Part 4: Terms and Conditions and General Guidelines:

1. Pond ash and/or Dry Fly Ash shall be issued from, the designated Ash pond and/or Dry ash silos or other location as decided by EIC, to the Ash Users (or their authorized representatives as may be agreed to in writing by the EIC), considering Operational and Safety issues of Ash pond and Dry ash silos.
2. Bidders shall make themselves aware of the various extant Rules, Procedures, Safety norms, Environmental and Sustainability Guidelines etc. and carry out their activities in full compliance with the same.
3. No person / agency shall be allowed to lift ash without due permission from TPP.
4. General facilitating measures for lifting of Ash viz. Common Approach / ramp, general area fugitive dust suppression, etc. shall be in the scope of NTPC. However, job specific facilitation viz. approach / ramp to specific allocated area and local fugitive dust suppression shall be in the scope of the recipient ash user.
5. Depending upon operational convenience, safety, etc. EIC can schedule the lifting of Ash from Designated storage area by different agencies, which shall be binding upon the agencies. The schedules and deployment may be worked out / altered based on periodic meetings between concerned stakeholders.
6. Statutory / regulatory compliances (CTE/CTO from SPCB/CPCB, End user certificate, etc.) shall be binding upon all the Bidders and verifiable by NTPC
7. On allocation of Pond ash/ dry fly ash against this Notice, Successful Ash Users shall submit affidavit on Non – judicial stamp paper of requisite value, certifying the complete Utilization of issued Pond ash / Dry Fly ash, in adherence with the provisions of the extant Notification and other applicable statutory regulations. This affidavit, in prescribed format, shall be submitted on Half Yearly basis to the EIC.
8. In case of any liability on TPP, in any manner that arises due to non-compliance of any Environmental and Transportation Norms, Rules, Guidelines and Statutory provisions by the Ash User or its representative / agent, during the course of execution and for future obligations (if any) by way of omission or commission, the Ash User shall keep TPP effectively indemnified of any such liability. An indemnity bond shall be submitted before start of lifting of Ash.
9. Interested and eligible Ash Users executing Project shall have to submit tentative time schedule of the project along with Expression of Interest.
10. All Eligible Projects shall source Ash from Thermal Power Plants (TPPs) closest to their Project. Allocation of Ash by TPP shall be in compliance with the same.
11. It shall also be the responsibility of the Ash User(s) to ensure that the Ash sent from the TPP is facilitated for quick unloading and release of vehicle.
12. NTPC reserves its right to take appropriate action as deemed fit, in case information / details provided are found false even at a later date.
