be executed in areas outside the plant premises, including near gate complex or any other location as directed by the EIC.
2. The contractor shall arrange all required manpower, tools, tackles, and equipment at their own cost. The contractor shall mobilize adequate resources to ensure completion of the work within the stipulated time schedule to the satisfaction of the EIC.
3. Safety shall be of paramount importance, and the agency shall ensure provision and use of all necessary PPEs (safety shoes, helmets, gum boots, gloves, etc.) by the workforce.
4. All arrangements for dwelling facilities to be provided by the Agency.
5. Adequate arrangements shall be made by the contractor to facilitate inspection and checking of the work by the Engineer-in-Charge.
6. Disposal of cut grass shall be carried out at low-lying areas identified by the EIC.
7. Loading, unloading including disposal of grass with tractor trolley is included in the rate of item of grass/jungle cutting itself.
8. The contractor shall deploy sufficient manpower to ensure that the areas assigned by the EIC are cleared within the contract period, including disposal.

Special Terms and conditions:

1. The contract period shall be 04 months, and the work shall be completed within the stipulated time, keeping in view safety and aesthetic requirements. However, period may be further extended for execution of balance PO quantity if required, on the recommendation of EIC.
2. GST shall be payable extra, as applicable, for GST-registered vendors.
3. Time shall be the essence of the contract. The agency shall mobilize within 15 days from the date of issue of LOI, or as directed by the EIC.
4. Payments shall be made through monthly RA bills based on joint measurement records.
5. The contractor shall strictly adhere to all applicable safety norms during execution of the work.
6. The contractor shall obtain an appropriate labour insurance policy covering risks involved in grass cutting prior to commencement of work.
7. The contractor shall deploy an experienced supervisor to monitor the work and participate in joint measurements.
8. Insurance coverage for all labour engaged shall be ensured before commencement of work, and copies of the policies shall be submitted to the Engineer-in-Charge.
9. The agency shall ensure timely payment of wages and statutory benefits to all manpower deployed.
10. Wages shall be paid at not less than the minimum wages as notified by BRBCL from time to time.

11. All statutory compliances related to PF, ESI, Bonus, etc., shall be adhered to as per applicable rules and guidelines.
12. As the grass cutting areas have been predefined, positive deviation in contract quantity shall not be admissible.
